(iv) Borrower's interest in such Interest Rate Protection Agreement, including all rights of Borrower to payment thereunder and any residual value thereof, shall have been collaterally assigned to Agent pursuant to the Mortgage and the Assignment of Agreements;

32

(v) The financial institution which is party to such Interest Rate Protection Agreement shall have executed and delivered to Agent a consent to the collateral assignment of Borrower's interest in such Interest Rate Protection Agreement referred to in clause (iv) above pursuant to a consent in the form annexed hereto as Schedule 2.6(a) or otherwise in form and content reasonably acceptable to Agent (the "Interest Rate Protection Agreement Consent"); and

(vi) Such Interest Rate Protection Agreement shall be satisfactory to Agent in form and content.

(b) Failure to Provide Interest Rate Protection. In the event that Borrower breaches its obligation to enter into and maintain an Interest Rate Protection Agreement in full force and effect as set forth in Section 2.6(a) hereof, in addition to Agent's rights and remedies hereunder or under the other Loan Documents, Agent may, but shall have no obligation to, at Borrower's sole cost and expense and on Borrower's behalf, enter into an Interest Rate Protection Agreement as may be required pursuant to Section 2.6(a) hereof. In the event that Agent shall elect to enter into an Interest Rate Protection Agreement on Borrower's behalf, such Interest Rate Protection Agreement, at Agent's election, may be a Lender Interest Rate Protection Agreement. In the event that Borrower breaches its obligations to enter into or maintain an Interest Rate Protection Agreement in full force and effect as set forth in Section 2.6(a) hereof and during the continuance of such breach, Agent is hereby irrevocably appointed the true and lawful attorney of Borrower (coupled with an interest), in its name and stead, to execute such an Interest Rate Protection Agreement and all necessary documents ancillary thereto, and for that purpose Agent may execute all necessary agreements and instruments, and may substitute one or more persons with like power, Borrower hereby ratifying and confirming all that its said attorney or such substitute or substitutes shall lawfully do by virtue hereof. All sums paid and liabilities incurred by Agent pursuant to this Section 2.6 shall be paid by Borrower (and not from the proceeds of the Loan) within ten (10) Business Days after Agent's demand with interest at the Default Rate to the date of payment to Agent and such sums and liabilities, including such interest, shall be deemed and shall constitute advances under this Loan Agreement and be evidenced by the Note and be secured by the Security Documents.

(c) Obligation of Borrower Unaffected by Interest Rate Protection Agreement. No Interest Rate Protection Agreement shall alter, impair, restrict, limit or modify in any respect the obligation of Borrower to pay Interest or Additional Interest on the Loan, as and when the same becomes due and payable in accordance with the provisions of the Loan Documents.

(d) Termination, etc. of Interest Rate Protection Agreement. Borrower shall not terminate, modify, cancel or surrender, or permit the termination, modification, cancellation or surrender of, any Interest Rate Protection Agreement without the prior consent of the Requisite Lenders. Within ten (10) Business Days after Borrower obtains knowledge of or receipt of notice (which may be given by Agent or a Lender) of a default by the financial institution that is a party to any Interest Rate Protection Agreement, Borrower shall substitute for such defaulted Interest Rate Protection Agreement another Interest Rate Protection Agreement (to which the Person that defaulted under the defaulted Interest Rate Protection Agreement is not a party) so that, after giving effect to such substitution, Borrower is in compliance with the requirements of Section 2.6(a) hereof.

33

(e) Receipts from Interest Rate Protection Agreements. All payments due to Borrower pursuant to any Interest Rate Protection Agreement, including upon any termination thereof, shall be payable to and held by Agent; provided, however, that all periodic "net payments" and any other payments due to Borrower so received by Agent in connection with a payment made by a counterparty to an Interest Rate Protection Agreement shall be applied by Agent on account of Interest then due and payable or which becomes due and payable on the Loan. If an Event of Default occurs, Agent may, in its sole discretion, for so long as such Event of Default is continuing and in addition to any other rights and remedies hereunder, apply the amounts so held by Agent to the Loan or other amounts due under the Loan Documents at Agent's election. Until such time as all Obligations have been paid in full, Borrower shall have no right to withdraw or otherwise apply any funds received by Agent on account of any Interest Rate Protection Agreement. Such funds shall constitute additional

security for the Obligations, a security interest therein being granted hereby. In the event Borrower receives any sums pursuant to or in connection with any Interest Rate Protection Agreement, it shall immediately pay such sums to Agent.

(f) **Security.** No Interest Rate Protection Agreement shall be secured by all or any portion of the Collateral unless it is a Lender Interest Rate Protection Agreement, in which case such Lender Interest Rate Protection Agreement shall be secured pari passu with the other sums secured by the Mortgage and other Security Documents.

SECTION 2.7. Intentionally Omitted.

SECTION 2.8. Additional Interest. Borrower shall pay to Agent the following losses, costs and expenses of Agent or any Lender incurred or reasonably estimated by Agent or such Lender, as applicable, to be incurred:

(a) All “breakage” charges, i.e., losses, costs and expenses (including internal charges but excluding consequential damages and excluding lost LIBOR Rate Margin) incurred by reason of obtaining, liquidating or redeploying deposits or other funds acquired by Agent or such Lender to fund or maintain the Loan as a result of any prepayment of the Loan or any delay or failure to prepay the Loan when required hereunder or otherwise; and

(b) Any sums becoming payable by Borrower pursuant to any Lender Interest Rate Protection Agreement, including any termination thereof.

In any of the foregoing events, Borrower shall pay to Agent, (i) as to amounts due under clause (a) above, concurrently with the principal payment, in the case of such breakage charges in connection with a payment of principal, and within ten (10) Business Days after written demand in all other cases or (ii) in the case of any Lender Interest Rate Protection Agreement, within ten (10) Business Days or such shorter period as shall be specified therein after written demand, such amount as shall equal the amount of the Additional Interest certified by Agent (or the applicable Lender) to Borrower by reason of such event. A certificate as to the amount of such Additional Interest submitted by Agent to Borrower setting forth Agent’s (or the applicable

Lender’s) basis for the determination of Additional Interest shall be conclusive evidence of the amount thereof, absent manifest error. Failure on the part of Agent to demand payment from Borrower for any Additional Interest attributable to any particular period shall not constitute a waiver of Agent’s (or the applicable Lender’s) right to demand payment of such amount for any subsequent or prior period.

SECTION 2.9. No Withholdings. All sums payable by Borrower under the Note, this Loan Agreement and the other Loan Documents, shall be paid in full and without set-off or counterclaims and free of any deductions or withholdings for any and all present and future taxes, levies, imposts, deductions, duties, filing and other fees or charges, excluding Excluded Taxes (collectively, “Taxes”). In the event that Borrower is prohibited by any law from making any such payment free of such deductions or withholdings with respect to Taxes, then Borrower shall pay such additional amount to Agent as may be necessary in order that the actual amount received by Lenders after such deduction or withholding (and after payment of any additional Taxes due as a consequence of the payment of such additional amount) shall equal the amount that would have been received if such deduction or withholding were not required; provided, however, that Borrower shall not be obligated to pay such additional amount on account of a specific Lender if at the time such Lender became a “Lender” hereunder, Borrower is required to deduct or withhold any sums solely because such Lender had a legal basis to deliver, but failed to deliver, to Borrower a duly executed copy of United States Internal Revenue Service Form W-8 BEN, W-8 ECI, W-9 or other form or statement prescribed by law from time to time and applicable to a Lender (in such number of copies as may be prescribed by law from time to time), and any required renewal thereof, as the case may be, which, pursuant to the applicable provisions of an income tax treaty between the United States and the country of residence of the Lender, the IRC, or any applicable rule or regulation under the IRC, indicate that such Lender is entitled to receive payments under the Loan Documents without deduction or withholding of any United States federal income taxes, or at a tax rate that is reduced to zero (or, upon written request of Borrower specifying the applicable form which such Lender may in accordance with law sign with no disadvantageous consequences to it or any of its affiliates as determined by such Lender, at a reduced rate of tax or deduction), and as result of such failure, Borrower was prohibited by the IRC from making any such payment free (or at a reduced rate as aforesaid) of such deductions or withholding. Notwithstanding anything contained in this Section 2.9, in no event will any Lender’s failure to deliver any such

forms, or any renewal or extension thereof, affect, postpone or relieve Borrower from any obligation to pay Interest, principal, Additional Interest and other amounts due under the Loan Documents (other than as expressly set forth above in this Section 2.9). Such additional amount shall be due concurrently with the payment with respect to which such additional amount is owed in the amount of Taxes certified by Agent (or the applicable Lender). A certificate as to the amount of Taxes submitted by Agent to Borrower setting forth Agent's (or the applicable Lender's) basis for the determination of Taxes shall be conclusive evidence of the amount thereof, absent manifest error. Failure on the part of Agent to demand payment from Borrower for any Taxes attributable to any particular period shall not constitute a waiver of Agent's (or the applicable Lender's) right to demand payment of such amount for any subsequent or prior period. In the event that Borrower is obligated to pay any additional amounts described in this Section 2.9 in respect of the Loan, the applicable Lender shall, at no cost to such Lender, make commercially reasonable efforts to designate another of its lending offices to be the Applicable Lending Office of such Lender if, in the reasonable judgment of such Lender, doing so would avoid or materially reduce

such additional amounts payable by Borrower and would not be disadvantageous to such Lender. Nothing in the immediately foregoing sentence shall postpone Borrower's obligation to pay such additional amounts as and when they become payable hereunder.

SECTION 2.10. Unavailability of LIBOR; Illegality.

(a) **Unavailability of LIBOR.** If on any date on which Borrower seeks to establish a LIBOR Rate as the Applicable Interest Rate pursuant to Section 2.3 hereof or if Section 2.3(d) hereof applies, Agent determines (which determination shall be conclusive and binding upon Borrower absent manifest error) that (i) Dollar deposits in an amount approximately equal to the then outstanding principal balance of the Loan Portion bearing interest at a LIBOR Rate are not generally available at such time in the London interbank Eurodollar market for deposits in Eurodollars, (ii) reasonable means do not exist for ascertaining LIBOR, or (iii) the Applicable Interest Rate would be in excess of the maximum interest rate which Borrower may by law pay, Agent shall promptly give notice (the "Non-Availability Notice") of such fact to Borrower and the option to convert to or to continue the Applicable Interest Rate on such Loan Portion as a LIBOR Rate shall be suspended until such time as such condition no longer exists. In the event that the option to elect, to convert to or to continue an Applicable Interest Rate as a LIBOR Rate shall be suspended as provided in this Section 2.10(a), effective upon the giving of the Non-Availability Notice, and if applicable, effective as of the first date that the one (1) month LIBOR Rate Period would otherwise be in effect pursuant to Section 2.3(d) hereof, interest on the Loan Portion for which a LIBOR Rate was to be determined shall be payable at the Base Rate, from and including the date of the giving of the Non-Availability Notice (or the date that the one (1) month LIBOR Rate Period would otherwise be in effect pursuant to Section 2.3(d) hereof, if applicable) until the Maturity Date or until any earlier date on which a LIBOR Rate shall become effective for such Loan Portion pursuant to Section 2.3 hereof following the giving of notice by Agent to Borrower that the conditions referred to in this Section 2.10(a) no longer exist (Agent agreeing to give prompt notice to Borrower if such conditions no longer exist).

(b) **Illegality.** In the event that at any time while any Loan Portion bears interest at a LIBOR Rate, any Lender determines (which determination shall be conclusive and binding on Borrower) that it shall become illegal for such Lender to maintain the Loan or a portion thereof on the basis of one or more LIBOR Rates, Agent shall promptly after receiving notice thereof from such Lender give notice of such fact to Borrower, and the option to elect, to convert to or to continue the Applicable Interest Rate on any Loan Portion as a LIBOR Rate shall be suspended until such time as such condition shall no longer exist (Agent agreeing to give prompt notice to Borrower if such conditions no longer exist). In the case of existing Loan Portions affected by the circumstances described in the immediately preceding sentence, the Applicable Interest Rate on such Loan Portion shall be converted automatically to the Base Rate (unless such Lender determines that such conversion is not required with respect to any existing Loan Portion) and shall be payable at the Base Rate in the same manner as provided in Section 2.10(a) hereof.

SECTION 2.11. Increased Costs and Capital Adequacy.

(a) Borrower agrees to pay Agent additional amounts (without duplication of any other amounts payable in respect of increased costs pursuant to this Loan Agreement) as Agent shall reasonably determine will

compensate Lenders for additional costs incurred in maintaining the Loan or any portion thereof outstanding or for the reduction of any amounts received or receivable as a result of any change after the date hereof in any applicable law, regulation or treaty, or in the interpretation or administration thereof by any domestic or foreign governmental authority charged with the interpretation or administration thereof (whether or not having the force of law), or by any domestic or foreign court, (i) changing the basis of taxation of payments to any Lender (other than taxes imposed on all or any portion of the overall net income of any Lender by the United States or by any political subdivision or taxing authority of the United States), (ii) imposing, modifying or applying any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, credit extended by, or any other acquisition of funds for loans by any Lender (whether directly, indirectly or on a portfolio wide basis) or (iii) imposing on any Lender any other condition affecting the Note or the Loan.

(b) If any Lender shall determine in good faith that (i) any change enacted after the date hereof in the application of any law, rule, regulation or guideline adopted or arising out of the July 1988 report of the Basel Committee on Banking Regulations and Supervisory Practices entitled "International Convergence of Capital Measurement and Capital Standards," including the draft Capital Accord proposed to replace such report, or any change in the interpretation or administration thereof by any domestic or foreign governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, (ii) any change in or adoption of any other law, rule, regulation or guideline regarding capital adequacy enacted after the date hereof, or (iii) compliance by any Lender, or any lending office of any Lender, or the holding company of any Lender, with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency based on any such change or adoption, has or would have the effect of reducing the rate of return on any Lender's capital to a level below that which such Lender would have achieved but for such adoption, change or compliance (taking into consideration the policies of such Lender with respect to capital adequacy), then from time to time Borrower shall pay to Agent such additional amounts (without duplication of any other amounts payable pursuant to this Loan Agreement) as will compensate Lenders for such actual reduction with respect to any portion of the Loan outstanding.

(c) Any amount payable by Borrower pursuant to Section 2.11(a) or (b) hereof shall be paid to Agent within ten (10) Business Days of receipt by Borrower of a certificate of Agent setting forth the applicable law, change or other matter giving rise to such amount as described herein, the amount due, and Agent's basis for the determination of such amount, which statement shall be conclusive and binding upon Borrower absent manifest error. Failure on the part of Agent to demand payment from Borrower for any such amount attributable to any particular period shall not constitute a waiver of Agent's right to demand payment of such amount for any subsequent or prior period.

(d) Notwithstanding Sections 2.11(a) and (b) hereof, (i) all requests, rules, guidelines or directions under or in connection with the Dodd-Frank Wall Street Reform and

Consumer Protection Act shall be deemed not to have been the subject of any request or directive implemented or any change having occurred prior to the date hereof and (ii) any change based on the reports and supporting documentation of the Basel Committee on Banking Supervision of December 2009 entitled "Strengthening the Resilience of the Banking Sector" and "International Framework for Liquidity Risk Measurement, Standards and Monitoring", in each case together with any amendments thereto, shall not be deemed to have occurred on or prior to the Closing Date.

SECTION 2.12. Usury. The Note, this Loan Agreement, the Mortgage, and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the Obligations at a rate which could subject any Lender to either civil or criminal liability as a result of being in excess of the maximum interest rate which Borrower is permitted by law to contract for or to agree to pay. If by the terms of the Note, this Loan Agreement, the Mortgage or any other Loan Document, Borrower is at any time required or obligated to pay interest at a rate in excess of such maximum rate, the rate of interest shall be deemed to be immediately reduced to such maximum rate and, to the extent not prohibited by law, the interest payments in excess of such maximum rate shall be applied and shall be deemed to have been payments in reduction of principal.

SECTION 2.13. Closing. The Closing shall be held pursuant to an escrow with the Title Company.

SECTION 2.14. Loan Fee Letter. Borrower shall pay to Agent the fees provided for in the Loan Fee Letter in accordance with the terms of this Loan Agreement and the Loan Fee Letter.

SECTION 2.15. Cash Sweep Provisions. On the third (3rd) Payment Date following any Testing Determination Date as of which a Cash Sweep Condition is determined or deemed to exist, and thereafter on each of the two (2) immediately succeeding Payment Dates, in addition to all other amounts then due and owing, Borrower shall (i) deposit into the Cash Sweep Account an amount (the “Applicable Excess Amount”) equal to the lesser of (A) all Excess Cash Flow with respect to the calendar month ending immediately prior to the calendar month immediately prior to such applicable Payment Date, as adjusted for seasonal variations in a manner and amount reasonably agreed upon by Borrower and Agent, and (B) the Cash Sweep Limit and (ii) deliver to Agent a certificate setting forth in reasonable detail Borrower’s calculation of Excess Cash Flow and the Applicable Excess Amount; provided, however, that in any event, Borrower shall in addition make a deposit into the Cash Sweep Account on the first two (2) Payment Dates following the Closing Date, in each case in an amount as determined pursuant to the preceding clause (A). On the fifth (5th) Payment Date following each Testing Determination Date as of which a Cash Sweep Condition is determined or deemed to exist (but subject to the last sentence of this Section 2.15), all amounts on deposit in the Cash Sweep Account shall be applied by Agent to the reduction of the outstanding principal balance of the Loan or, if Agent permits in its sole discretion, be disbursed by Agent to pay or reimburse Borrower for operating shortfalls of the Premises for any month during the period from the applicable Testing Determination Date to such fifth (5th) following Payment Date. Concurrently with any such application to principal, Borrower shall pay to Agent all sums required to be paid pursuant to, and shall otherwise comply with, Section 2.4(f) hereof, but no Spread Maintenance

38

Fee shall be applicable. In illustration of the foregoing, in the event that the Testing Determination Date with respect to which a Cash Sweep Condition exists would be March 31, (x) the third (3rd) Payment Date following such Testing Determination Date would be the first (1st) Business Day of June and the applicable calendar month for which Applicable Excess Amount would be deposited on such Payment Date would be April, (y) the first immediately succeeding Payment Date thereafter would be the first (1st) Business Day of July and the applicable calendar month for which Applicable Excess Amount would be deposited on such Payment Date would be May, and (z) the second immediately succeeding Payment Date thereafter would be the first (1st) Business Day of August and the applicable calendar month for which Applicable Excess Amount would be deposited on such Payment Date would be June (and on the first (1st) Business Day of August, all funds in the Cash Sweep Account, including those deposited on that date, will be applied to principal (or disbursed to pay or reimburse operating shortfalls) as aforesaid); provided, that, the Applicable Excess Amounts to be deposited on the Payment Dates occurring on the first (1st) Business Day of June, July and August would be deposited even if no Cash Sweep Condition exists as of the June 30th Testing Determination Date; provided, further, that, in the event that a Cash Sweep Condition exists as of the June 30th Testing Determination Date, Borrower shall continue to deposit the Applicable Excess Amounts with respect to the applicable calendar months of July, August and September on the Payment Dates occurring on the first (1st) Business Day of each of September, October and November, respectively. Disbursements from the Cash Sweep Account to reimburse Borrower for operating shortfalls as provided above shall be conditioned on, among other things, the absence of any First Tier Default or Event of Default and Agent’s receipt of a request for disbursement, in form and substance satisfactory to Agent, accompanied by such supporting documentation as Agent shall require. Promptly following termination of a Cash Sweep Condition, provided there exists no Event of Default, Agent shall remit to Borrower all sums in the Cash Sweep Account.

