The definitions and provisions contained in the 2000 ISDA Definitions (the “Definitions”) as published by the International Swaps and Derivatives Association, Inc. are incorporated by reference herein. In the event of any inconsistency between the Definitions and this Confirmation, this Confirmation will govern.

X will give notice to the other party of any set off effected under this Section 6(f).

If a sum or obligation is unascertained, X may in good faith estimate that obligation and set-off in respect of the estimate, subject to the relevant party accounting to the other when the obligation is ascertained.

Nothing in this Section 6(f) shall be effective to create a charge or other security interest. This Section 6(f) shall be without prejudice and in addition to any right of set-off, combination of accounts, lien or other rights to which any party is at any time otherwise entitled (whether by operation of law, contract or otherwise).
