Calculations and determinations of financial and accounting terms used and not otherwise specifically defined hereunder and the preparation of financial statements to be furnished to the Bank pursuant hereto shall be made and prepared, both as to classification of items and as to amount, in accordance with sound accounting practices and GAAP as used in the preparation of the financial statements of the Borrower on the date of this Agreement. If any changes in accounting principles or practices from those used in the preparation of the financial statements are hereafter occasioned by the promulgation of rules, regulations, pronouncements and opinions by or required by the

Financial Accounting Standards Board or the American Institute of Certified Public Accountants (or any successor thereto or agencies with similar functions), which results in a material change in the method of accounting in the financial statements required to be furnished to the Bank hereunder or in the calculation of financial covenants, standards or terms contained in this Agreement, the parties hereto agree to enter into good faith negotiations to amend such provisions so as equitably to reflect such changes to the end that the criteria for evaluating the financial condition and performance of the Borrower will be the same after such changes as they were before such changes; and if the parties fail to agree on the amendment of such provisions, the Borrower will furnish financial statements in accordance with such changes, but shall provide calculations for all financial covenants, perform all financial covenants and otherwise observe all financial standards and terms in accordance with applicable accounting principles and practices in effect immediately prior to such changes. Calculations with respect to financial covenants required to be stated in accordance with applicable accounting principles and practices in effect immediately prior to such changes shall be reviewed and certified by the Borrower's accountants.

1.3 Other Terms Defined in UCC. All other capitalized words and phrases used herein and not otherwise specifically defined herein shall have the respective meanings assigned to such terms in the UCC, to the extent the same are used or defined therein.

1.4 Other Interpretive Provisions.

(a) The meanings of defined terms are equally applicable to the singular and plural forms of the defined terms. Whenever the context so requires, the neuter gender includes the masculine and feminine, the single number includes the plural, and vice versa, and in particular the word "Borrower" shall be so construed.

14

(b) Section and Schedule references are to this Agreement unless otherwise specified. The words "hereof", "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement.

(c) The term "including" is not limiting, and means "including, without limitation".

(d) In the computation of periods of time from a specified date to a later specified date, the word "from" means "from and including"; the words "to" and "until" each mean "to but excluding", and the word "through" means "to and including".

(e) Unless otherwise expressly provided herein, (i) references to agreements (including this Agreement and the other Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, supplements and other modifications thereto, but only to the extent such amendments, restatements, supplements and other modifications are not prohibited by the terms of any Loan Document, and (ii) references to any statute or regulation shall be construed as including all statutory and regulatory provisions amending, replacing, supplementing or interpreting such statute or regulation.

(f) To the extent any of the provisions of the other Loan Documents are inconsistent with the terms of this Agreement, the provisions of this Agreement shall govern.

(g) This Agreement and the other Loan Documents may use several different limitations, tests or measurements to regulate the same or similar matters. All such limitations, tests and measurements are cumulative and each shall be performed in accordance with its terms.

Section 2. COMMITMENT OF THE BANK.

2.1 Revolving Loan.

(a) Revolving Loan Commitment. Subject to the terms and conditions of this Agreement and the other Loan Documents, and in reliance upon the representations and warranties of the Borrower set forth herein and in the other Loan Documents, the Bank agrees to make such Revolving Loans at such times as the Borrower may from time to time request until, but not including, the Revolving Loan Maturity Date, and in such amounts as the Borrower may from time to time request, provided, however, that the aggregate principal balance of all Revolving Loans outstanding at any time shall not exceed the Revolving Loan Availability. Revolving Loans made by the Bank may be repaid and, subject to the terms and conditions hereof, borrowed again up to, but not including the Revolving Loan Maturity Date unless the Revolving Loans are otherwise accelerated, terminated or extended as provided in this Agreement. Except to the extent used to repay the Term Loan pursuant to Section 2.2(c), the Revolving Loans shall be used by the Borrower for the purpose of working capital.

(b) Revolving Loan Interest and Payments. Except as otherwise provided in this Section 2.1(b), the principal amount of the Revolving Loans outstanding from time to time shall bear interest at the applicable Revolving Interest Rate. Accrued and unpaid interest on the unpaid principal balance of all Revolving Loans outstanding from time to time shall be due and payable monthly, in arrears, commencing on May 1, 2016 and continuing on the first day of each calendar month thereafter. If not sooner paid, a final payment of all outstanding principal and accrued interest shall be due and payable on the Revolving Loan Maturity Date. From and after maturity, or after the occurrence and during the continuation of an Event of Default, interest on the outstanding principal balance of the Revolving Loans, at the option of the Bank, may accrue at the Default Rate and shall be payable upon demand from the Bank.

15

(c) Revolving Loan Principal Payments.

(i) Revolving Loan Mandatory Payments. All Revolving Loans hereunder shall be repaid by the Borrower on the Revolving Loan Maturity Date, unless payable sooner pursuant to the provisions of this Agreement. In the event the aggregate outstanding principal balance of all Revolving Loans and Obligations hereunder exceeds the Revolving Loan Availability, the Borrower shall, without notice or demand of any kind, immediately make such repayments of the Revolving Loan or take such other actions as are satisfactory to the Bank as shall be necessary to eliminate such excess.