SECTION 2.16. FF&E Reserve Account.

(a) On the Closing Date, Borrower shall cause to be deposited all sums in its pre-existing capital reserve or similar account (if any) into an interest-bearing account or sub-account at Agent (the “FF&E Reserve Account”). Thereafter, on each Payment Date, and in addition to all other amounts then due and owing, Borrower shall (i) deposit into the FF&E Reserve Account, in cash or other immediately available funds, the FF&E Reserve Amount for the second (2nd) calendar month immediately prior to such Payment Date (e.g., the payment due on March 1, shall be the FF&E Reserve Amount for the preceding January) and (ii) deliver to Agent a certificate setting forth in reasonable detail Borrower’s calculation of such FF&E Reserve Amount. Interest on the FF&E Reserve Account shall be deposited therein and become part of the funds therein.

(b) From time to time, but no more frequently than once per calendar month, Borrower may submit to Agent a FF&E Disbursement Request with respect to FF&E Expenditures and/or Capital Expenditures. So long as the expenditures that are the subject of such FF&E Disbursement Request are Approved FF&E Expenditures or Approved Capital Expenditures, Agent shall disburse to Borrower from the available balance of the FF&E Reserve Account an amount equal to the Approved FF&E Expenditures and/or Approved Capital

Expenditures which were requested in such FF&E Disbursement Request. Additionally, in the event of an emergency or other unexpected event at the Premises that requires Borrower to make

an emergency Capital Expenditure or FF&E Expenditure in order to protect or secure the Premises, property contained therein or the life and safety of Persons at the Premises, or in order to maintain the normal operation of the Premises, Borrower may request a disbursement from the FF&E Reserve Account to pay or reimburse Borrower for such expenditure to the extent of funds on deposit in the FF&E Reserve Account by submitting a FF&E Disbursement Request for same, together with an explanation of the emergency or event, the proposed Capital Expenditure or FF&E Expenditure and such other information Agent reasonably requests; provided, however, that the foregoing shall not include emergencies or other unexpected events that are, or arise from, a Casualty or other insured event (or event that would have been insured if the Insurance Policies were in effect) or a Taking. Borrower shall use disbursements from the FF&E Reserve Account solely for the purpose of paying those amounts specified in each FF&E Disbursement Request or reimbursing Borrower for such amounts. Notwithstanding the foregoing, upon the occurrence and during the continuance of an Event of Default, Agent shall have no obligation to make any disbursement from the FF&E Reserve Account. Agent's concurrence with any FF&E Disbursement Request shall not be deemed to constitute a representation that no Default or Event of Default has occurred and/or is continuing or a waiver of any Default or Event of Default or any right or remedy resulting therefrom.

(c) Upon the occurrence and during the continuance of an Event of Default, Agent may apply any funds on deposit in the FF&E Reserve Account as set forth in Section 8.5 hereof and shall have all other rights and remedies with respect to the FF&E Reserve Account specified in this Loan Agreement and in any other Loan Document, at law and in equity.

SECTION 2.17. Collection and Operating Accounts.

(a) Borrower shall cause all Gross Revenue and all other profits, issues, accounts, accounts receivable, income, receipts and revenues of Borrower to be paid and deposited directly into the Collection Account. If Borrower actually receives any of the foregoing, Borrower shall cause same to be deposited into the Collection Account within two (2) Business Days after receipt. Borrower shall deliver to Agent an Account Agreement with respect to the Collection Account, executed by Borrower and, if applicable, Property Manager, and the depository at which the Collection Account is held if not at Agent. Borrower shall also deliver to Agent a Credit Card Servicer Agreement from each credit card company, servicer or agency used by Borrower and/or Property Manager, executed by Borrower and/or Property Manager, as applicable, and such credit card company, servicer or agency promptly after engaging same.

(b) Borrower shall not, and shall not permit Property Manager to, close the Collection Account or open any additional Collection Account without the prior consent of Agent. Within three (3) Business Days after notice from Agent at any time upon the occurrence and during the continuance of or after the occurrence of an Event of Default, Borrower shall cause the Collection Account to be held at Agent or another depository bank satisfactory to Agent in its sole discretion.

(c) So long as no Event of Default shall have occurred and be continuing and Agent shall not have notified Borrower pursuant to Section 8.5 hereof that Borrower's right to receive funds from the Collection Account is terminated, funds shall be swept from the

Collection Account to the Operating Account. Property Manager may from time to time make withdrawals from the Operating Account (i) to pay reasonable or necessary expenses incurred by Borrower or Property Manager (without duplication) in the ownership, maintenance, use, operation and leasing of the Premises as shown in the then-applicable annual operating budget for the Premises, (ii) to pay Debt Service and other sums in respect of the Obligations, (iii) to pay for alterations and other Capital Expenditures and FF&E and (iv) to make distributions to or to pay or repay loans from Borrower's members and for any other purposes of Borrower, subject, however, to any limitations and prohibitions on withdrawals and use of funds set forth in this Loan Agreement and the other Loan Documents. Upon the occurrence and during the continuance of an Event of Default and notice from Agent as aforesaid, Borrower shall not, and shall not permit any other Person to, receive funds from the Collection Account except as may be approved by Agent in writing. To the extent any funds were withdrawn by or on behalf of Borrower or Property Manager from the Collection Account after the

occurrence of an Event of Default and notice from Agent as aforesaid, Borrower shall cause the withdrawn funds to be redeposited in the Collection Account. Upon the occurrence and during the continuance of an Event of Default, Agent may apply any funds on deposit in the Collection Account as set forth in Section 8.5 hereof and shall have all other rights and remedies with respect to the Collection Account specified in this Loan Agreement and in any other Loan Document, at law and in equity.

(d) Notwithstanding anything herein to the contrary, Borrower shall not, and shall not permit Property Manager to, make any withdrawals from the Operating Account or use any Gross Revenues or other profits, issues, accounts, accounts receivable, income, receipts, revenues or security deposits in contravention of this Loan Agreement or any other Loan Document. Borrower shall cause each and every withdrawal from the Operating Account by Borrower and Property Manager to be used for the purpose for which such withdrawal was made and for no other purpose.

SECTION 2.18. Tenant Security Account.

(a) Borrower shall comply with all Legal Requirements and the applicable Lease applicable to any security given under any Lease. Subject to the foregoing, Borrower shall deposit or cause to be deposited all Security Deposits under the Major Leases into an account with a bank or other financial institution approved by Agent (the "Tenant Security Account") within two (2) Business Days after receipt.

(b) Borrower may make withdrawals from the Tenant Security Account at such time as no Event of Default has occurred and is continuing provided the proceeds are (i) applied in the ordinary course of business to sums due under the applicable Lease when the terms of such Lease or applicable Legal Requirements permit the application thereof or (ii) returned to the applicable Lessee pursuant to Legal Requirements or the terms of the applicable Lease which require Borrower to return such other Security Deposit. After the occurrence and during the continuation of an Event of Default, neither Borrower nor any other Person shall have any right to, and Borrower covenants that it shall not, and shall not permit Property Manager to, withdraw any amounts from the Tenant Security Account or apply any Security Deposits, except as may be approved by Agent. However, if an Event of Default exists but Borrower is required pursuant to the terms of the applicable Lease or applicable Legal

Requirements to return any Security Deposit to the applicable Lessee, Borrower shall deliver a notice to Agent certifying same and stating the reason therefor, and Agent shall, at Agent's option and at Borrower's sole cost and expense, either permit Borrower to return the Security Deposit to the applicable Lessee or, if Agent elects, cause such Security Deposit to be returned directly to the applicable Lessee. Upon the occurrence and during the continuance of an Event of Default, Agent may apply any funds on deposit in the Tenant Security Account as set forth in Section 8.5 hereof and shall have all other rights and remedies with respect to the Tenant Security Account specified in this Loan Agreement and in any other Loan Document, at law and in equity, subject to the rights of the Lessees under Major Leases in their Security Deposits. Upon payment in full of the Obligations, and at Borrower's sole cost and expense, Agent shall return any Security Deposits held by it to Borrower.

(c) Borrower shall transfer to the name of Agent and deliver to Agent all original Lease Letters of Credit under each Major Lease promptly after receipt of same, together with evidence that all fees payable to the issuer on account of such assignment and transfer have been paid. All such Lease Letters of Credit shall be transferable by their terms. Borrower hereby grants to Agent and Lenders a security interest in all rights of Borrower in and to all Lease Letters of Credit, including all proceeds thereof, as additional security for the Obligations. In addition to all other rights and remedies of Agent and Lenders, Agent may, and to the extent necessary in order to do so, Borrower hereby grants to Agent, effective from the occurrence and during the continuance of an Event of Default, an irrevocable power of attorney, coupled with an interest, and Agent shall be entitled to act pursuant to such power following an Event of Default that shall have occurred and be continuing by reason of a failure to comply with the terms of this Section 2.18(c), solely to draw upon or otherwise realize on each such Lease Letters of Credit in accordance with its terms and those of the applicable Lease.

(d) Borrower shall hold and apply all Lease Letters of Credit and the proceeds thereof subject to the same terms and conditions as Security Deposits pursuant to Section 2.18(a) and (b) hereof. Additionally, Borrower may draw on any Lease Letter of Credit in its possession if the issuer has elected to cancel or not renew such Lease Letter of Credit, provided that the proceeds thereof are held as a Security Deposit in accordance with Section 2.18(a) and (b) hereof. If Borrower delivered a Lease Letter of Credit to Agent, and (i) Borrower is entitled to make a drawing on such Lease Letter of Credit under the terms of the applicable

Lease, such Lease Letter of Credit or applicable Legal Requirements, and (ii) no Event of Default shall have occurred and be continuing, Agent shall, at Borrower's sole cost and expense, re-transfer such Lease Letter of Credit to Borrower in trust for the benefit of Agent and subject to Agent's security interest, provided that Borrower delivers to Agent a written request certifying compliance with the conditions set forth in the foregoing clauses (i) and (ii), and indicating the applicable Lease and Letter of Credit, the amount of the draw and the reasons for such draw. Borrower shall hold any such Lease Letter of Credit solely for the purpose of drawing or realizing thereon in accordance with the provisions of the applicable Lease or Lease Letter of Credit and Legal Requirements and shall apply the proceeds thereof in the ordinary course of business to sums due under the applicable Lease in conformance with the requirements of the terms thereof and applicable Legal Requirements. If such draw is to be made because the issuer has elected to cancel or not renew such Lease Letter of Credit, a copy of such notice of election to cancel or not renew shall also be delivered to Agent together with Borrower's request. If any proceeds of such Lease Letter of Credit are paid to Agent instead of Borrower, Agent shall

transfer same to Borrower provided no Event of Default shall have occurred and be continuing for application as provided in Section 2.18(a) and (b) hereof. The original of any such Lease Letters of Credit (to the extent not fully drawn) shall be promptly re-assigned, transferred and re-delivered to Agent. Borrower shall promptly deposit the proceeds of any such drawing into the Collection Account, unless the drawing is being made to liquidate any Lease Letter of Credit because the issuer thereof has elected to cancel or not to renew same or for any other reason not arising from a default by the Lessee, in which case Borrower shall deposit such proceeds in the Tenant Security Account. If Borrower is required by the terms of the applicable Leases or applicable Legal Requirements to return any Lease Letter of Credit previously delivered to Agent to the Lessee, Agent shall, at Borrower's sole cost and expense, re-assign and transfer and deliver possession of such original Lease Letter of Credit to Borrower provided Borrower delivers to Agent a written request for same, certifying the foregoing and indicating the applicable Lease and Letter of Credit and the reasons for such return. Borrower shall promptly return the same to the applicable Lessee. At Agent's election and at Borrower's sole cost and expense, instead of delivering such Lease Letter of Credit to Borrower, Agent shall return same to the applicable Lessee. If a Lease permits a Lessee to re-post a new Lease Letter of Credit, or to amend an existing Lease Letter of Credit, Agent will permit same and cooperate with Borrower to effect same, at Borrower's sole cost and expense. Upon payment in full of the Obligations and at Borrower's sole cost and expense, Agent shall return any Lease Letter of Credit held by it to Borrower.

SECTION 2.19. Accounts. Borrower hereby grants to Agent a security interest in all rights of Borrower in and to the Accounts (other than the Operating Account) and all sums on deposit therein as additional security for the Obligations. Borrower shall cause all banks or financial institutions other than Agent which are holding any Account (other than the Operating Account) to execute and deliver to Agent an Account Agreement with respect to such Account. Subject to the rights of Borrower expressly set forth herein to receive funds and make and permit others to make withdrawals from the Accounts, Borrower hereby acknowledges and agrees that Agent shall have sole dominion and control of the Accounts (other than the Operating Account). Borrower shall not close any Account without obtaining the prior written consent of Agent. Borrower shall not open any Account in substitution for or in addition to any Account set forth in Schedule 5.11 attached hereto without Agent's prior consent. Notwithstanding the foregoing, with respect to any Operating Account and the Tenant Security Account, Borrower may open new Account(s) to serve as the Operating Account or the Tenant Security Account without Agent's consent provided that (a) Borrower gives Agent at least ten (10) Business Days prior notice of Borrower's intention to open a new Account, (b) the bank or other financial institution at which such Account is to be opened is reasonably acceptable to Agent and (c) with respect to the Tenant Security Account only, prior to the opening of such Account, Borrower shall have delivered to Agent an Account Agreement with respect to such Account executed by it and Property Manager if applicable and such bank or other financial institution. All interest earned on amounts deposited in any Account shall be re-deposited therein and become part thereof. No funds in any Account (other than the Operating Account) not held by Agent may be commingled with any other funds of Borrower, Property Manager, any Affiliate of Borrower or Property Manager or any other Person or with any funds contained in any other Account not held by

Agent. Upon the occurrence and during the continuance of an Event of Default, Agent may apply any funds on deposit in the Accounts (other than the Operating Account) as set forth in Section 8.5 hereof and shall have all other rights and remedies with respect to the Accounts specified in this Loan Agreement and in any other Loan Document, at law and in equity. Neither Agent nor Lenders shall be liable for any loss of interest on or any penalty or charge assessed against the funds in, payable on, or credited to any Account as a result of the exercise by Agent of any of its rights, remedies or obligations hereunder or under any other Loan Document, except as may arise from the gross negligence or willful misconduct of Agent or any Lender. Upon payment in full of the Obligations, at Borrower's sole cost and expense, (i) if any Account is subject to an Account Agreement, Agent shall deliver a notice of termination of its security interest to the financial institution that is the party to such Account Agreement and (ii) if any Account is held at Agent, Agent shall release the funds on deposit therein to Borrower, free of the security interest provided for herein.

(b) **Conditions to Extension Term.** Borrower's option to extend the Term for the Extension Term as referred to in Section 2.20(a) hereof shall be subject to the following conditions being satisfied by Borrower at its sole cost and expense to the satisfaction of Agent, except to the extent that Agent may elect (which election may be made without written or express notice of such waiver) to waive any of the following conditions, on or prior to the Initial Maturity Date (or such other date as may be expressly provided):

(v) Borrower shall have taken and completed all action required to be taken to cause an Interest Rate Protection Agreement to be in full force and effect which shall cap the Applicable Interest Rate at a rate reasonably satisfactory to the Requisite Lenders (after consultation with Borrower and based upon a fixed or capped interest rate that would result in an Assumed Debt Service Coverage Ratio of at least 1.40:1.00, computed, however, based on pro-forma Net Operating Income for the Extension Term) and otherwise satisfy all of the conditions set forth in Section 2.6(a) hereof through and including the expiration of the Extension

Term, without regard to any time period set forth in Section 2.6 hereof by which such Interest Rate Protection Agreement is required to be in effect or any other action must be completed;

(vi) No Default or Event of Default shall have occurred and be continuing, and no Cash Sweep Condition shall exist, as of the Initial Maturity Date;

(vii) All representations and warranties made by Borrower and each Guarantor in the Loan Documents (and any certificate, document or financial or any other statement furnished pursuant to or in connection therewith) shall be true and correct in all material respects on and as of the Initial Maturity Date with the same force and effect as if made on and as of such date; provided that to the extent such representations are no longer true due to changes in factual circumstances that (x) have been disclosed by notice from Borrower to Agent, (y) do not constitute or are not the result of a Default or Event of Default and (z) do not have a Material Adverse Effect, then such representations and warranties shall be deemed to be updated to reflect such changes in circumstances;

(viii) Borrower shall have delivered to Agent a Title Continuation, dated as of the first day of the Extension Term;

(ix) Borrower shall have delivered to Agent at least ten (10) Business Days prior to the Initial Maturity Date current tax lien, Uniform Commercial Code, bankruptcy and judgment searches against Borrower, Borrower Member, Guarantors and such other Persons required by Agent in such jurisdictions required by Agent, which searches shall be reasonably acceptable in content to Agent;

No default or failure of performance in any material respect by Borrower exists under the Property Management Agreement, the License Agreement, any Material Operating Agreement, any Premises Document or any Permitted Encumbrance, and each of said documents is in full force

and effect. To Borrower's knowledge and except to the extent the same would not constitute, and would not be reasonably likely to result in a Material Adverse Effect, there are no offsets, claims or defenses to the enforcement by Borrower of any of the foregoing agreements presently outstanding and Borrower has not received a notice of default under any such agreement. None of the foregoing agreements contains any option to purchase or right of first refusal to purchase the Mortgaged Property or any part thereof. To Borrower's knowledge, there are no offsets, claims or defenses to the enforcement by Borrower of any of the foregoing agreements. The Property Management Agreement represents the entire agreement between Borrower and Property Manager with respect to the management of the Premises, and there are no other agreements or representations, written or oral, between Borrower and Property Manager (other than the License Agreement). The License Agreement represents the entire agreement between Borrower and Licensor with respect to the subject matter thereof, and there are no other agreements or representations, written or oral, with respect to such subject matter between Borrower and Licensor.

SECTION 5.18. Intentionally Omitted.

effected in public offices, each of the Security Documents will constitute a perfected Lien on and security interest in all right, title, estate and interest in the collateral described therein (other than the Operating Account), prior and superior to all other Liens, except as permitted under the Loan Documents.

SECTION 5.20. Casualty and Taking. To Borrower's knowledge, no Casualty has occurred to any portion of the Premises which has not been fully restored. No Taking of any portion of the Premises, or modification, realignment or relocation of any streets or roadways abutting the Premises or denial of access to the Premises from any point of access (public or private), has occurred or, to Borrower's knowledge, is threatened in writing or pending.

52

SECTION 5.23. Foreign Person. Borrower is not a "foreign person" within the meaning of Section 1445 or 7701 of the IRC.

SECTION 5.24. Control Person. Borrower is not, and no Person having "control" (as that term is defined in 12 U.S.C. § 375b or in regulations promulgated pursuant thereto) of Borrower is, an "executive officer," "director," or "person who directly or indirectly or in concert with one or more persons, owns, controls, or has the power to vote more than ten percent (10%) of any class of voting securities" (as those terms are defined in 12 U.S.C. § 375b or in regulations promulgated pursuant thereto) of any Lender, of a bank holding company of which any Lender is a subsidiary, or of any other subsidiary of a bank holding company of which any Lender is a subsidiary.

Borrower has no current obligation, contingent or otherwise, with respect to any Pension Plan, Multiemployer Plan or other employee benefit plan within the meaning of § 3(3) of ERISA. Each employee benefit plan of Borrower that is intended to qualify under § 401 of the IRC does so qualify, and any trust created thereunder is exempt from tax under the provisions of § 401 of the IRC. Each Pension Plan is in compliance in all material respects with all applicable provisions of ERISA, the IRC and other requirements of applicable law. There has been no, nor is there reasonably expected to occur any, ERISA Event. No Pension Plan has any unfunded pension liability. To the knowledge of Borrower, neither Borrower, nor any ERISA Affiliate would have any Withdrawal Liability as a result of a complete withdrawal as of the date hereof from any Multiemployer Plan that could reasonably be expected to, alone or in the aggregate, result in a material liability.

To Borrower's knowledge, there is no material proposed tax assessment against the Premises or any basis for such assessment which is material and not being contested in good faith by Borrower through appropriate proceedings after the establishment of appropriate reserves therefor with Agent's approval. (c) Borrower shall at all times keep complete and accurate books, records and accounts of its transactions. At Borrower's expense, Borrower shall permit any representative of Agent, at all times during normal business hours upon reasonable notice, to examine and copy the books and records of Borrower, and all

(c) Borrower, at its sole cost and expense, shall comply and cause compliance with all rights of way or use, declarations or transfers of air rights, other declarations, zoning lot

development agreements, privileges, franchises, licenses, servitudes, easements and other encumbrances affecting or forming a part of the Mortgaged Property or any portion thereof, and all instruments creating or evidencing the same, in each case, to the extent compliance therewith is required of Borrower under the terms thereof. Borrower shall not take any action which results in a forfeiture or termination of the rights afforded to Borrower under any such instruments. Borrower shall make all reasonable efforts to secure the performance of the obligations of the grantors or other parties thereto and to enforce Borrower's rights thereunder. Borrower shall not, without the prior consent of Agent, modify, amend or enter into any agreement in substitution for any such instruments or voluntarily grant any such new declarations, zoning lot development agreements, privileges, franchises, licenses, servitudes, easements or other encumbrances.

Borrower shall cooperate with Agent and any such appraiser and their agents and employees in connection with Appraisals and Appraisal Updates. The foregoing shall not be construed as preventing Lenders from ordering an Appraisal or Appraisal Update at any other time, at their own expense.

SECTION 7.6. Payment of Impositions. Subject to Borrower's right to contest in accordance as set forth in Section 7.8 hereof, Borrower shall pay or cause to be paid all Impositions on or before the due date thereof and in any event before any fine, penalty, interest or cost may be added for non-payment. Borrower promptly shall deliver to Agent after payment of any Imposition and at other times, upon request, copies of

official receipts or other evidence satisfactory to Agent evidencing the payment of the Impositions. Borrower shall not claim or demand or be entitled to any credit or credits on account of the Obligations for any Imposition or any part thereof and no deduction shall otherwise be made or claimed from the taxable value of the Mortgaged Property, the Collateral or any part thereof, by reason of the Mortgage or the Obligations.

SECTION 7.7. Liens and Encumbrances; Ownership of Collateral. Borrower shall at all times be the absolute and sole owner of, and have good, legal and beneficial title to, the Premises in fee simple absolute. Borrower shall at all times be the sole and absolute owner of and have legal and beneficial title to the other Collateral, free and clear of any Lien (subject to the right to contest same herein) except the Permitted Encumbrances and the Loan Documents. In furtherance of the foregoing, Borrower shall not directly or indirectly create or permit or suffer to be created any Lien on Borrower's interest in the Collateral or any part thereof, other than the Permitted Encumbrances and the Loan Documents, subject, however, with respect to Liens on the Collateral that are not voluntarily placed thereon by Borrower or any Affiliate thereof, Borrower's right to contest same in accordance with Section 7.8 hereof. After prior written notice to Agent and provided no Default or Event of Default shall have occurred and be continuing, Borrower, at its sole cost and expense, may contest, by appropriate legal proceedings conducted in good faith and with due diligence, the amount or validity or application, in whole or in part, of any Imposition, Legal Requirement, Insurance Requirement or Liens on the Collateral that are not voluntarily placed thereon by Borrower or any Affiliate of Borrower, and defer the payment thereof or compliance therewith, subject, however, to the following conditions:

(a) in the case of an unpaid Imposition, such proceedings shall suspend the collection thereof from Borrower, Agent, Lenders and the Mortgaged Property and other Collateral;

(b) neither the Mortgaged Property, the other Collateral, any Rents nor any part thereof or interest therein, in the reasonable judgment of Agent, would be in any danger of being sold, forfeited, terminated, canceled or lost in any respect;

(c) in the case of a Legal Requirement, Borrower would not be in danger of criminal liability for failure to comply therewith and neither Agent nor any Lender would be in danger of any civil or criminal liability for failure to comply therewith;

(d) Borrower shall have furnished such security, if any, as may be required in the proceedings or as may be reasonably requested by Agent to ensure the payment of any Imposition or Lien or the compliance with any Legal Requirement or Insurance Requirement, as the case may be, together with any interest or penalties which may become due in connection therewith, provided that no security shall be requested if it would be for less than \$50,000;

(e) in the case of a Lien, such Lien shall be bonded over or otherwise removed of record on or before the date which is one hundred twenty (120) days after Borrower receives written notice of or otherwise learns of such Lien;

(f) the non-payment of the whole or any part of any tax, assessment or charge during the pendency of any such action will not result in the delivery of a tax deed to the Mortgaged Property or any part thereof, because of such non-payment; and the non-payment of the whole or any part of such Lien shall not result in the foreclosure thereof, and no such tax deed shall be delivered or Lien shall be foreclosed;

(g) the payment of any sums required to be paid under this Loan Agreement and the other Loan Documents (other than any unpaid Imposition at the time being contested in accordance with this Section 7.8) shall not be interfered with or otherwise affected;

(h) in the case of any Insurance Requirement, the failure of Borrower to comply therewith shall not affect the validity or effectiveness of any insurance required to be maintained by Borrower under Section 7.11 hereof; and

(i) Borrower complies with any and all conditions or requirements set forth in any other agreement to which Borrower is a party or pursuant to which the Premises are bound with respect to such contest, to the extent non-compliance therewith would be reasonably likely to have a Material Adverse Affect;

66

provided, that, the conditions set forth in clauses (a), (c), (d), (e), (f) and (g) shall not be conditions to a permitted contest pursuant to this Section 7.8 if Borrower pays and otherwise complies with such Imposition, Legal Requirement or Insurance Requirement or pays or bonds over such Lien.

SECTION 7.9. Alterations. Borrower shall cause all alterations of the Premises to be done in a good and workmanlike manner and shall be completed materially in accordance with all Legal Requirements and free and clear of Liens or claims for materials supplied or for labor or services performed in connection with such repairs and alterations or otherwise (subject to Borrower's right to contest the same pursuant to Section 7.8 hereof). Prior to Borrower's or Property Manager's commencing any Significant Alteration, all of the following requirements and conditions shall be satisfied:

(a) Agent shall have determined that (x) Borrower has the financial resources to complete the Significant Alteration on a timely and lien-free basis and (y) the Significant Alteration can be completed at least nine (9) months prior to the then Maturity Date;

(b) If requested by Agent, Agent shall have received architectural or engineering plans and specifications for the Significant Alteration and an estimate of the costs and expenses of such Significant Alteration, all of which shall be reasonably acceptable to Agent;

(c) If requested by Agent, Agent shall have received copies of the material agreements (for purposes of this clause (c) and clause (d) below, a construction contract will be considered "material" if it requires or is reasonably likely to require, in the aggregate with all other contracts with the contractor under such contract, payments of \$500,000 or more in the aggregate) pursuant to which the Significant Alteration shall be done all of which shall be in form and substance reasonably satisfactory to Agent and, which also shall be reasonably satisfactory to Agent as to the party performing the construction obligations thereunder;

(d) If requested by Agent, Agent shall have received a written assignment from Borrower to Agent of all of its right, title and interest in and to all material construction and design-professional contracts, and a written consent to such assignments by all parties to such contracts and an agreement by such parties to continue performance on Agent's or its designee's or successor's behalf at its request, all of which shall be in form and substance reasonably satisfactory to Agent; and

(e) Agent shall have received such other information and documentation as Agent may reasonably request regarding the Significant Alteration and the cost thereof.

SECTION 7.10. Leases.

(a) Borrower shall not enter into, amend, modify, terminate, consent to the assignment or surrender of, or grant a waiver of any material provision or right of Borrower under, or otherwise supplement any Lease without Agent's and the Requisite Lenders' prior

consent; provided, however, that Borrower may enter into, amend, modify, terminate, consent to the assignment or surrender of, or grant a waiver of any material provision or right of Borrower under, or otherwise supplement, any Lease that is not a Major Lease without Agent's or the Requisite Lenders' prior consent provided that same is done in the ordinary course of business of Borrower and is commercially reasonable, any such lease or amendment is on arm's length, market terms with a creditworthy tenant, and each such Lease is subordinate to the Mortgage.

(b) Without limiting Section 7.10(a) hereof, Borrower shall deliver to Agent a copy of any Lease, and any amendment, modification or supplement thereof within five (5) Business Days after the execution and delivery thereof.

(c) Borrower shall faithfully keep and perform its material obligations under the Leases and shall not permit any Lessee to prepay Rents pursuant to the terms of any Lease more than thirty (30) days in advance of the time when the same is due, except bona fide security deposits. Borrower shall promptly (i) provide Agent with copies of any notice of default or termination sent by Borrower or Property Manager to any Lessee under a Lease and (ii) deliver to Agent a copy of all termination notices, default notices, notices claiming any offset rights and all other material notices from any Lessee under a Major Lease or Lease guarantor of same to Borrower or Property Manager.

(d) Borrower shall furnish to Agent, within ten (10) days after a request by Agent to do so, a certified rent roll containing the names of all Lessees under all Major Leases, the terms and expiration date of their respective Leases, the space occupied, the rents payable and the securities deposited thereunder, and the name of any Lease guarantor thereof, together with true copies of each Lease and any Lease guaranty thereof or amendments and supplements thereto not previously furnished to Agent and any other information with respect to Borrower's leasing activities and policies as Agent shall reasonably request.

(e) Borrower shall appear in and defend any action or proceeding arising under, occurring out of, or in any manner connected with, any Leases and Lease guaranties or the obligations, duties, or liabilities of Borrower or any Lessee or any Lease guarantor thereunder. Borrower shall pay all costs and expenses of Agent, including reasonable attorneys' fees, in any action or proceeding in which Agent may appear.

(f) Borrower shall use commercially reasonable efforts to enforce or secure the performance of the obligations of the Lessees under Major Leases and Lease guarantors thereof. Borrower shall not waive, discount, set-off, compromise, or in any manner release or discharge any Lessee under a Major Lease or Lease guarantor thereof of and from any obligations, covenants, conditions, and agreements by said Lessee and Lease guarantor to be kept, observed, and performed, in the manner and at the place and time specified in the applicable Major Lease and Lease guaranty thereof.

(g) Borrower shall not, and shall not allow any Person on behalf of Borrower to, enter into any agreement from and after the Closing Date with any Person to pay lease commissions with regard to any Lease which agreement is not expressly made subordinate to Agent's rights, interests and claims under the Loan Documents.

68

(h) All Leases entered into after the Closing Date shall be made expressly subject and subordinate to mortgages and deeds of trust that may at any time be placed on the Premises and shall contain provisions obligating the Lessees thereunder to attorn to Agent or any purchaser therefrom upon its written demand in the event Agent or such purchaser succeeds to the interest of Borrower under such Leases. Each Lease guaranty under a Major Lease shall provide that it shall remain in full force and effect, and that guarantor thereunder shall perform for the benefit of Agent or such purchaser, upon attornment by the Lessee.

(i) Borrower shall pay all expenses of Agent, and Co-Agents, if applicable, including Agent's Counsel Fees and Co-Agents' Counsel Fees, incurred in connection with the review of any proposed Lease, amendment, modification, waiver, supplement, termination or surrender under this Section 7.10.

SECTION 7.11. Required Insurance.

(a) **Required Coverage.** In addition to any insurance required to be maintained by Borrower pursuant to the Property Management Agreement, the License Agreement, the Premises Documents and the Leases, Borrower shall maintain, or cause to be maintained, the types of insurance set forth in Schedule 7.11 attached hereto complying with the requirements set forth in said Schedule 7.11. In clarification of the foregoing, in the event a Casualty occurs due to any event that is required to be insured hereunder (e.g., a flood or hurricane), Borrower shall continue to maintain or cause to be maintained at all times the insurance coverage required with respect to such event, including during the occurrence of an on-going Casualty, settlement of insurance claims after the Casualty and during the course of any Restoration of the Premises. Borrower shall perform or cause to be performed the obligations set forth in said Schedule 7.11 as and when required therein, and in addition to their other rights and remedies set forth in the Loan Documents, at law or in equity, Agent and Lenders shall have the rights and remedies set forth therein. Borrower shall not name any Person other than Agent as "First Mortgagee" and "First Lender Loss Payee" on the property insurance set forth in Schedule 7.11, or give any Person other than Agent the right to make a claim for, settle or receive insurance proceeds pursuant to the insurance policies of Borrower, unless such insurance is a blanket or group policy, in which case, Borrower shall not name any Person other than Agent as "First Mortgagee" and "First Lender Loss Payee" with respect to the Premises on such insurance, or give any Person other than Agent the right to make a claim for, settle or receive insurance proceeds on account of the Premises or otherwise with respect to Borrower pursuant to such policies.

(b) **Agent's Right to Procure Insurance.** Notwithstanding anything to the contrary contained herein, if at any time Agent is not in receipt of written evidence that all insurance required hereunder is maintained in full force and effect, Agent shall have the right (but not the obligation) with written notice to Borrower to take such action as Agent deems necessary to protect its interests in the Premises, including the

obtaining of such insurance coverages as are required hereunder, and all expenses incurred by Agent in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower promptly after demand and shall be secured by the Loan Documents.

SECTION 7.12. Damage or Destruction.

(a) Borrower hereby irrevocably assigns, transfers and sets over to Agent all rights of Borrower to any business interruption/rent loss, property and terrorism insurance proceeds, award or payment or other insurance proceeds payable with respect to the Premises on account of any Casualty. Subject to Section 7.12(b) hereof, (i) Agent shall be entitled to collect and receive all business interruption/rent loss, property, terrorism and other insurance proceeds payable with respect to the Premises on account of a Casualty and until disbursed such proceeds shall constitute additional security for the Obligations, (ii) Borrower hereby irrevocably authorizes and empowers Agent, in the name of Borrower or otherwise, to file for and prosecute in its own name what would otherwise be Borrower's claim for any such insurance proceeds and to collect such proceeds and (iii) Agent may participate in all proceedings and negotiations in connection with such proceeds subject to the other provisions of this Section 7.12 and Borrower will deliver or cause to be delivered to Agent all instruments requested by Agent to permit such participation; provided, however, that Agent shall be under no obligation to question or maximize the amount of the proceeds or obtain any particular amount of proceeds. Although it is hereby expressly agreed that the same shall not be necessary, and in any event, Borrower shall upon demand of Agent, make, execute and deliver any and all assignments and other instruments sufficient for the purpose of assigning any such proceeds to Agent, free and clear of any encumbrances of any kind or nature whatsoever. Agent may be represented by counsel satisfactory to it, the reasonable expenses of which shall be paid by Borrower.

(b) Notwithstanding Section 7.12(a) hereof, so long as no Default or Event of Default shall have occurred and shall then be continuing and provided Borrower promptly files all claims and diligently prosecutes same, Borrower shall have the sole right to collect and receive all such insurance proceeds and to file, adjust, settle and prosecute any claim for insurance proceeds with respect to a Casualty, the insurance proceeds with respect to which are reasonably expected to be less than or equal to \$1,000,000 (the "Casualty Proceeds Disbursement Threshold"); provided, however, that Borrower shall not have the right to collect and receive and shall not agree to any adjustment or settlement of any such claim payable with respect to a Casualty the insurance proceeds with respect to which are reasonably expected to be or are greater than the Casualty Proceeds Disbursement Threshold without Agent's prior consent. Borrower shall promptly after demand pay to Agent all reasonable costs and expenses (including the fee of any insurance consultant or adjuster and reasonable attorneys' fees and disbursements) incurred by Agent in connection with a Casualty and seeking and obtaining any insurance proceeds, award or payment with respect thereto. Net Proceeds held by Agent, together with any interest earned thereon, shall constitute additional security for the payment of the Obligations (a security interest therein being granted hereby), until disbursed in accordance with this Section 7.12 or Section 7.14 hereof, as the case may be. Notwithstanding the foregoing, or anything else herein, to the contrary (but subject to the second sentence of Section 7.12(g) hereof), all proceeds of business interruption/rent loss insurance may be collected by and shall be paid to Agent and applied in accordance with Section 7.12(g) hereof.

(c) Borrower shall use all insurance proceeds actually received by Borrower for Restoration. Borrower shall, at its sole cost and expense, promptly commence and diligently and continuously perform to lien-free completion the Restoration in a good and workmanlike manner and in compliance with all Legal Requirements and the requirements of the Permitted

Encumbrances, the Property Management Agreement, the License Agreement and the Leases, whether or not Borrower shall have satisfied the requirements of Section 7.12(d) hereof in order to cause the Net Proceeds to be made available for such Restoration and whether or not such insurance proceeds on account of the Casualty shall be sufficient for such purpose.

(d) In the case of any Casualty with respect to which the insurance proceeds payable are less than the Casualty Proceeds Disbursement Threshold, the Net Proceeds shall be payable directly to Borrower (or if paid to Agent, Agent shall disburse same to Borrower) for Restoration. In the case of any Casualty with respect to which the insurance proceeds payable are equal to or greater than the Casualty Proceeds Disbursement

Threshold, the Net Proceeds shall be held by Agent, if Agent so elects, as a part of the Collateral and shall be made available to Borrower for the Restoration of the Premises from time to time as the Restoration progresses, subject to compliance by Borrower with Section 7.12(c) hereof and satisfaction of the following terms and conditions for each disbursement (each a “Release Condition” and collectively, the “Release Conditions”):

- (i) No First Tier Default or Event of Default shall have occurred and be continuing;
- (ii) Agent shall have been provided an Appraisal certifying that upon completion of the Restoration, the outstanding principal balance of the Loan, shall not exceed fifty-five percent (55%) of the Appraised Value;
- (iii) Borrower shall have demonstrated to the satisfaction of Agent that the Restoration can be completed at least six (6) months prior to the then-current Maturity Date, or such earlier time as may be required by applicable Legal Requirements;
- (iv) To the extent, in Agent’s reasonable judgment, the Net Proceeds are insufficient to pay the costs of the Restoration, Borrower shall have deposited with Agent sums in an amount at least equal to the excess, if any, of Agent’s reasonable estimate of the costs of the Restoration over the amount of Net Proceeds received by Agent with respect to such Casualty, which additional sums shall be disbursed by Agent prior to any disbursements of insurance proceeds;
- (v) Borrower shall have demonstrated to the satisfaction of Agent that sufficient funds are available through the rent and/or business interruption insurance deposited with Agent pursuant to Section 7.12(g) hereof and/or cash deposited with Agent to be disbursed in accordance with Section 7.12(g) hereof, to pay all debt service with respect to the Loan and all operating expenses with respect to the Premises during the period reasonably estimated by Agent as necessary for the completion of the Restoration and the extended indemnity period referred to in item (1d) of Addendum A to Schedule 7.11 hereto;

71

-
- (vi) intentionally omitted;
 - (vii) Agent shall have received architectural and/or engineering plans and specifications for the Restoration and an estimate of the costs and expenses of the Restoration, all of which shall be in form reasonably acceptable to Agent; and
 - (viii) Prior to any disbursement by Agent, the following information and documentation shall have been obtained by Borrower, at Borrower’s expense, and submitted to Agent, which information and documentation shall be in form and substance reasonably satisfactory to Agent:
 - (A) A request for disbursement signed by Borrower, accompanied by billing statements, vouchers or invoices, which request for disbursement shall expressly warrant that the work with respect to which the advance is requested has been performed in all material respects in accordance with the approved plans and specifications for the Restoration;
 - (B) Proof that all invoices for labor and materials previously submitted by Borrower and approved and reimbursed by Agent have been paid, except for those the subject of the current request for disbursement;
 - (C) Lien waivers for all payees under previous requests for disbursements;
 - (D) A report from Borrower’s architect or if Agent shall elect, such consultant as Agent shall retain, which shall specify the percentage of completion of the Restoration, shall provide detailed comments on specific work performed since the date of the last such report, and, if required by Agent, an estimate of the cost to complete the Restoration after taking into account the work then completed;
 - (E) At the request of Agent, a Title Continuation;
 - (F) Copies of the architect, trade contract and all other material agreements pursuant to which the Restoration shall be done, and which also shall be reasonably satisfactory to Agent as to the party performing the construction obligations thereunder;

72

(G) An assignment to Agent of all such agreements, together with the written consent to such assignments by all parties to such contracts and an agreement to continue performance thereunder at Agent's request; and

(H) Such other information and documentation as Agent may reasonably request regarding the Improvements and the Restoration and the cost thereof.

(e) If one or more of the Release Conditions set forth in subsections (ii) through (vii) of Section 7.12(d) hereof are not satisfied within one hundred and twenty (120) days after the date of the Casualty, then all Net Proceeds shall be applied in accordance with Section 7.14 hereof. If an Event of Default occurs, all Net Proceeds shall also be applied in accordance with Section 7.14 hereof. If a First Tier Default occurs, or one or more of the Release Conditions set forth in subsection (viii) of Section 7.12(d) hereof are not satisfied, Agent shall, with respect to the applicable disbursement, continue to hold the Net Proceeds until those conditions are satisfied or, if applicable, such First Tier Default ceases to exist, subject to the other terms of this Section 7.12(e).

(f) All reasonable costs and expenses incurred by Agent in connection with making the Net Proceeds available for the Restoration (including reasonable attorneys' fees and disbursements and reasonable fees and actual out-of-pocket expenses of Agent's construction consultants and inspectors) shall be paid by Borrower. Any Net Proceeds remaining after the Restoration and the payment in full of all costs incurred in connection with the Restoration will, provided there exists no Event of Default, be distributed by Agent to Borrower.

(g) Business interruption/rent loss insurance proceeds of Borrower shall be deposited into an interest-bearing account or subaccount of Agent as further security for the Obligations. If the insurer remits such proceeds to Borrower rather than directly to Agent, Borrower shall promptly pay such proceeds over to Agent. Provided no First Tier Default or Event of Default shall have occurred and be continuing, Agent shall use such proceeds to pay Interest, principal due and payable under Section 2.4 hereof and other sums that become due and payable under the Loan Documents as and when due and after payment or reservation of such sums for any calendar month, at Borrower's written request from time to time on a monthly basis, Agent shall disburse such proceeds to Borrower to pay for reasonable and necessary expenses of the Premises incurred in the ordinary course of the ownership, maintenance and operation of the Premises for such calendar month, and FF&E Expenditures payable in such calendar month, in each case incurred in accordance with the applicable operating budget and Approved FF&E/Capital Budget and provided that the payment of any such amount is not prohibited by the terms hereof. Borrower hereby grants to Agent a security interest in all rights of Borrower in and to such account and all sums on deposit therein as additional security for the Obligations. Upon the occurrence and during the continuation of an Event of Default, Agent shall have the rights and remedies with respect to such account specified in this Loan Agreement and in any other Loan Document. The credit balance in such account or subaccount may be commingled with the general funds of Agent. Borrower shall pay all fees and costs with respect to such account. Neither Agent nor Lenders shall be liable for any loss of interest on or any penalty or charge assessed against the funds in, payable on, or credited to such account as a

result of the exercise by Agent of any of its rights, remedies or obligations hereunder or under any other Loan Document. Any interest earned on the balance of such account shall be deposited into such account and be applied with the balance of such account in accordance with this Section 7.12(g). Agent shall have sole control over such account. Any business interruption/rent loss insurance proceeds remaining after completion of the Restoration shall, at Agent's election, be distributed to Borrower or applied as a mandatory prepayment of the Loan.

SECTION 7.13. Taking of the Mortgaged Property.

(a) Borrower hereby irrevocably assigns, transfers and sets over to Agent all rights of Borrower to any awards or compensation payable on account of a Taking and irrevocably authorizes and empowers Agent, in the name of Borrower or otherwise, to collect and receive any such award or compensation and delegate to Agent the right to file and prosecute any and all claims for any such awards or compensation and to participate in any and all hearings, trials and appeals in connection with a Taking on behalf of Borrower and (iii) Agent may participate in such proceedings or negotiations and Borrower will deliver or cause to be delivered to Agent all instruments requested by Agent to permit such participation; provided, however, that Agent shall be under no obligation to question or maximize the amount of the award or compensation or obtain any particular amount of

award or compensation. Although it is hereby expressly agreed that the same shall not be necessary, and in any event, Borrower shall, upon demand of Agent, make, execute and deliver any and all assignments and other instruments sufficient for the purpose of assigning any such award or compensation to Agent, free and clear of any encumbrances of any kind or nature whatsoever. Agent may be represented by counsel satisfactory to it, the reasonable expenses of which shall be paid by Borrower.

(b) Notwithstanding Section 7.13(a) hereof, so long as no First Tier Default or Event of Default shall have occurred and shall then be continuing and provided Borrower promptly files all claims and diligently prosecutes same, Borrower shall have the right to collect and receive any award or compensation arising from a Taking, and to file and prosecute all claims for such awards and Agent shall not collect or receive such awards or file or prosecute such a claim or participate in the proceedings or negotiations thereof except for (i) awards or compensation with respect to temporary Takings and (ii) Takings on account of which the award and compensation thereof are reasonably expected to be or is greater than \$300,000 (the “Condemnation Proceeds Disbursement Threshold”), and provided that, in any event, Borrower shall not agree to any adjustment or settlement of any such claim payable with respect to a Taking the award and compensation with respect to which are reasonably expected to be greater than the Condemnation Proceeds Disbursement Threshold without Agent’s prior consent. Borrower shall pay promptly after demand all reasonable costs and expenses (including reasonable attorneys’ fees and disbursements and any appraiser or other consultant) incurred by Agent in connection with any Taking and seeking and obtaining any award or payment on account thereof. Awards and compensation held by Agent, together with any interest earned thereon, shall constitute additional security for the payment of the Obligations (a security interest therein being granted hereby), until disbursed in accordance with this Section 7.13 or Section 7.14 hereof, as the case may be. Notwithstanding the foregoing, or anything else herein, to the contrary, all awards and compensation for temporary Takings may be collected by and shall be paid to Agent and applied in accordance with Section 7.13(d)(iii) hereof.

74

(c) Borrower shall use all awards and other compensation actually received by Borrower for Restoration to the extent required pursuant to the definition thereof herein. Borrower shall, at its sole cost and expense, promptly commence and diligently and continuously perform to completion the Restoration in a good and workmanlike manner and in compliance with all Legal Requirements and the requirements of the Permitted Encumbrances, whether or not Borrower shall have satisfied the Release Conditions in order to cause the Net Restoration Award to be made available for such Restoration and whether or not such awards or compensation, if any, on account of the Taking shall be sufficient for such purpose.

(d) In the case of any Taking with respect to which the award and compensation payable are less than the Condemnation Proceeds Disbursement Threshold, the Net Restoration Award shall be payable directly to Borrower (or if paid to Agent, Agent shall disburse same to Borrower) for Restoration, provided that if any such Net Restoration Award remains after the completion of such Restoration, Borrower shall apply same to the Loan as a prepayment thereof in accordance with Section 2.4(e) hereof promptly after completion of such Restoration. In the case of any Taking with respect to which the award and compensation payable are equal to or greater than the Condemnation Proceeds Disbursement Threshold, the Net Restoration Award shall be held by Agent, if Agent so elects, as a part of the Collateral and shall be applied as follows:

(i) If the Release Conditions are satisfied, and the Taking is not a Material Taking, all Net Restoration Awards shall be applied to pay the cost of Restoration, such application to be effected in the same manner as provided in Section 7.12(d) hereof with respect to Net Proceeds and the balance, if any, of such Net Restoration Awards shall, provided there exists no Event of Default, be distributed by Agent to Borrower following completion of the Restoration.

(ii) If the Taking is a Material Taking, or one or more of the Release Conditions set forth in subsection (ii) through (vii) of Section 7.12(d) hereof are not satisfied within one hundred and twenty (120) days from and after the date of the Taking, all Net Restoration Awards shall be applied in accordance with Section 7.14 hereof. If an Event of Default occurs, all Net Restoration Awards shall also be applied in accordance with Section 7.14 hereof. If a First Tier Default occurs, or one or more of the Release Conditions set forth in subsection (viii) of Section 7.12(d) hereof are not satisfied, Agent shall, with respect to the applicable disbursement, continue to hold the Net Restoration Awards until those conditions are satisfied or, if applicable, such First Tier Default ceases to exist, subject to the other terms of this Section 7.13(d).

(iii) In the case of a Taking for temporary use, any Net Restoration Awards shall be deposited with Agent and disbursed in accordance with Section 7.12(g) hereof for so long as such temporary Taking continues.

SECTION 7.14. Application of Proceeds of Casualty or Taking to Loan; Loan

Repayment. Upon a Casualty, if the disposition of the Net Proceeds is governed by the first two (2) sentences of Section 7.12(e) hereof or upon a Taking, if the disposition of the Net Restoration Awards is governed by the first two (2) sentences of Section 7.13(d)(ii) hereof, at the option of Agent, the Loan shall be immediately due and payable. In such case, regardless of

75

whether Agent shall so elect to accelerate the maturity of the Loan as aforesaid, Agent shall have the option to (a) make available the Net Proceeds or the Net Restoration Awards, as the case may be, to Borrower for Restoration in the manner provided in Section 7.12(d) hereof or (b) apply the Net Proceeds and/or the Net Restoration Awards to the Obligations, in such order and manner as Agent determines, as the case may be.

SECTION 7.15. Costs and Expenses. Without limiting any other provision of this Loan Agreement or of any other Loan Document, Borrower shall pay within ten (10) Business Days after demand by Agent or either Co-Agent, to or for the account of Agent or such Co-Agent, as the case may be, Agent's Counsel Fees, Co-Agents' Counsel Fees and all other reasonable costs and expenses incurred by or on behalf of Agent or Co-Agent in connection with the closing of the Loan, the syndication of the Loan, all costs of maintaining a virtual data room with respect to the Loan on the DebtDomain website or a comparable website, any prepayments of the Loan, Agent's responses to requests for consents and waivers under the Loan Documents, all payments from any accounts, any modification, amendment or restructuring of the Loan or the Loan Documents (regardless if such modification, amendment or restructuring closes) and (without limiting Section 11.1(b) hereof) the enforcement of Agent's and Lenders' rights and remedies under the Loan Documents, intercreditor agreements and other agreements relating to the Loan, Borrower or the Collateral or otherwise at law or equity, or with respect to any and all other aspects of the transactions contemplated herein or in any other Loan Document, including the following, whether currently outstanding or which may arise at any time during the term of the Loan:

(a) all taxes and recording expenses, including all filing fees and mortgage recording and deed transfer taxes, with respect to the Security Documents, and any other documents modifying, extending or consolidating the Security Documents;

(b) in the event the Mortgaged Property or other Collateral, or any part thereof, shall be advertised for foreclosure sale and not sold, all costs in connection therewith, including reasonable attorneys' fees and disbursements, advertising costs and trustees' commissions;

(c) all title insurance charges and premiums; and

(d) all survey, investigation, insurance and, subject to the provisions hereof, appraisal, fees and expenses and all costs of preparing environmental, engineering and insurance reports (including any such reports as may reasonably be required in connection with the administration of the Loan), concerning the Premises. Without limiting the foregoing, Borrower agrees to pay the reasonable fees and expenses of Agent's insurance consultant in connection with renewals of or proposed changes in policies.

SECTION 7.16. Transfers.

(a) Unless the same is a Permitted Personal Property Transaction or a Permitted Transfer (as hereinafter defined), without the prior consent of Agent and all Lenders, neither Borrower nor any other Person having a direct or indirect ownership or beneficial interest

76

in Borrower shall (i) directly or indirectly sell, transfer, convey, mortgage, pledge, or assign the Collateral, any part thereof or any interest therein (including any direct or indirect ownership interest in Borrower); (ii) encumber, alienate, grant a Lien or grant any other interest in the Collateral or any part thereof (including any direct or indirect ownership interest in Borrower), whether voluntarily or involuntarily; or (iii) lease all or substantially all of the Property (each of the foregoing, a "Transfer"). As used in this Section 7.16, "transfer" shall include (i) an installment sales agreement wherein Borrower agrees to sell the Collateral or any part thereof for a price to be paid in installments; (ii) an agreement by Borrower leasing all or a substantial part of the

Premises for other than actual occupancy by a space tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to any Leases or any Rents; (iii) if Borrower or any general partner or managing member of Borrower is a corporation, the voluntary or involuntary sale, conveyance or transfer of such corporation's stock (or the stock of any corporation directly or indirectly controlling such corporation by operation of law or otherwise) or the creation or issuance of new stock such that such corporation's stock shall be vested in a party or parties who are not now stockholders or any change in the control of such corporation; and (iv) if Borrower or any general partner or managing member of Borrower is a limited or general partnership, joint venture or limited liability company, the change, removal, resignation or addition of a general partner, managing partner, limited partner, joint venturer or member or the transfer of the partnership interest of any general partner, managing partner or limited partner or the transfer of the interest of any joint venturer or member. Without limiting the generality of the foregoing, the Loan is not "assumable".

(b) Upon the sale, conveyance, alienation, mortgage, encumbrance, pledge, assignment or transfer of the Collateral or any direct or indirect ownership interest in Borrower or other Transfer, other than a Permitted Transfer, without Agent's and all Lenders' consent, the Loan may be declared immediately due and payable without any requirement for Agent or any Lender to demonstrate any actual impairment of its security or any increased risk of default hereunder. This provision shall apply to every sale, conveyance, alienation, mortgage, encumbrance, pledge, assignment or transfer of the Collateral and direct or indirect ownership interest in Borrower or other Transfer, other than a Permitted Transfer, regardless of whether voluntary or not, or whether or not Agent and/or Lenders have consented to any previous sale, conveyance, alienation, mortgage, encumbrance, pledge, assignment or transfer of the Collateral or such ownership interest or other Transfer.

(c) Agent's and/or Lenders' consent to one sale, conveyance, alienation, mortgage, encumbrance, pledge, assignment or transfer of the Collateral or direct or indirect ownership interest in Borrower or any other Transfer for which Agent's and Lenders' consent is required shall not be deemed to be a waiver of Agent's and Lenders' right to require such consent to any future occurrence of same for which Agent's and Lenders' consent is required.

(d) Borrower agrees to bear and shall pay or reimburse Agent and Lenders on demand for all reasonable expenses (including, without limitation, attorneys' fees and disbursements, title search costs and title insurance endorsement premiums) incurred by Agent and Lenders in connection with the review, approval and documentation of any such sale, conveyance, alienation, mortgage, encumbrance, pledge, assignment or transfer or other Transfer.

77

(e) Agent's and Lenders' consent shall not be required with respect to the following Transfers (each, a "Permitted Transfer"):

(i) the merger or consolidation of any of GWRI, GWROP or GWROPGP with one or more of the others (and with no other Person), provided that Borrower shall have given Agent prior notice of such merger or consolidation, the obligations of Guarantor under the Loan Documents to which it is a party shall not be otherwise affected, after such merger or consolidation Borrower shall continue to comply with the terms of Section 5.39 hereof and no such merger or consolidation shall have a Material Adverse Effect;

(ii) the merger or consolidation of GWRI other than as set forth in the preceding clause (i) (and, if it were to occur, the merger or consolidation of GWROP and/or GWROPGP into the entity surviving such merger or consolidation), provided, that:

- (A) Borrower shall have given Agent prior notice of such merger or consolidation;
- (B) after such merger or consolidation, Borrower shall continue to comply with the terms of Section 5.39 hereof;
- (C) no such merger or consolidation shall have a Material Adverse Effect;
- (D) following such merger or consolidation, the obligations of Guarantor under the Loan Documents to which it is a party shall not be affected (and without limiting the foregoing, such obligations shall remain binding on GWRI's (and GWROP's and/or GWROPGP's, as applicable) successor by such merger or consolidation);
- (E) (i) GWRI shall be the surviving entity and shall remain a Public Company and (ii) no GWRI Change of Control shall occur; as used herein, "GWRI Change in Control" means the occurrence of a change in the composition of the governing body of GWRI

(full voting members of the board of directors, or otherwise) such that a majority of the members of any such governing body (x) were not members of such governing body on the Closing Date and (y) were not (1) nominated for election or elected to such governing body with the affirmative vote of a majority of the members who were either members of such governing body on the Closing Date or whose nomination or election was approved prior to the Closing Date or (2) nominated to such governing body with the affirmative vote of a nominating committee, the majority of the members of

which were members of such nominating committee of such governing body on the Closing Date, members whose nomination was approved by such a nominating committee prior to the Closing Date and/or members whose nomination or election was previously approved in accordance with the immediately preceding clause (1);

(iii) the issuance or sale, transfer, conveyance or assignment of stock in GWRI, so long as, in each case, no GWRI Change of Control shall occur;

Borrower shall not directly or indirectly take or permit any action which could result in Borrower not being a Special Purpose Entity.

SECTION 7.22. Changes in Zoning. Borrower shall not request or seek to obtain any change to, or consent to any request for or change in, any Legal Requirement, restrictive covenant or other restriction applicable to the Premises or any portion thereof or any other law, ordinance, rule, regulation, restrictive covenant or restriction affecting the zoning, development or use of the Premises or any portion thereof, or any variance or special exception therefrom, without the prior consent of Agent.

SECTION 7.25. ERISA. Borrower shall not at any time have any employees or engage in any transaction which would cause any obligation or action taken or to be taken hereunder by Borrower to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA that could reasonably be expected to, alone or in aggregate with all other uncorrected non-exempt prohibited transactions, result in a material liability. Borrower (i) shall, and shall cause all ERISA Affiliates to make all required contributions to any Pension Plan or Multiemployer Plan, and (ii) shall not, nor shall it permit any ERISA Affiliate to, cause or permit to occur an event that could result in the imposition of a Lien under IRC Section 412 or Section 302 or 4068 of ERISA, or any ERISA Event that could reasonably be expected to, alone or in the aggregate with all other ERISA Events, result in a material liability.

SECTION 7.26. Maintenance of Existence. Borrower shall (a) remain in existence as a Delaware limited liability company, (b) qualify to do business in and remain in good standing under the laws of the State

SECTION 7.27. Subsidiaries and Joint Ventures. Borrower shall not acquire any stock or assets of, or form a partnership, joint venture or other similar arrangement with, any Person, without Agent's prior consent.

Borrower shall not enter into, or be a party to, any transaction with any Affiliates of Borrower except contracts for the providing of goods and services in the ordinary course of business and upon fair and reasonable terms which are no more onerous to it than it would obtain in a comparable arm's length transaction with a Person not its Affiliate. Agent hereby approves the Property Management Agreement and License Agreement in effect as of the Closing Date and the Property Manager and Licensor named thereunder.

81

SECTION 7.30. Adverse Contracts. Borrower shall not enter into any contract or agreement which would materially and adversely affect its business, property, assets, operations or condition (financial or otherwise), taken as a whole, or its ability to perform its obligations under this Loan Agreement or any of the other Loan Documents.

SECTION 7.31. Utilities. Borrower shall pay, or cause to be paid, all charges for all utility services at any time rendered to, or the payment of which is the obligation of, Borrower in connection with, the Premises, and will do all other things required for the maintenance and continuance of utility services necessary for the operation, use and occupancy of the Premises for their intended purposes in accordance with this Loan Agreement, and ensure that they are available at the boundaries of the Premises.

SECTION 7.32. Margin Stock. Borrower shall not use any of the proceeds of the Loan for the purpose of purchasing or carrying "margin stock" within the meaning of Regulation T, U or X issued by the Board of Governors of the Federal Reserve System, as at any time amended, and Borrower agrees to execute all instruments customarily executed by borrowers for a type of loan similar to the Loan necessary to evidence Lenders' compliance with all the requirements of Regulation U of the Federal Reserve System, as at any time amended, as applicable to the Loan.

SECTION 7.33. Patriot Act Compliance. Borrower shall comply with the Patriot Act and all applicable requirements of governmental authorities having jurisdiction over Borrower and the Premises, including those relating to money laundering and terrorism. If required by applicable Legal Requirements, Agent shall have the right to audit Borrower's compliance with the Patriot Act and all applicable requirements of governmental authorities having jurisdiction over Borrower and the Premises, including those relating to money laundering and terrorism. In the event that Borrower fails to comply with the Patriot Act or any such requirements of governmental authorities, then Agent may, at its option, cause Borrower to comply therewith and any and all costs and expenses incurred by Agent in connection therewith shall be secured by the Loan Documents and shall be payable on demand and shall accrue interest at the Default Rate from the date paid or incurred by Agent until paid to Agent.

SECTION 7.34. Post Closing Requirements. SECTION 8.2. Acceleration of Loan. In addition to any other rights and remedies which Agent and Lenders may have under this Loan Agreement and the other Loan Documents or pursuant to law or equity, and without limitation thereof, upon and at any time during the occurrence of any Event of Default, Agent may, by notice to Borrower, declare the indebtedness evidenced by the Note, together with all other sums payable thereunder and under the other Loan Documents, immediately due and payable (except with respect to any event of the nature described in Section 8.1(j) or (k) hereof, with respect to which such indebtedness and other sums shall automatically become due and payable upon the occurrence of any such event) and may exercise Agent's rights and remedies pursuant to any one or more of the Security Documents, the other Loan Documents or as may be available at law or equity.

SECTION 8.3. Intentionally Omitted.

SECTION 8.4. Agent's Right to Complete; Sums Advanced.

(a) **Agent's Right to Complete.** In addition to any other rights and remedies which Agent may have under this Loan Agreement and the other Loan Documents or pursuant to law or equity, and without limitation thereof, after the occurrence and during the continuance of any Event of Default, Agent may, enter upon and into possession of the Premises, and any other Collateral and complete any alterations or any construction of improvements then underway with such changes therein as Agent may from time to time deem appropriate, all at the sole risk, cost and expense of Borrower, incur FF&E Expenditures and Capital Expenditures and/or alter,

86

improve, maintain, replace, restore, repair, operate, use or lease of all or any portion of the Premises. Agent shall have the right, at any and all times, to discontinue any work commenced by Agent with respect to the construction or any capital improvement or to change any course of action undertaken by it and shall not be bound by any limitations or requirements of time whether set forth herein or otherwise. Agent shall have the right and power (but shall not be obligated) to assume all or any portion of the obligations of Borrower under any or all agreements as Agent may elect and to take over and use all or any part or parts of the labor, materials, supplies and equipment contracted for by or on behalf of Borrower, whether or not previously incorporated into the Premises. In connection with any alteration, improvement, maintenance, replacement, restoration or repair, undertaken by Agent pursuant to the provisions of this Section 8.4, Agent may do any or all of the following as Agent may elect:

- (i) engage builders, construction managers, architects, general and trade contractors, suppliers, architects, engineers, inspectors and others for the purpose of furnishing labor, materials, equipment and fixtures;
- (ii) pay, settle or compromise all bills or claims which may become Liens against the Premises, or which have been or may be incurred in any manner in connection with such work or for the discharge of liens, encumbrances or defects in the title of the Premises; and
- (iii) take such other action (including the employment of watchmen and the taking of other measures to protect the Premises) or refrain from acting under this Loan Agreement as Agent may in from time to time determine without any limitation whatsoever.

(b) **Sums Advanced.** Borrower shall be liable to Agent for all sums paid or incurred in connection with any alteration, improvement, maintenance, replacement, restoration or repair undertaken by Agent whether the same shall be paid or incurred pursuant to the provisions of this Section 8.4 or otherwise, all of which shall be paid by Borrower to Agent upon demand with interest at the Default Rate from the time incurred by Agent to the date of payment to Agent, and all of the foregoing sums, including such interest at the Default Rate, shall be deemed and shall constitute disbursements of Loan proceeds under this Loan Agreement and be evidenced by the Note and secured by the Security Documents.

SECTION 8.5. Assignment of Funds. Upon the occurrence of any Event of Default, the rights, powers and privileges provided in Section 8.4 hereof and all other remedies available to Agent under this Loan Agreement or the other Loan Documents or by statute or by rule of law or equity may be exercised by Agent at any time and from time to time whether or not the Obligations shall be due and payable, and whether or not Agent shall have instituted any foreclosure or other action for the enforcement of any of the Security Documents, the Note or the other Loan Documents. Borrower hereby assigns and quitclaims to Agent all right, title and interest of Borrower to all sums held in the Accounts (other than the Operating Account) and to the extent not held in an account, all sums held by Agent for the account of Borrower and any other security delivered by Borrower as additional security (a security interest in all of the foregoing being granted hereby to Agent) for the Loan and the performance by Borrower of its

obligations under the Loan Documents, all of which security may be utilized by Agent for the purposes set forth in Section 8.4 hereof or the other Loan Documents or applied against the Obligations in such order and manner as Agent shall determine.

SECTION 8.6. Accounts. Notwithstanding anything to the contrary contained herein, after the occurrence and during the continuance of an Event of Default, the rights of Borrower and each and every other Person (excluding Agent) with respect to Accounts, upon notice to Borrower, shall immediately terminate, and no such Person except Agent shall make any further withdrawal therefrom. Thereafter, Agent may from time to time designate such signatories with respect to the Accounts as Agent may desire, and may make or authorize withdrawals from the Accounts to pay the Obligations in whole or in part and/or pay operating expenses and capital expenditures with respect to the Premises, including the sale and marketing thereof, and/or any other expenses, all as Agent may deem necessary or appropriate and in such order as Agent may elect. Agent may notify the financial institutions in which any Account is held that Borrower no longer has a right to instruct such financial institution with respect to matters relating to the withdrawal, operation or administration of, or investment or application of funds on deposit in such Account. Without limiting the foregoing Agent shall have the right to cause the withdrawal of all funds on deposit in any Account and the deposit of such funds in an account established with Agent at any time following receipt by the financial institution in which such Account is held of a notice from Agent pursuant to the Account Agreement with respect to such Account, and Borrower hereby authorizes and directs such financial institutions to make payment directly to Agent of the funds in or credited to such accounts, or such part thereof as Agent may request. Such financial institution shall have the absolute right to rely upon such notice without inquiring as to the accuracy of the matters referred to in such notice and the depositories shall be fully protected by Borrower in relying upon such written notice from Agent. In the event that Agent delivers such a notice, Agent shall thereafter have the exclusive right to so instruct such financial institution. Nothing in this Section 8.6 shall be construed so as to limit or impair Agent's absolute right to have a receiver appointed following an Event of Default. All references to "Accounts" in this Section 8.6 shall exclude the Operating Account.

SECTION 8.7. No Liability of Agent or Lenders. Whether or not Agent elects to employ any or all of the remedies pursuant to the Loan Documents or otherwise available to it at law or equity upon the

occurrence of a Default or an Event of Default, neither Agent nor Lenders shall be liable for the construction of or failure to construct or complete any improvements, or with respect to any other rights or obligations of Borrower or its Affiliates, including the rights and obligations of Borrower in, to or under any Permitted Encumbrance, any Premises Document, any Lease, the Property Management Agreement or the License Agreement, or to protect the Premises or the Collateral, or for payment of any expense incurred in connection with the exercise of any remedy available to Agent or for the performance or non-performance of any other obligation of Borrower. It is expressly understood that Agent and Lenders assume no liability or responsibility for (i) performance of any obligations or duties of Borrower hereunder or under any other Loan Document, any Permitted Encumbrance, any Premises Document, any Lease, the Property Management Agreement or the License Agreement, (ii) compliance with any Legal Requirements or (iii) any other matters pertaining to control over the management and affairs of Borrower or the use, operation, management or ownership of the Premises or the Collateral, nor by any such action shall Agent or any Lender be deemed to create a partnership or joint venture with Borrower.

SECTION 8.8. Right of Offset. Borrower hereby grants to Agent and Lenders a right of offset, to secure the repayment of the Obligations, upon any and all monies, securities or other property of Borrower and the proceeds therefrom, now or hereafter held or received by or in transit to Agent and any Lender, from or for the account of Borrower, whether for safekeeping, custody, pledge, transmission, collection or otherwise, and also upon any and all deposits (general or special) and credits of Borrower (including each Account), and any and all claims of Borrower against Agent or any Lender at any time existing. At any time during the continuance of an Event of Default or following the maturity (whether by acceleration or otherwise) of the Loan, Agent and each Lender is hereby authorized from time to time, without notice to Borrower, to offset, appropriate, apply and enforce said liens against any and all sums hereinabove referred to against the Loan and the remaining Obligations. Except as results from Agent's or any Lender's gross negligence or willful misconduct, Agent and Lenders shall not be liable for any loss of interest on or any penalty or charge assessed against funds in, payable on, or credited to any Account as a result of the exercise by Agent of any of its rights, remedies or obligations under any of the Loan Documents.

SECTION 8.9. Termination of Loan Agreement. The obligations of the parties hereunder, excluding those which expressly survive the termination hereof or repayment of the Loan, shall terminate only upon indefeasible repayment in full of the outstanding principal amount of the Loan, together with all interest and other indebtedness due and payable in connection therewith, and all other outstanding Obligations. If the Obligations have been repaid and thereafter such all or any portion of such payment is rescinded or must otherwise be returned or paid over by Agent or any Lender, whether required pursuant to any bankruptcy or insolvency law or otherwise, the Obligations and the obligations of each party under the Loan Documents, shall continue.

SECTION 8.10. Right to Perform. Upon the occurrence and during the continuance of any Event of Default, if Borrower fails to perform or observe any term of any Premises Documents, any Permitted Encumbrance, any Lease, the Property Management Agreement, the License Agreement, any Material Operating Agreement or any Interest Rate Protection Agreement to be performed or observed by it thereunder to the extent required to be performed or observed under the Loan Documents, then, without waiving or releasing any Borrower from any of its obligations hereunder or under the other Loan Documents, Agent shall have the right, but shall be under no obligation, upon written notice to Borrower, to pay any sum and to take any action (including entry upon the Mortgaged Property) to cause such performance or observance of such obligation on behalf of Borrower, so that the rights of Borrower are unimpaired and free from default, even if the existence or the nature of a Borrower default is being questioned or denied by Borrower or any other Person. Agent shall be subrogated to the rights of the parties to such agreements with respect to any such sums paid by Agent. Borrower shall pay to Agent immediately and upon demand, all such sums so paid or expended by Agent, together with interest thereon from the day of such payment at the Default Rate, and the same shall be secured by the Loan Documents. If Agent receives a notice of a default, such notice shall constitute full protection to Agent and Lenders for any action taken or omitted by Agent, in good faith, in reliance thereon. Nothing herein shall limit the right of Agent to cure any default of Borrower pursuant to the terms of any Premises Documents, any Permitted Encumbrance, any Lease, the Property Management Agreement, the License Agreement, any Material Operating Agreement or any Interest Rate Protection Agreement granting to a mortgagee or beneficiary of a deed of trust on the Premises the right to do so, or pursuant to the terms of any agreement between Agent and any other Person that is party to any such agreement.

ARTICLE IX

ASSIGNMENTS AND PARTICIPATIONS

SECTION 9.1. Assignment and Participations. Lenders shall have the right, subject to this Section 9.1, to assign, sell, negotiate, pledge or hypothecate all or any portion of their rights and obligations hereunder. No Lender shall assign, sell, negotiate, pledge, hypothecate or otherwise transfer all or any portion of its rights in and to the Loan to any other Person (an “Assignee”) (a) without Agent’s prior consent, which shall not be unreasonably withheld, unless such assignment is to an Eligible Assignee, in which case no such consent shall be required; (b) other than in compliance with Section 9.5 hereof; (c) unless such transaction shall be an assignment of a constant (and not varying), ratable percentage of such Lender’s interest in the Loan; (d) unless the aggregate principal amount of the Loan to be held by the Assignee after such transaction is Five Million Dollars (\$5,000,000) or more (or such lesser amount approved by Agent); and (e) unless, after giving effect to such transaction, such Lender’s aggregate unassigned interest in the Loan shall be in a principal amount of at least Ten Million Dollars (\$10,000,000) (or such lesser amount approved by Agent) unless such transaction encompasses all of such Lender’s rights in and to the Loan, in which case such Lender shall have assigned all of its rights in and to the Loan; provided, however, any Lender shall have the right at any time without the consent of or notice to Agent, any other Lender or other Person to grant a security interest in all or any portion of such Lender’s interest in the Note or the Loan to any Federal Reserve Bank, any Federal Home Loan Bank or similar U.S. federal institution or agency, or the central reserve bank or similar authority of any other country to secure any obligation of such Lender to such bank or similar authority (a “Central Bank Pledge”). Effective on any such assignment and assumption by the assignee and on compliance with Section 9.5 hereof, the assigning Lender shall have no further liability hereunder with respect to the interest of such Lender that was the subject of such transfer and such Assignee shall be a Lender with respect to such interest. Except for a Central Bank Pledge, a Lender making any such assignment shall notify Borrower of same, specifying the Assignee thereof and the amount of the assignment. Notwithstanding the foregoing, in no event shall any assignment of an interest in the Loan be made to Borrower, any Guarantor or any of their respective Affiliates.

SECTION 9.2. Participation. A Lender may assign, sell or otherwise transfer a participation in and to all or any portion of its rights and obligations in and to the Loan, this Loan Agreement or the other Loan Documents to any other Person (a “Participant”) without the prior consent of Borrower, Agent any Lender or any other Person. No such participation shall release a Lender from any of its obligations hereunder. Each Lender agrees to provide Agent prompt notice of all participations sold by such Lender together with a copy of the documentation governing such participations. Notwithstanding the foregoing, in no event shall a Lender grant a participation in the Loan to Borrower, any Guarantor or any of their respective Affiliates.

SECTION 9.3. Availability of Records. Borrower acknowledges and agrees that Agent and each Lender may provide to any actual or proposed Assignee or Participant

originals or copies of this Loan Agreement, any other Loan Documents and any other documents, instruments, certificates, opinions, insurance policies, financial statements and other information, letters of credit, reports, requisitions and other materials and information at any time submitted by or on behalf of Borrower, Borrower Member, any Guarantor or other Persons and/or received by Agent or any Lender in connection with the Loan.

SECTION 9.4. Borrower’s Facilitation of Transfer.

In order to facilitate permitted assignments and other transfers to Assignees and sales to Participants, Borrower shall execute and deliver to Agent and shall cause Guarantors to execute and deliver to Agent such further documents, instruments or agreements as Agent or any Lender may reasonably require, including one or more substitute promissory notes evidencing the Commitment of each Lender, provided that such documents, instruments or agreements do not (i) increase (other than to a de minimis extent) the obligations or liabilities of any such Person hereunder or under the other Loan Documents in excess of the obligations or liabilities intended to be provided herein or in the other Loan Documents or (ii) decrease (other than to a de minimis extent) such Person’s rights hereunder or under the other Loan Documents to less than what they were prior to the execution of such documents, instruments or agreements. In addition, Borrower agrees to reasonably cooperate with Agent and Lenders, including providing such information and documentation regarding Borrower, Borrower Member, Guarantors and any other Person as Agent or any Lender or any potential Assignee or Participant may reasonably request and to meet with potential Assignees and Participants upon reasonable notice.

SECTION 9.5. Notice; Registration Requirement. No assignment, sale, negotiation, pledge, hypothecation or other transfer of any part of any Lender's interest in and to the Loan shall be effective or permitted under this Article IX until (a) an assignment and acceptance agreement in the form attached hereto as Schedule 9.5 (an "Assignment and Acceptance") with such changes thereto as are reasonably acceptable to Agent with respect to such assignment, sale, negotiation, pledge, hypothecation or other transfer shall have been delivered to Agent, (b) Agent shall have registered such Assignee's name and address in the Register which Agent maintains for the recordation of the names, addresses and interests of Lenders, and (c) the parties to such transfer, assignment or purchase shall have paid to Agent a processing and registration fee in the amount of \$3,500, except that no such fee shall be payable in connection with a Lender's assignment to its Affiliate(s). The entries in the Register shall be conclusive, absent manifest error. This Section 9.5 shall not apply to any Central Bank Pledge.

SECTION 9.6. Registry. Borrower hereby designates Agent to serve as Borrower's agent, solely for purposes of this Section 9.6, to maintain a register (the "Register") on which Agent will record the Commitments from time to time of each Lender and each repayment with respect to the principal amount of the Loan of each Lender. Failure to make any such recordation, or any error in such recordation shall not affect Borrower's obligations in respect of the Loan. With respect to any Lender, the transfer of the Commitments of such Lender and the rights to the principal of, and interest on, such Commitments shall not be effective until such transfer is recorded on the Register maintained by Agent with respect to ownership of such Commitments and prior to such recordation all amounts owing to the transferor with respect to such Commitments shall remain owing to the transferor. The registration of a transfer of all or part of any Commitment shall be recorded by Agent on the

91

Register only upon the acceptance by Agent of a properly executed and delivered Assignment and Acceptance by the assignor and assignee. At the assigning Lender's option, concurrently with the delivery of an Assignment and Acceptance pursuant to which an interest of such Lender in the Loan was assigned to such Assignee, the assigning Lender shall surrender to Borrower its Note evidencing the portion of the Loan corresponding to the interest so transferred and Borrower shall deliver to Agent one or more new promissory notes in the same aggregate principal amount issued to the assigning Lender and/or the Assignee.

SECTION 9.7. Lender Interest Rate Protection Agreements. Each Lender that is a party to any Interest Rate Protection Agreement acknowledges that the interest of Borrower in and to such Interest Rate Protection Agreement will be pledged and collaterally assigned to Agent pursuant to the Loan Documents, and hereby consents without any restrictions to such pledge and collateral assignment. All payments, if any, due under such Interest Rate Protection Agreement shall be paid directly to Agent for the benefit of Lenders and all other rights of Borrower shall, upon the occurrence and during the continuance of an Event of Default, be exercisable by Agent. Each Lender that is a party to any Interest Rate Protection Agreement shall execute and deliver to Agent, and cause any Affiliate of such Lender that is a party to any Interest Rate Protection Agreement to execute and deliver to Agent, upon entering into such agreement the Interest Rate Protection Agreement Consent in order to confirm the foregoing.

SECTION 9.8. Disclosure by Agent or Lender. Without limiting Section 9.3 hereof, Borrower consents to the issuance by Agent and Lenders of press releases, advertisements and other promotional materials in connection with the marketing activities of Agent and Lenders, including the disclosure that the Person acting as agent for the Lenders is the Agent for the Loan, the amount of the Loan and the name, location and use of the Premises.

ARTICLE X

AGENT AND LENDERS

SECTION 10.1. Scope of Article X. This Article X shall be binding on Agent and Lenders, but shall not be binding on or enforceable by Borrower unless otherwise expressly provided herein. As among Agent and Lenders, the provisions of this Article X may be amended, waived or otherwise modified by Agent and Lenders without Borrower's consent and without the need for Borrower to be party to any of the same. Without limiting the foregoing, nothing contained in this Article X or any amendments, waivers or modifications thereof by Agent and Lenders, shall limit or modify the rights and obligations of, and restrictions applicable to, Borrower, Agent or Lenders set forth in any other provision of this Loan Agreement or in the other Loan Documents, except as among Agent and Lenders.

SECTION 10.2. Agent.

(a) **Appointment.** Each Lender hereby irrevocably designates and appoints Agent as the agent of such Lender with respect to the Loan and to act as “Agent” under the Loan Documents. Each Lender hereby irrevocably authorizes Agent, as its agent, to take such action and to exercise such powers on such Lender’s behalf as may be taken by Agent under any Loan Document, including as a payee, mortgagee, assignee or beneficiary or otherwise, together with

92

such other powers as are reasonably incidental thereto. Nothing contained in this Loan Agreement, any Assignment and Acceptance or in any other Loan Document is intended to create or shall be construed as imposing on Agent any obligations except as expressly set forth in this Loan Agreement or in any other Loan Document. Agent shall not have any fiduciary or trustee relationship with Lenders .

(b) **Duties of Agent.** Agent shall not have any duties or responsibilities except those expressly set forth in this Loan Agreement and in the other Loan Documents; no implied covenants, functions, responsibilities, duties, obligations or liabilities of Agent shall be construed to exist under this Loan Agreement or any other Loan Document. Agent shall perform its duties hereunder in accordance with the same standard of care as that customarily exercised by Agent with respect to the administration of a loan similar to the Loan held entirely for its own account. Agent shall not have any duty to ascertain or inquire into or verify the performance or observance of any covenants or agreements in any Loan Documents by Borrower, Guarantors or any other Person or the satisfaction of any condition or to inspect the Premises (except that Agent shall have a duty to keep itself informed of any default in the payment of Interest or principal hereunder). Agent shall not be liable for any undertaking of Borrower, Guarantors or any other Person or for any error of judgment, or for any action taken or omitted to be taken by Agent other than willful misconduct or gross negligence of Agent.

(c) **Reliance by Agent.** Agent is entitled to rely upon (and shall be protected in relying upon) any written or oral statement and notices or any other certification or documents believed by Agent to be genuine and correct and to have been signed or made by the proper Person and, with respect to all of its duties under the Loan Documents, upon advice of counsel (including counsel for Borrower and Guarantors), independent public accountants, engineers, architects and other experts selected by Agent and shall not be liable for any action taken or omitted to be taken by Agent in good faith in accordance with the advice of such counsel, independent public accountants, engineers, architects and other experts.

(d) **Delegation of Duties.** Agent may execute any of its duties under this Loan Agreement and any duties as Agent or as a party, payee, mortgagee, assignee or beneficiary under any Loan Document, by or through agents, affiliates or attorneys-in-fact. Agent shall not be responsible for the negligence or misconduct of any agents, affiliates or attorneys-in-fact selected by Agent with reasonable care and prudence.

(e) **Agent in its Capacity as a Lender.** If the Person acting as Agent is also a Lender, then with respect to the ownership interest of such Person as a Lender, such Person in its capacity as Lender shall have the rights and powers of a Lender under this Loan Agreement and the other Loan Documents as set forth herein and therein and may exercise or refrain from exercising the same as though it were not Agent, and the term “Lender” and “Lenders” shall include such Person in its individual capacity as a Lender for so long as such Person is a Lender.

(f) **Relationship with Borrower.** Each Lender acknowledges that, with respect to the Loan and the Loan Documents, Agent shall have the sole and exclusive authority to deal and communicate with Borrower, Guarantors and any other Person on behalf of Lenders and each Lender acknowledges that any notices or demands from such Lender to Borrower, Guarantors or such Person must be promptly forwarded to Agent for delivery. Each Lender

93

agrees that it will not take any legal action, nor institute any actions or proceedings, against Borrower, Guarantors or any other Person with respect to any of the Obligations, without the prior consent of Agent, which consent may be withheld by Agent in its discretion.

SECTION 10.3. Distributions. Each Lender shall be entitled to receive, and Agent shall transfer to each Lender, in accordance with Section 10.16 hereof, each Lender’s Pro Rata Share of all payments received by Agent pursuant to the Loan Documents on account of principal, interest, default interest, late fees, Extension

Fee, Spread Maintenance Fee and other sums, excluding, however, (a) any sums payable to Agent or any Lender in a manner other than in proportion to each Lender's Pro Rata Share in connection with any Interest Rate Protection Agreement or pursuant to Section 2.9, 2.14 or 7.15 hereof, without regard as to whether such sums constitute Additional Interest, (b) any sums payable pursuant to the Loan Fee Letter, and (c) any sums payable to Agent in its capacity as Agent, including any sums payable on account of expenses incurred by Agent which Borrower or any Guarantor is obligated to reimburse Agent pursuant to the Loan Documents, to the extent that Lenders have not made a payment on account thereof pursuant to Section 10.9 hereof (the sums referred to in clauses (a) through (c) are hereinafter referred to as, "Excluded Sums"). Promptly following request from a Lender (at any time that a monetary Event of Default exists), Agent shall describe in reasonable detail to such Lender all Excluded Sums distributed by Agent (other than those paid pursuant to the Loan Fee Letter) over any identified period of time. Lenders acknowledge that Lender Interest Rate Protection Agreements are secured pari passu with the rest of the Obligations. In amplification of the foregoing, in the event that any payment received by Borrower hereunder is insufficient to pay all amounts due and owing on the date of such payment, such payment shall be applied pari passu to the obligations under Lender Interest Rate Protection Agreements together with any application thereof to the outstanding principal of the Loan. If any Lender is or becomes a party to any Lender Interest Rate Protection Agreement, such Lender unconditionally consents, without any restrictions, to the pledge and collateral assignment of Borrower's interest in such Interest Rate Protection Agreement, agrees to pay directly to Agent all payments, if any, due under the Interest Rate Protection Agreement and agrees that all rights of Borrower thereunder shall be exercisable by Agent.

SECTION 10.4. Authority, No Reliance; Binding Effect. Each Lender (a) represents and warrants that it is legally authorized to enter into this Loan Agreement, (b) agrees that neither Agent nor any Lender shall be responsible to one another for the due execution, legality, validity, enforceability, genuineness, sufficiency or collectibility of any of the Loan Documents or any other instrument or document furnished pursuant thereto or in connection with the Obligations, (c) confirms and agrees that neither Agent nor any Lender has made or will be deemed to have made any warranty or representation to another or shall be responsible to another for any statements, warranties or representations (written or otherwise) made in or in connection with the Loan or the Loan Documents or for the financial condition of Borrower or any other Person or for the title or the value of any portion of the Mortgaged Property or other Collateral and (d) agrees that it will be bound by the provisions of this Loan Agreement and will perform in accordance with its terms all the obligations which by the terms of this Loan Agreement are required to be performed by it as a Lender. Each Lender acknowledges that it has, independently and without reliance upon Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Loan Agreement. Each Lender also acknowledges that it

94

will, independently and without reliance upon Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking any action under this Loan Agreement.

SECTION 10.5. Loan.

(a) **Amendments and Modifications; Exercise of Rights and Remedies.** Subject to Section 10.5(b) hereof and to any other provision of this Loan Agreement or the other Loan Documents that expressly provides that consent or approval for a particular action be given by all Lenders, the Requisite Lenders or one or more particular Lenders, Agent reserves the right, in its discretion, in each instance without prior notice to Lenders, (i) to exercise or refrain from exercising any powers or rights which Agent or Lenders may have under or with respect to the Note, this Loan Agreement or any other Loan Document in accordance with the terms thereof, (ii) to enforce or determine not to enforce the Loan Documents in accordance with the terms thereof, (iii) to grant or withhold consents, approvals or waivers and to make any other determinations in connection with the Loan and the Loan Documents, (iv) to amend or modify the Loan Documents, (v) to acquire additional security or release any security given with respect to the Loan, (vi) to collect all sums due under the Loan Documents, (vii) to declare the Loan due and payable when permitted to do so pursuant to the terms of the Loan Documents, and (viii) to exercise or determine not to exercise all powers which are incidental to any of the foregoing.

(b) **Restrictions of Power of Agent.** (1) Notwithstanding anything to the contrary contained in Section 10.5(a) hereof or elsewhere in this Loan Agreement, Agent shall not, without the prior written consent of all Lenders, agree to any amendment, modification, termination, or waiver of any provision of this Loan Agreement or the other Loan Documents which would (i) extend the time for any payments of interest or

principal, including the Maturity Date, (ii) reduce the amount of any payment of principal, (iii) reduce the rate of interest payable pursuant to this Loan Agreement, (iv) increase the maximum principal amount of the Loan in excess of the Loan Amount, (v) release any material portion of the Collateral granted under the Loan Documents except as required pursuant to the terms of the Loan Documents, by law or upon repayment of the Obligations in full, (vi) release Borrower or any Guarantor or other guarantor of the Loan from any of their material obligations with respect to the Loan except as required pursuant to the terms of the Loan Documents, by law or upon repayment of the Obligations in full, (vii) alter the definition of "Requisite Lenders" provided herein or otherwise modify the number or percentage of the Lenders required to make any determination or give any consent hereunder, (viii) amend Article IX hereof or this Article X, (ix) provide for payments other than for the ratable account of the Lenders, (x) require or provide for the acceptance of new collateral or guaranties other than to benefit the Lenders on a pro rata basis, (xi) reduce or postpone the payment of any fees or provide for the payment of any additional fees to Lenders other than on a ratable basis, or (xii) modify or waive the provisions of Section 7.16 hereof.

(2) Notwithstanding anything to the contrary contained in Section 10.5(a) hereof or elsewhere in this Loan Agreement, and subject to the provisions of Section 10.5(b)(1) hereof, (i) Agent shall not, without the prior written consent of the Requisite Lenders, enter into any material amendment modification or waiver of the terms of this Loan Agreement or the other Loan Documents; provided, however, that Agent may, without the consent of the Requisite Lenders, waive any late payment charge or imposition of the Default Rate with respect to any

95

sums less than thirty (30) days delinquent, and (ii) Agent shall (subject to Section 10.9(b) hereof) take such action with respect to any Event of Default which is continuing, including with respect to the exercise of remedies or the realization on, or operation or disposition of, any or all of the Mortgaged Property or any other Collateral (including without limitation as to (x) the taking possession of, foreclosure or acceptance of a deed and/or assignment of the Collateral or any portion thereof in lieu of foreclosure, (y) the sale, disposition or other treatment of the ownership and operation of the Collateral and (z) any bid and the amount thereof at foreclosure of the Mortgage) as shall be directed by the Requisite Lenders; provided, however, that, unless and until Agent shall have received such directions, Agent may take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem to be in the best interest of Lenders.

(3) Notwithstanding anything to the contrary contained in Section 10.5(a) hereof or this Section 10.5(b) or elsewhere in this Loan Agreement, Agent shall not increase the amount of any Lender's Commitment without the prior consent of such Lender, provided that, for purposes hereof, the making of protective advances shall not be construed as an increase of a Lender's Commitment.

(c) **Deemed Consent.** In the event that Agent requests a Lender's consent pursuant to Section 10.5(b) hereof and Agent does not receive such Lender's written response within ten (10) Business Days of the request therefor, or such shorter period that Agent, in the exercise of its reasonable business judgment, determines as necessary under the circumstances, Agent shall send a second request to such Lender; if Agent does not receive such Lender's written response to such second request within five (5) Business Days of such second request, then such Lender shall be deemed to have consented to the action or determination proposed in such request. All such requests for consent from Agent to Lenders shall (i) be given in the form of a written notice to each Lender, (ii) be accompanied by a description of the matter or item as to which such consent is requested, or shall advise each Lender where such matter or item may be inspected, or shall otherwise describe the matter or issue to be resolved, (iii) shall include Agent's proposal in respect thereof and (iv) in the case of a second request as described above, shall state at the top of the page in bold lettering "**LENDER'S RESPONSE IS REQUIRED WITHIN FIVE (5) BUSINESS DAYS OF EFFECTIVENESS OF THIS NOTICE PURSUANT TO THE TERMS OF A LOAN AGREEMENT AND YOUR FAILURE TO RESPOND MAY BE DEEMED TO CONSTITUTE YOUR CONSENT TO THE ACTION FOR WHICH YOUR CONSENT IS SOLICITED.**"

(d) **Instructions from Lenders.** Agent may at any time request instructions from Lenders with respect to any actions, consents, waivers or approvals which, by the terms of any of the Loan Documents, Agent is permitted or required to take or to grant, and Agent shall be absolutely entitled to refrain from taking any action or to withhold any approval, consent or waiver and shall not be under any liability whatsoever to any Person for refraining from any action or withholding any approval, consent or waiver under any of the Loan Documents until Agent shall have received such instructions.

SECTION 10.6. Equitable Adjustments. If a Lender shall obtain any payment (whether voluntary, involuntary or otherwise) on account of such Lender's interest in the Loan in excess of such Lender's Pro Rata Share to which such Lender is entitled (other than

payments on account of Excluded Sums payable to such Lender) or payment on account of Excluded Sums payable to another Person, such Lender shall forthwith pay over to Agent an amount sufficient to enable Agent to cause such excess payment to be shared ratably with the other Lenders or, in the case of Excluded Sums payable to another Person, such Excluded Sums.

SECTION 10.7. Other Transactions. Agent and each Lender and their respective Affiliates and subsidiaries may accept deposits from, lend money to, act as trustee under indentures of, and generally engage in any kind of business with, Borrower, any Affiliate of Borrower, any subsidiaries of Borrower or its Affiliates and any Person who may do business with or own interests in or securities of Borrower or any such Affiliate or subsidiary without any duty to account therefor to each other. In the event that Agent or a Lender shall enter into an Interest Rate Protection Agreement, Agent or such Lender, as the case may be, shall be free to exercise its rights and remedies pursuant to the terms of the applicable Interest Rate Protection Agreement as if Agent or Lender, as the case may be, was not Agent or a Lender hereunder.

SECTION 10.8. Obligations Absolute. Each Lender acknowledges and agrees that its obligations hereunder are absolute and unconditional and shall not be affected by any circumstance whatsoever, including any breach by Agent or a Lender of their obligations under this Loan Agreement or any other Loan Document, any lack of validity or enforceability of the Note, this Loan Agreement or any other Loan Document, the occurrence and continuance of any Default or Event of Default or the failure to satisfy any term or condition of the Note, this Loan Agreement or any other Loan Document. Without limiting the generality of the immediately preceding sentence, each Lender agrees that any payment required to be made by it shall be made without any offset, abatement, withholding or reduction whatsoever and a breach by Agent or any Lender of any of their obligations pursuant to this Loan Agreement or any other Loan Document shall not limit or otherwise affect a Lender's obligations pursuant to this Loan Agreement.

SECTION 10.9. Indemnification.

(a) **Generally.** Lenders hereby agree to indemnify Agent (to the extent Agent is not otherwise reimbursed hereunder or under the Loan Documents by Borrower), on demand, in proportion to their Pro Rata Shares, for and against any and all claims, demands, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements (including reasonable fees and disbursements of counsel) of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against Agent in any way relating to or arising hereunder or out of any of the Loan Documents, any action taken or omitted by Agent hereunder or thereunder, the Premises or the Collateral, including any matter required to be indemnified by Borrower pursuant to Section 11.1 hereof; provided, however, that Lenders shall not be liable for (a) any of such claims, demands, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements to the extent resulting from Agent's willful misconduct or gross negligence, or (b) any of such claims, demands, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements which arise pursuant to any Lender Interest Rate Protection Agreement to which Agent or its Affiliate is party. A certificate of Agent as to the amount for which Lenders are required to reimburse Agent pursuant to this Section 10.9 shall be prima facie evidence as to such amount. Lenders' obligations under this Section 10.9 shall survive the termination of this

Loan Agreement and the Loan Documents. Without limiting the foregoing, in the event Agent elects to make a protective advance, Lenders shall fund its Pro Rata Share thereof in accordance with Section 10.16 hereof. If Agent advances its own funds for any protective advance, each Lender shall upon Agent's demand reimburse Agent for same in the amount of its Pro Rata Share thereof.

(b) **Indemnification Regarding Certain Actions.** Unless indemnified to Agent's satisfaction against any claims, demands, liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements (including reasonable fees and disbursements of counsel), Agent may not be compelled to do any act under this Loan Agreement or any other Loan Document or to take any action toward the execution or enforcement of the powers hereby or thereby created or to prosecute or defend any suit with

respect to this Loan Agreement or any other Loan Document. In no event, however, shall Agent be required to take any action that Agent determines would be in violation of any applicable regulatory requirements, or could incur for Agent criminal or onerous civil liability.

SECTION 10.10. Taxes. All taxes due and payable on any payments to be made to any Lender with respect to the Obligations or under the Loan Documents shall be such Lender's sole responsibility. All payments payable by Agent to any Lender hereunder or otherwise with respect to the Obligations shall be made without deduction for any taxes, charges, levies or withholdings, except to the extent, if any, that such amounts are required to be withheld by Agent under applicable law or the terms of the Loan Documents or this Loan Agreement. If any Lender is organized or is existing under the laws of a jurisdiction outside the United States, such Lender shall provide to Agent upon the execution of this Loan Agreement, or execution of any Assignment and Acceptance pursuant to which it becomes a Lender hereunder, and from time to time thereafter, at least two (2) duplicate completed and signed copies of any form(s) that may be required by the United States Internal Revenue Service in order to certify such Lender's exemption from United States withholding taxes with respect to payments to be made to such Lender with respect to the Obligations or under the Loan Documents or such other documents as are necessary to indicate that all such payments are exempt from or subject to such taxes at a rate reduced by an applicable tax treaty.

SECTION 10.11. Return of Payments. If Agent has received or applied any payment with respect to the Loan and has paid to any Lender any portion of such payment, and thereafter such payment or application is rescinded or must otherwise be returned or paid over by Agent, whether required pursuant to any bankruptcy or insolvency law, the Loan Documents, or otherwise, such Lender shall, at Agent's request, promptly return its share of such payment or application to Agent. In addition, such Lender shall simultaneously remit its Pro Rata Share of any interest or other amounts required to be paid by Agent with respect to such payment or application. If any Lender fails to remit such payment to Agent prior to 10:00 a.m. (New York City time) on the second (2nd) Business Day following Agent's request for such funds, the payment owed to Agent shall earn interest at the Federal Funds Rate for each day from the date of Agent's request until its payment to Agent.

SECTION 10.12. No Partnership. This Loan Agreement, the Assignment and Acceptances and the other Loan Documents do not create a partnership or joint venture among Agent and/or Lenders.

98

SECTION 10.13. Resignation and Removal of Agent; Successor Agent.

(a) **Resignation.** Agent may resign, without the consent of Borrower or any Lender, from the performance of all its functions and duties hereunder at any time by giving at least thirty (30) days' prior written notice to Borrower and Lenders, unless applicable law requires a shorter notice period or that there be no notice period, in which instance such applicable law shall control. Such resignation shall take effect upon the acceptance by a successor Agent of appointment pursuant to Section 10.13(c) or, if applicable, the appointment by Agent of a successor Agent pursuant to Section 10.13(d) hereof.

(b) **Removal of Agent.** In the event of the occurrence of any gross negligence or willful misconduct of Agent, if all Lenders (excluding the Lender that is then acting as Agent or is an Affiliate of Agent) (or, in the event there are more than three (3) Lenders who are not Affiliates of each other, the Requisite Lenders, but disregarding the Lenders that is then acting as Agent or is an Affiliate of Agent for purposes of determining the Requisite Lenders) agree, then Agent may be removed as the Agent; provided that no removal of Agent shall in any way affect the rights of Agent in its individual capacity as a Lender.

(c) **Appointment of Successor Agent by Requisite Lenders.** Upon any resignation or removal of Agent, the Requisite Lenders (including in the determination of the Requisite Lenders, the Pro Rata Share of the Lender that is also the resigning or removed Agent shall appoint a successor Agent (who shall also be a Lender).

(d) **Appointment by Resigning Agent.** If, upon the resignation of Agent, a successor Agent shall not have been appointed within the thirty (30) days or shorter period provided in Section 10.13(a) hereof, the resigning Agent shall then appoint a successor Agent (who also shall be a Lender), which successor shall serve as Agent until such time, if any, as the Requisite Lenders appoint a successor Agent as provided above.

(e) **Rights of the Successor and Retiring Agent.** Upon the acceptance of any appointment as Agent hereunder by a successor Agent, or, if applicable, the appointment of a successor Agent by Agent pursuant to Section 10.13(d) hereof, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent arising from and after the date of such

acceptance and appointment, and the retiring Agent shall be discharged from the duties and obligations of Agent arising from and after such date. After the resignation or removal of Agent as provided herein, the provisions of this Loan Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Loan Agreement.

SECTION 10.14. Defaults by any Lender.

(a) **Consequences of Default.** If for any reason any Lender shall be in default of any of its monetary obligations or in default in any material respect of any of its non-monetary obligations pursuant to this Loan Agreement or any other Loan Document (a “Defaulting Lender”), then, in addition to the rights and remedies that may be available to Agent and any other Lender under this Loan Agreement, at law and in equity, such Defaulting Lender’s right to participate as a Lender in decisions under this Loan Agreement, including any rights to

99

approve or direct any determination, action or inaction of Agent where the approval or direction of Lenders is required or permitted hereby, and such Defaulting Lender’s right to assign, transfer, sell all or any portion of its rights in and to the Loan or a participation therein pursuant to Article IX hereof, shall be suspended during the pendency of such failure or refusal.

(b) **Remedies.** If for any reason the Defaulting Lender fails to make timely payment of any amount required to be paid by such Defaulting Lender to or for the benefit of Agent or any other Lender hereunder, then, in addition to other rights and remedies which Agent or such other Lender may have hereunder or otherwise, Agent or any Lender shall be entitled, but not obligated (i) to advance funds on behalf of any Defaulting Lender, (ii) to collect interest from the Defaulting Lender at the Base Rate until the date on which the payment is made, (iii) to withhold or set off or in the case of a Lender, to cause Agent to withhold or setoff, and to apply to the payment of the defaulted amount and any related interest, any amounts to be paid to the Defaulting Lender under this Loan Agreement, (iv) to bring an action or suit against the Defaulting Lender in a court of competent jurisdiction to recover the defaulted amount and any related interest and (v) to purchase the Defaulting Lender’s interest in the Loan in the manner set forth in this Section 10.14. Upon the Defaulting Lender’s failure to make payments as set forth herein and so long as such failure remains uncured (and it is agreed an advance of funds by any other Lender pursuant to clause (i) above shall not be considered a cure of the Defaulting Lender’s default), the Defaulting Lender shall not be entitled to receive its share of any payments made by Borrower or any other Person (or amounts owed by Borrower or any other Person) after such date pursuant to the Loan Documents. If Agent receives any payment with respect to the Obligations from Borrower or any other Person as to which a Defaulting Lender would otherwise have been entitled, then such Defaulting Lender’s share of such payment shall be credited toward the amount owed hereunder by such Defaulting Lender on a dollar for dollar basis.

(c) **Purchase of Defaulting Lender’s Interest after Default.** In the event of a default by a Lender as referred to in Section 10.14(a) hereof, each Lender which is not a Defaulting Lender shall have the right, but not the obligation, in its sole discretion, to acquire such Defaulting Lender’s interest in the Loan. If more than one Lender exercises such right, each such Lender which is not a Defaulting Lender shall have the right to acquire (in accordance with such acquiring Lender’s Pro Rata Share or upon agreement of the Lenders that desire to so purchase the Defaulting Lender’s interest, any other proportion) the Defaulting Lender’s interest in the Loan. Such right to purchase shall be exercised by written notice from the applicable Lender(s) electing to exercise such right to the Defaulting Lender (an “Exercise Notice”), copies of which shall also be sent concurrently to each other Lender. The Exercise Notice shall specify (i) the purchase price for the interest of the Defaulting Lender, determined in accordance with Section 10.15 hereof and (ii) the date on which such purchase is to occur, which shall be any Business Day which is not less than fifteen (15) days after the date on which the Exercise Notice is given, provided that if such Defaulting Lender shall have cured its default in full (including with the payment of any interest and other amounts due in connection therewith) to the satisfaction of Agent within said fifteen (15) day period, then the Exercise Notice shall be of no further effect and the non-defaulting Lender(s) shall no longer have a right to purchase such Defaulting Lender’s interest. Upon any such purchase of a Defaulting Lender’s interest and as of the date of such purchase (the “Purchase Date”), the Defaulting Lender’s interest in the Loan, and its rights hereunder as a Lender arising from and after the Purchase Date (but not its rights and liabilities with respect thereto or under this Loan Agreement or the other Loan Documents

for obligations, indemnities and other matters arising or matters occurring before the Purchase Date) shall terminate on the Purchase Date, and the Defaulting Lender shall promptly execute all documents reasonably requested to surrender and transfer such interest. Without in any manner limiting the remedies of Agent or any other Lender, the obligation of a Defaulting Lender to sell and assign its interest in the Loan under this Section 10.14 shall be specifically enforceable by Agent and/or any other Lender by an action brought in any court of competent jurisdiction for such purpose, it being acknowledged and agreed that, in light of the disruption in the administration of the Loan and the other terms of the Loan Documents that a Defaulting Lender may cause, damages and other remedies at law are not adequate.

SECTION 10.15. Purchase Price; Payment for Defaulting Lender's Pro Rata Share. The purchase price for the interest of a Defaulting Lender in the Loan (the "Purchase Price") shall be equal to the sum of all of the Defaulting Lender's advances under the Loan Documents outstanding as of the Purchase Date, less the costs and expenses incurred by Agent and any non-defaulting Lender directly as a result of the Defaulting Lender's default hereunder, including interest accrued on such unpaid amounts (at the Base Rate), court costs and including reasonable attorneys' fees and disbursements, and fees for accountants and other similar advisors (provided that such costs and expenses are paid by the Lenders acquiring the interest of such Defaulting Lender to Agent and the Lenders incurring same).

SECTION 10.16. Election of Interest Rate; Distribution of Funds to Lenders. Agent shall promptly notify each Lender upon its receipt of notice from Borrower pursuant to Section 2.3(b) hereof electing to convert to an Applicable Interest Rate. All sums received by Agent pursuant to the Loan Documents on account of principal, Interest or other sums payable to all Lenders in accordance with their Pro Rata Shares, after application, at Agent's option, of such sums to any amounts due and payable to Agent from Borrower or Lenders under any Loan Document, which are received by 1:00 p.m. (New York City time) shall be paid to Lenders on the date of receipt; such sums received by Agent after 1:00 p.m. (New York City time) shall be paid to Lenders on or before the next succeeding Business Day. All sums received by Agent pursuant to the Loan Documents on account of other sums payable to any specific Lenders, including Additional Interest and Excluded Sums, after application, at Agent's option, of such sums to any amounts due and payable to Agent from Borrower (in each case, prorated among the Lenders in accordance with their Pro Rata Shares) or such specific Lenders hereunder, which are received by 1:00 p.m. (New York City time) shall be paid to the applicable Lenders to which such amounts are due on the date received (if received on a Business Day) or the next succeeding Business Day (if the date of receipt is not a Business Day); such sums received by Agent after 1:00 p.m. (New York City time) shall be paid to the applicable Lenders to which such amounts are due on or before the next succeeding Business Day. Amounts received by Agent for the account of Lenders and not paid by Agent to the applicable Lenders when required by the immediately preceding sentence shall bear interest from such required date of payment until paid by Agent, at the Federal Funds Rate.

SECTION 10.17. Titles. Deutsche Bank Securities Inc. is hereby appointed Syndication Agent for the Loan. The designation of any Person as "Syndication Agent" shall not impose or confer on such Person any rights, obligations or duties.

ARTICLE XI

GENERAL CONDITIONS

SECTION 11.1. Indemnity.

(a) Borrower hereby indemnifies and agrees to defend, protect and hold harmless Agent and Lenders and their respective affiliates, participants, directors, officers, agents and employees (each, an "Indemnified Party") from and against any and all losses, liabilities, obligations, charges, claims, damages, penalties, causes of action, costs and expenses (including reasonable attorneys' fees and disbursements) of any kind or nature (except to the extent of any claim arising from the gross negligence or willful misconduct of such Indemnified Party and any claim arising among, by or between Agent and Lenders against each other or any of them), suffered or incurred by an Indemnified Party in connection with this Loan Agreement, any of the other Loan Documents, the consummation of the transactions contemplated herein or therein, the construction, use, operation or occupancy of the Premises or any Mortgaged Property, any Permitted Encumbrance, any Premises Document, any Lease, the Property Management Agreement, the License Agreement or any Interest Rate Protection Agreement, including the following:

- (i) any accident, injury to or death of Persons or loss of or damage to property occurring on or about the Premises or any part thereof, or the adjoining sidewalks, curbs, vaults and vault space, if any, and streets and ways;
- (ii) any design, construction, operation, use, nonuse or condition of the Premises or any part thereof, or the adjoining sidewalks, curbs, vaults and vault space, if any, and streets and ways, including claims or penalties arising from violation of any Legal Requirement or Insurance Requirement, as well as any claim based on any patent or latent defect, whether or not discoverable by Agent or any Lender, any claim as to which the insurance is inadequate;
- (iii) any performance of or failure to perform any labor or services or furnishing of or failure to furnish any materials or other property in respect of the Premises or any part thereof;
- (iv) any negligence or tortious act or omission on the part of Borrower or any of its agents, contractors, servants, employees, Lessees, lessees, sublessees, licensees, guests or invitees;
- (v) any other relationship that has arisen or may arise between or among Agent and/or any Lenders on the one hand, and Borrower, Borrower Member, Guarantors, any third party with respect to the Premises or the Mortgaged Property or any of the foregoing, on the other hand, as a result of the execution and delivery of the Note,

this Loan Agreement or the other Loan Documents, or any other action contemplated hereby, thereby or by any other document executed in connection with the Loan;

- (vi) any claim, action or other proceeding brought by or on behalf of any Person against Agent or any Lender as the holder of, or by reason of its interest in, any sum deposited or paid hereunder or in connection herewith, any insurance proceeds, any condemnation awards or other amounts applied to the Obligations;
- (vii) any investigation, defense or settlement of claims or in obtaining any prohibited transaction exemption under ERISA by reason of a breach of Section 7.16 hereof; and
- (viii) any circumstance resulting in the impairment of the Liens of the Mortgage and/or the other Security Documents, including as a result of non-compliance with any applicable lien law.

(b) If any action or proceeding shall be commenced or taken (including an action to foreclose the Mortgage, collect the Obligations or enforce Agent's rights under this Loan Agreement, the Note or the other Loan Documents) by Agent or any other Person, in which action or proceeding Agent or any Lender is involved or is made a party by reason of the execution and/or delivery of the Note, this Loan Agreement, or any other Loan Documents or in which it becomes necessary to enforce, defend or uphold the lien on the Mortgaged Property pursuant to the Mortgage, this Loan Agreement or the other Loan Documents or the Agent's and Lenders' rights under the Note or any other Loan Documents, all sums paid by Agent or any Lender for the expense of any such action or litigation shall be paid by Borrower to Agent ten (10) Business Days after demand. In the event the Mortgaged Property, or any part thereof, shall be advertised for foreclosure sale and not sold, Borrower shall pay all costs in connection therewith, including reasonable attorneys' fees and disbursements and advertising costs.

(c) Borrower hereby indemnifies and agrees to defend and hold harmless the Indemnified Parties from and against any and all liabilities, claims, charges, losses and expenses (including reasonable attorneys' fees and disbursements) or damages of any kind or nature which may arise as a result of any claim by any broker, "finder" or advisor with which Borrower or any Affiliate of Borrower has dealt or is alleged to have dealt (other than any broker, "finder" or advisor claiming solely through Agent or any Lender).

(d) Borrower will hold Agent and each Lender harmless against any and all liability with respect to any mortgage/deed recording, transfer or intangible personal property tax or similar imposition now or hereafter in effect, to the extent that the same may be payable by Agent or any Lender with respect to this Loan Agreement, any Note or any other Loan Document.

(e) Within ten (10) Business Days of demand by any Indemnified Party, Borrower shall commence to defend, and shall thereafter diligently pursue defense of, any investigation, action or proceeding in connection with any claim or liability, or alleged claim or

liability, that would, if determined adversely to such Indemnified Party, be covered by the indemnification provisions contained in this Section, such defense to be at the sole cost and expense of Borrower and by counsel selected by Borrower and reasonably approved by such Indemnified Party, which counsel may, without limiting the rights of an Indemnified Party pursuant to the next succeeding sentence, also represent Borrower in such investigation, action or proceeding. In the alternative, an Indemnified Party may elect to conduct its own defense through counsel of its own choosing and at the reasonable expense of Borrower.

(f) The provisions of this Section 11.1 shall survive the repayment of the Loan.

SECTION 11.2. No Waivers. No failure or delay on the part of Agent or Lenders in exercising any right, power or remedy hereunder or under or in connection with this Loan Agreement or the other Loan Documents or to insist upon the strict performance of any term of this Loan Agreement or any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy under or in connection with this Loan Agreement or any other Loan Document.

SECTION 11.3. Intentionally Omitted.

SECTION 11.4. Contractors. No contractor, supplier or any other Person dealing with Borrower shall be, nor shall any of them be deemed to be, third party beneficiaries of this Loan Agreement, but each shall be deemed to have agreed, (a) that the contractor, supplier or other Person in question shall look to Borrower as their sole source of recovery if not paid and (b) except as otherwise agreed to in writing between Agent and such Person in question, that they may not claim against Agent or Lenders under any circumstances.

SECTION 11.5. Agent and Lenders Sole Beneficiaries. All funds held in the Accounts (other than the Operating Account) and other Collateral held by Agent are held, subject to the provisions of this Loan Agreement and the other Loan Documents, solely and exclusively for the benefit of Agent and Lenders. No Person other than Agent and Lenders shall have standing to require satisfaction of any terms, provisions, covenants and other conditions in accordance with their terms or be entitled to require any particular application of such funds or Collateral. No Person other than Agent and Lenders shall be deemed to be beneficiary of the terms, provisions, covenants and other conditions of this Loan Agreement and the other Loan Documents, any or all of which may be freely waived, in whole or in part, by Agent at any time if Agent deems it advisable or desirable to do so.

SECTION 11.6. Entire Agreement. This Loan Agreement and the other Loan Documents embody the entire agreement and understanding between Borrower, Agent and/or Lenders with respect to the Loan and supersede and cancel all prior loan applications, expressions of interest, commitments, agreements and understandings, whether oral or written, relating to the subject matter hereof, except as specifically agreed in writing to the contrary.

SECTION 11.7. Assignment. Borrower may not assign, transfer or otherwise convey this Loan Agreement or any other Loan Document, in whole or in part, nor all or any portion of the Loan nor any interest therein.

SECTION 11.8. Further Assurances; Filing of Financing Statements. Borrower promptly shall make, execute or endorse, and acknowledge and deliver or file or cause the same to be done, all such vouchers, invoices, notices, certifications, instruments, additional agreements, undertakings, conveyances, deeds of trust, mortgages, transfers, assignments, financing statements or other assurances, and take all such other action, as Agent may, from time to time, reasonably deem necessary or proper in connection with this Loan Agreement or any of the other Loan Documents, the obligations of Borrower hereunder or thereunder, or for better assuring and confirming unto Agent and Lenders the full benefits and rights granted or purported to be granted by this Loan Agreement or the other Loan Documents; provided, however, the same do not increase, in any material respect, Borrower's or any Guarantors' respective obligations or decrease, in any material respect, such parties' respective rights under this Loan Agreement or the other Loan Documents. Borrower hereby agrees that, without notice to or the consent of Borrower, Agent may file with the appropriate public officials such financing statements or similar documents as are or may become necessary to perfect and continue the perfection of the security interest granted by any Security Document.

SECTION 11.9. Cumulative Remedies. The remedies in this Loan Agreement and the other Loan Documents herein are cumulative and not exclusive of any remedies available at law or equity or in any other agreement, document or instrument.

SECTION 11.10. Amendments, Consents, Waivers, Approvals, Etc. Except as set forth in Section 10.1 hereof (and subject to Section 10.5(b) hereof), no amendment, modification, termination, or waiver of any provision of this Loan Agreement or the other Loan Documents shall be effective unless in writing and signed by Borrower and Agent. With respect to any matter for which Agent's consent or approval is required hereunder or under the other Loan Documents, no such consent or approval by Agent hereunder shall in any event be effective unless the same shall be in writing and signed by Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Borrower may rely upon such amendment, modification, termination, waiver, consent and approval signed by Agent as having been consented to by such Lenders whose consent may be required pursuant to Article X hereof or otherwise for such amendment, modification, termination, waiver, consent or approval, without any further inquiry. No notice to or demand on Borrower in any case shall entitle Borrower to any other or further notice or demand in similar or other circumstances. No failure or delay of Agent in exercising any power or right hereunder or to demand payment for any sums due pursuant to this Loan Agreement or any other Loan Document, shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other further exercise thereof or the exercise of any other right or power.

SECTION 11.11. Notices. Except as may be otherwise expressly provided herein, all notices, certificates, demands, requests, approvals, consents, waivers and other communications provided for herein shall be in writing and (a) mailed (registered or certified mail, return receipt requested, and postage prepaid), (b) hand-delivered, with signed receipt, or

Notwithstanding the foregoing, notices from Agent to Lenders under the Loan Agreement and the other Loan Documents may, at Agent's option, be given by posting to the Debtdomain website for the Loan (or a comparable "data room").

SECTION 11.12. Limitation on Liability. All Obligations shall be recourse to Borrower. Notwithstanding anything to the contrary contained in this Loan Agreement, in the Note, the Mortgage or in the other Loan Documents, no recourse shall be had for the payment of the principal, Interest, Additional Interest or

other amounts owed hereunder or under the Note or the other Loan Documents, or for any claim based on this Loan Agreement, the Note or any other Loan Document, against any member of Borrower or any of such member's assets, or against any principal, partner, member, shareholder, officer, director, agent or employee of Borrower or any member of Borrower, it being expressly understood that the sole remedies of Agent and Lenders with respect to such amounts and claims shall be against Borrower and the assets of Borrower, including the Mortgaged Property and other Collateral (which may result in the decrease in the value of the ownership interest of the members of Borrower); provided, however, that:

(a) nothing contained in this Loan Agreement (including the provisions of this Section 11.12), the Note or the other Loan Documents shall constitute a waiver of any of Borrower's obligations herein, under the Note or the other Loan Documents, or of any obligations of any Guarantor (whether or not it directly or indirectly holds an ownership in Borrower) under the Loan Documents to which it is a party;

(b) nothing contained in this Loan Agreement (including the provisions of this Section 11.12), the Note or the other Loan Documents shall constitute a limitation of liability of Borrower or any of its assets; and

(c) nothing contained in this Loan Agreement (including the provisions of this Section 11.12), the Note or the other Loan Documents shall constitute a limitation of liability of any Guarantor or any of its respective assets with respect to the Recourse Liability Agreement, the Environmental Indemnity or any other guaranty or indemnity agreement given by it in connection with the Loan, as applicable.

SECTION 11.13. Binding Effect. This Loan Agreement shall be binding upon and inure to the benefit of Agent and Lenders and their respective permitted successors and assigns and Borrower and its permitted successors and assigns.

SECTION 11.14. Severability of Provisions. Any provision of this Loan Agreement which is prohibited or unenforceable in the State of New York or in any other jurisdiction in the United States shall be, as to the State of New York or such other jurisdiction in the United States, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provisions in any other jurisdiction.

SECTION 11.15. Governing Law and Consent to Jurisdiction. This Loan Agreement shall be governed by, and construed in accordance with, the substantive laws of the

108

State of New York. Borrower, Agent and Lenders irrevocably (a) agree that any suit, action or other legal proceeding arising out of or relating to this Loan Agreement, the Note or the other Loan Documents may be brought in the Courts of the United States of America located in the Southern District of New York or in a state court of record in New York County, New York, (b) consent to the jurisdiction of each such court in any such suit, action or proceeding and (c) waive any objection which it may have to the laying of venue of any such suit, action or proceeding in any of such courts and any claim that any such suit, action or proceeding has been brought in an inconvenient forum. Borrower irrevocably consents to the service of any and all process in any such suit, action or proceeding by service of copies of such process to Borrower at its address provided in Section 11.11 hereof. Nothing in this Section 11.15, however, shall affect the right of Agent to serve legal process in any other manner permitted by law or affect the right of Agent to bring any suit, action or proceeding against Borrower or its property in the courts of any other jurisdictions.

SECTION 11.16. Waiver of Jury Trial. Borrower, Agent and Lenders each hereby expressly and unconditionally waives any and every right either party may have to a trial by jury, in any suit, action or proceeding brought under or with respect to this Loan Agreement, the Note or the other Loan Documents.

SECTION 11.17. No Joint Venture. Borrower is not and shall not be deemed to be a joint venturer, partner, tenant in common or joint tenant with, or an agent of, Agent or Lenders for any purpose. Neither Agent nor Lenders shall be deemed to be in privity of contract with any contractor or any other Person providing services with respect to the operation, management, marketing, use, repair, restoration, improvement or alteration of the Premises or any part thereof unless and until and except to the extent that Agent shall affirmatively act to establish any such privity pursuant to Article VIII hereof, or in the exercise of Agent's and Lenders' remedies pursuant to the Mortgage, the Assignment of Agreements or any other Loan Document.

SECTION 11.18. Determinations and Consents of Agent. Unless expressly provided to the contrary in any particular instance, any determination, election or judgment made or any consent or waiver

given by Agent pursuant to this Loan Agreement or any other Loan Document shall be made or given, as the case may be, in Agent's sole and absolute discretion, whether or not the applicable provision of this Loan Agreement or such other Loan Document expressly so provides. In making any such determination, election or judgment or in providing or deciding not to provide any such consent or waiver, Agent shall be entitled to rely, to the extent Agent so elects, in whole or in part on the advice of counsel (including counsel for Borrower or Guarantors), independent public accountants, engineers, architects and other experts selected by Agent.

SECTION 11.19. Reliance by Agent on Action on Behalf of Borrower. Agent shall be entitled to rely on any notice, communication or other action taken by any Person purporting to sign as the officer or other authorized agent, signatory, representative or agent of Borrower, Borrower Member or Guarantors purporting to be taken on behalf of such Person as being conclusive evidence of such Person's right to take such action and, in doing so, bind such Person to the action taken.

109

SECTION 11.20. Headings, Etc. The headings and captions of various sections of this Loan Agreement have been inserted for convenience only and are not to be construed as defining, modifying, limiting or amplifying, in any way, the scope or intent of the provisions hereof.

SECTION 11.21. Incorporation by Reference. Borrower agrees that the Note and the other Loan Documents shall be made subject to all the terms, covenants, conditions, obligations, stipulations and agreements contained in this Loan Agreement to the same extent and effect as if fully set forth in and made a part of the Note and the other Loan Documents. In the event of a conflict between any of the Loan Documents and the provisions of this Loan Agreement, this Loan Agreement shall control.

SECTION 11.22. Counterparts. This Loan Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, and it shall not be necessary in making proof of this Loan Agreement to produce or account for more than one such counterpart.

SECTION 11.23. Attorneys' Fees. Any provisions of this Loan Agreement or any other Loan Document that require payment to Agent or Lenders of legal fees or expenses incurred by any of them shall be construed as including any and all such reasonable fees and expenses incurred in connection with litigation, mediation, arbitration, other alternative dispute processes, administration proceedings and bankruptcy proceedings, and any appeals from any of the foregoing.

SECTION 11.24. Waiver of Consequential Damages Etc. Borrower hereby unconditionally and irrevocably waives, to the maximum extent not prohibited by applicable law, any rights it may have to claim or recover against Agent or Lenders in any legal action or proceeding any special, exemplary, punitive or consequential damages.

SECTION 11.25. Employer Identification Number Etc. Borrower acknowledges that in order for Lenders to comply with the requirements under the Patriot Act, Borrower must provide to Agent certain information or supporting documentation (collectively "Documentation") at the time of execution of this Loan Agreement. Lenders may be required by the Patriot Act to verify and record any Documentation provided by Borrower to validate Borrower's identity. Documentation that may be requested from Borrower may include, but is not limited to, a Federal Employer Identification Number (FEIN), a Certificate of Good Standing to validate Borrower's corporate, partnership or limited liability company existence, a Certificate of Incumbency to authenticate the management of Borrower, and other government issued certified documents to validate Borrower's authorization to conduct business.

2. Bank Acknowledgment. This Deposit Account Agreement (“Agreement”) shall constitute written notice by Secured Party to Bank. Bank acknowledges

B - 1

and agrees that: (a) Bank has received Secured Party’s notice of security interest in the Deposit Account; (b) Bank maintains the Deposit Account solely in the name of Principal and Depositor at the banking office named above (“Banking Office”); (c) Bank is not required to obtain the consent from any other person or entity (“Person”) other than Principal and Depositor in order to enter into the Agreement; (d) as of the date hereof, Banking Office does not have knowledge of a security interest in the Deposit Account claimed by any Person other than Secured Party; and (e) prior to receipt of a Blocked Account Notice (defined below) by Bank, Principal and Depositor shall have the exclusive right to instruct Bank with respect to matters relating to the withdrawal, operation and administration of, and investment and application of, funds on deposit in the Deposit Account. Subject to the provisions of Paragraph 11 hereof, for so long as this Agreement remains effective, Bank’s rights of setoff/banker’s lien against the funds in the Deposit Account are subordinate to Secured Party’s security interests.

3. Secured Party's Orders. Principal, Depositor, Bank and Secured Party hereby agree that (a) prior to the Effective Time (as defined below), Bank shall honor all Orders (as defined below) received from Principal and/or Depositor (but not those from Secured Party) concerning the Deposit Account and (b) on and after the Effective Time, Bank shall honor only such Orders received from Secured Party (but not those from Principal, Depositor or any other Person) concerning the Deposit Account.

For the purposes hereof, (i) the "Effective Time" shall be the opening of business on the Business Day (as defined below) next succeeding the Business Day on which a notice purporting to be signed by Secured Party in substantially the form attached as Schedule B hereto (a "Blocked Account Notice") is actually received by Bank at the address and to the attention of the individuals set forth on Schedule A; provided, that, if any such notice is so received after 3:00 p.m. (local time) on any Business Day, the "Effective Time" shall be the opening of business on the *second* Business Day next succeeding the Business Day on which such receipt occurs and (ii) a "Business Day" is any day other than a Saturday, Sunday and Bank holidays on which national banks in New York, New York are not open for business.

4. Documentation. Secured Party agrees that before it attempts to give Bank any orders or instructions concerning the Deposit Account, including, but not limited to, withdrawal orders, receipts, or other Items (as defined below), orders for funds transfers, stop payment orders, instructions not to allow withdrawals, instructions to close the Deposit Account, or instructions to transfer title of the Deposit Account to another Person (collectively, "Orders"), Secured Party shall deliver to the Banking Office such documentation as Bank may from time to time reasonably request to evidence the authority of those partners, officers, employees or agents whom Secured Party authorizes to give Orders. Bank shall have no obligation to act on Secured Party's Order until Secured Party delivers a Blocked Account Notice to the Banking Office.

5. Release of Security Interest; Termination of Agreement. Except as provided below, the provisions of this Agreement shall remain in full force and effect until

B - 2

Bank receives at the Banking Office Secured Party's written notice of release of its security interest in, or reassignment to Principal of, the Deposit Account ("Secured Party's Release"). Notwithstanding the foregoing, either Secured Party or Bank may terminate this Agreement by giving twenty (20) days' written notice to the other parties hereto during which 20 day period this Agreement shall remain in effect. Following such notice of termination, Bank shall follow Secured Party's Orders for the payment of the net balance of collected funds in the Deposit Account.

6. Deposits by Secured Party. For so long as this Agreement remains in force, Bank may accept from either Principal, Depositor or Secured Party any checks, drafts, or other instruments for the payment of money (each an "Item" and collectively, "Items") payable or endorsed to Principal, to Depositor, to Secured Party, or to cash or bearer, whether endorsed by written or stamped endorsement, and with or without designation or signature of the person making such endorsement, or endorsed in the form "Credited to the Account of the Within Named Payee - Absence of Endorsement Guaranteed," or words of similar meaning, or unendorsed. Secured Party, Principal and Depositor agree that as between Bank, on the one hand, and Secured Party, Principal and Depositor, on the other hand, each such Item shall be deemed to bear the special endorsement by Principal to Secured Party, and by Secured Party to Bank for deposit, of each such Item.

7. Bank's Authority. Bank shall be fully protected in: (a) before receipt at the Banking Office of a Blocked Account Notice and from and after withdrawal by Secured Party of such Blocked Account Notice, acting upon any Orders concerning the Deposit Account which it reasonably believes to have been given by Principal or Depositor; (b) after receipt at the Banking Office of a Blocked Account Notice, acting upon any Orders which it reasonably believes to have been given by Secured Party under this Agreement without making any inquiry as to Secured Party's right or authority to give such Orders or as to the application by Secured Party of any payment made pursuant thereto; (c) disclosing to Secured Party such information concerning the Deposit Account including, copies of periodic statements, daily balances, information regarding withdrawals and deposits and correspondence between Bank and Principal and/or Depositor concerning the Deposit Account, as Secured Party may from time to time request; it being understood that Bank shall provide such information to Secured Party promptly after such request, whether or not such request is made prior to, on or after the Effective Time; and (d) until given Orders to the contrary by Secured Party, continuing to pay interest

earned on the Deposit Account in accordance with Depositor's or Principal's instructions. Anything in this Agreement to the contrary notwithstanding, Bank's only obligation after receipt of a Blocked Account Notice is to follow Secured Party's Orders with respect to the Deposit Account. After receipt of a Blocked Account Notice, Bank, upon at least twenty (20) days' written notice to Secured Party, may decline to accept deposits to the Deposit Account.

8. Deposit Account Agreements. For so long as this Agreement remains in effect, Secured Party's transactions involving the Deposit Account shall be subject, except to the extent inconsistent herewith, to the provisions of such deposit account agreements (including, account analysis agreements, night depository agreements, and funds transfer agreements), disclosures, and fee schedules as are in effect from time to time for accounts like the Deposit Account.

B - 3

9. Bank Reliance on Notices. Bank may request such confirmation as is necessary or desirable to verify the genuineness, validity or accuracy of any Orders, Blocked Account Notice, Secured Party's Release or any other notice or instructions received from Principal, Depositor or Secured Party hereunder and shall not be liable to any Person for any damages alleged to have resulted from any delay occasioned by seeking such confirmation. Notwithstanding the foregoing, Bank may, without inquiry or investigation, rely on any Orders, Blocked Account Notice, withdrawal of Blocked Account Notice, Secured Party's Release or any other notice or instructions which Bank believes to have been given by Principal, Depositor or Secured Party hereunder.

10. Bank's Disclaimers; Scope; Title to Deposit Account. Secured Party, Principal and Depositor acknowledge and agree that: (a) Bank makes no representations or warranties, express or implied, concerning the validity, effectiveness, perfection or priority of Secured Party's security interest in the Deposit Account; (b) except as otherwise required by law or by the terms of this Agreement, Bank has no obligation to notify Secured Party of any past, present or future lien, demand, claim, claim of security interest, adverse claim, notice, notice to withhold or other claim for taxes, court or administrative order, summons, warrant, subpoena, search warrant, execution, attachment, writ, seizure order or other form of legal process or notice, whether filed, published, sent to or received by Bank, and whether affecting or purporting to affect the Deposit Account; (c) this Agreement applies only to the Deposit Account designated above, but not to any other deposit account which Principal or Depositor may now or hereafter maintain with Bank; and (d) unless, after delivering a Blocked Account Notice to the Banking Office, Secured Party instructs Bank to transfer title to the Deposit Account to itself, Bank shall continue to maintain the Deposit Account in the name of Principal and Depositor.

11. Rights Reserved by Bank. Nothing herein constitutes a waiver of, and Bank expressly reserves all of, its present and future rights (whether described as rights of set off, banker's lien, chargeback or otherwise, and whether available to Bank at law, in equity, under any other agreement between Bank and Principal and/or Depositor concerning the Deposit Account or otherwise) with respect to (a) Items deposited to the Deposit Account and returned unpaid, whether for insufficient funds or for any other reason, and without regard to the timeliness of return of any such Item, and (b) overdrafts on the Deposit Account, including but not limited to "daylight overdrafts," and (c) Bank's usual and customary charges for services rendered in connection with the Deposit Account. Secured Party acknowledges and agrees that its security interest in the Deposit Account is subordinate to the rights reserved by Bank in this Paragraph 11.

12. Indemnification of Bank by Principal. In order to induce Bank to agree to the terms of this Agreement, Principal agrees to defend, indemnify and hold Bank, its directors, officers, employees, attorneys, successors and assigns, harmless from and against any and all loss, liability, cost, damage and expense, including, reasonable legal fees and

B - 4

expenses, arising out of: (a) acts, errors or omissions of Principal, Depositor or Secured Party or the agent of any of them; or (b) Bank's otherwise acting in accordance with the provisions hereof, excepting only liability occasioned solely by Bank's gross negligence or willful misconduct.

13. Notices; Written Orders to Banking Office. Any notice given by any party under this Agreement shall be effective only if (a) given in writing and (b) personally delivered, sent by United States mail, postage prepaid or by a nationally recognized overnight courier, or sent by telecopier,

electronic mail, or other authenticated message, charges prepaid and addressed to the respective addresses set forth in Schedule A attached hereto. Except as otherwise expressly provided herein, any such notice shall be effective upon receipt. Either Secured Party, Principal, Depositor or Bank may change the place to which notices, requests, and other communications are to be sent by giving written notice of such change to the others. Notwithstanding the foregoing, Bank shall have no obligation to act upon any Orders, Blocked Account Notice, Secured Party's Release, or other notices or instructions hereunder until received in writing at the Banking Office.

14. Successors and Assigns; No Third Party Rights; Entire Agreement; Amendments; Governing Law; Counterparts; Captions; Non-Waiver; Bankruptcy/Legal Process; Rights Cumulative; Corporate/Partnership Authority. The provisions of this Agreement shall be binding upon and inure to the benefit of Bank, Secured Party, Principal and Depositor and their respective permitted successors and assigns and to no other Person, firm or entity. This Agreement constitutes the entire agreement between Bank, on the one hand, and Secured Party, Principal and Depositor, on the other hand, concerning the subject matter hereof. Except to the extent inconsistent herewith, all other agreements between Bank and Principal and Depositor concerning the Deposit Account shall remain in full force and effect. This Agreement may not be amended or its provisions waived except by a writing signed by Bank. This Agreement shall be construed and interpreted in accordance with New York law. This Agreement may be executed in counterparts, each of which shall be an original, and all of which shall constitute but one and the same instrument. The captions of paragraphs of this Agreement are for reference only and are not to be construed in any way as a part hereof. Bank's failure or delay in exercising any of its rights, powers or privileges under this Agreement shall not be considered a waiver thereof; nor shall any single or partial exercise of any right, power or privilege by Bank preclude other or further exercise thereof. In the event that Principal becomes subject to voluntary or involuntary proceedings under the United States Bankruptcy Code, or if Bank is served with legal process which Bank in good faith believes affects the Deposit Account, Bank shall have the right to place a hold on funds deposited to the Deposit Account until such time as Bank receives an appropriate court order or other assurances satisfactory to Bank establishing that the funds may be disbursed according to the provisions and instructions contained in this Agreement. All Bank's rights and remedies, whether available under this Agreement or otherwise, are cumulative, and in addition to other rights or remedies available to Bank. Each person signing on behalf of a party hereto warrants that such party has performed all corporate or partnership actions necessary to make this Agreement a binding obligation, enforceable in accordance with its terms.

B - 5

15. NY UCC Provisions. The Account is and shall be treated as a "deposit account" within the meaning of §9-102(29) of the Uniform Commercial Code in effect in the State of New York (the "NY UCC") and Bank shall be the bank (having its jurisdiction in the State of New York for purposes of Article 9 of the NY UCC) with which the Account is maintained.