(ii) Optional Prepayments. The Borrower may from time to time prepay the Revolving Loan, in whole or in part, without any prepayment penalty whatsoever, provided that any prepayment of the entire principal balance of the Revolving Loan shall include accrued interest on such Loan to the date of such prepayment. Notwithstanding the foregoing, if the Revolving Loan is prepaid pursuant to or through a refinancing of the Loans by another financial institution, there shall be a prepayment penalty of 1.5% of the outstanding principal balance together with accrued interest if prepaid during the first year of the Loan and 1.0% of the outstanding principal balance together with accrued interest if prepaid during the second year of the Loan. No prepayment penalty shall apply, regardless of the source of such funds, after the second year of the Loan, or to a prepayment made at any time from proceeds of a sale of all or a substantial part of the Borrower's assets or to a prepayment made at any time by the principals of the Borrower from a sale of their interests in the Borrower.

2.2 Term Loan.

(a) Term Loan Commitment. Subject to the terms and conditions of this Agreement and the other Loan Documents, and in reliance upon the representations and warranties of the Borrower set forth herein and in the other Loan Documents, the Bank agrees to make a Term Loan equal to the Term Loan

Commitment. The Term Loan shall be available to the Borrower in any number of principal advances on such date as the conditions set forth in Section 3 shall have been satisfied, however, not to exceed the maximum principal balance of the Term Loan. The Term Loan may be used by the Borrower for the purpose of refinancing existing indebtedness and for working capital purposes. The Term Loan may be prepaid in whole or in part at any time without penalty, but shall be due in full on the Term Loan Maturity Date, unless the credit extended under the Term Loan is otherwise accelerated, terminated or extended as provided in this Agreement. Term Loans made by the Bank may be repaid and, subject to the terms and conditions hereof, borrowed again up to the then current Term Loan Commitment and through the Term Loan Maturity Date unless the Term Loans are otherwise accelerated, terminated or extended as provided in this Agreement.

(b) Term Loan Principal/Interest Payments. The principal amount of the Term Loan outstanding from time to time shall bear interest at the applicable Term Interest Rate. If the outstanding principal balance of the Term Loan, as of the last day of any calendar quarter, is in excess of the then current Term Loan Commitment (as adjusted), Borrower shall deliver to Bank, within eight (8) days, a principal payment at least equal to the amount necessary to reduce the outstanding principal balance of the Term Loan to the then current Term Loan Commitment, or, alternatively, if Borrower does not timely deliver such principal payment, the Bank may draw upon the Revolving Loan to pay such amount. If not sooner paid, a final payment of all outstanding principal and accrued interest shall be due and payable on the Term Loan Maturity Date. From and after maturity, or after the occurrence and during the continuation of an Event of Default, interest on the outstanding principal balance of the Term Loan, at the option of the Bank, may accrue at the Default Rate and shall be payable upon demand from the Bank.

(c) Term Loan Optional Prepayments. The Borrower may voluntarily prepay the principal balance of the Term Loan, in whole or in part, without any prepayment penalty whatsoever, provided that any prepayment of the entire principal balance of the Term Loan shall include accrued interest on such Loan to the date of such prepayment. Notwithstanding the foregoing, if the Term Loan is prepaid pursuant to or through a refinancing of the Loans by another financial institution, there shall be a prepayment penalty of 1.5% of the outstanding principal balance together with accrued interest if prepaid during the first year of the Loan and 1.0% of the outstanding principal balance together with accrued interest if prepaid during the second year of the Loan. No prepayment penalty shall apply, regardless of the source of such funds, after the second year of the Term Loan, or to a prepayment made at any time from proceeds of a sale of all or a substantial part of the Borrower's assets or to a prepayment made at any time by the principals of the Borrower from a sale of their interests in the Borrower.

2.3 Additional LIBOR Provisions.

(a) LIBOR Unavailability. If the Bank determines in good faith (which determination shall be conclusive, absent manifest error) prior to the commencement of any Interest Period that (i) the making or maintenance of the Loan pursuant to the LIBOR Rate is not available, each existing Loan shall be immediately (i) converted to an applicable interest rate, based upon the U.S. Prime Rate, as is as nearly equivalent to the LIBOR Rate which was applicable for the Interest Period immediately preceding such conversion., without further demand, presentment, protest or notice of any kind, all of which are hereby waived by the Borrower.

(b) Indemnity. If as the result of any conversion or regulatory change, or compliance by the Bank or any Person controlling the Bank with any request or directive of any governmental authority, central bank or comparable agency (whether or not having the force of law) shall (a) impose, modify or deem applicable any assessment, reserve, special deposit or similar requirement against assets held by, or deposits in or for the account of or loans by, or any other acquisition of funds or disbursements by, the Bank; (b) subject the Bank or any Loan to any tax, duty, charge, stamp tax or fee or change the basis of taxation of payments to the Bank of principal or interest due from the Borrower to the Bank hereunder (other than a change in the taxation of the overall net income of the Bank); or (c) impose on the Bank any other condition regarding such Loan or the Bank's funding thereof, and the Bank shall determine (which determination shall be conclusive, absent manifest error) that the result of the foregoing is to increase the cost to, or to impose a cost on, the Bank or such controlling Person

of making or maintaining such Loan or to reduce the amount of principal or interest received by the Bank hereunder, then the Borrower shall pay to the Bank or such controlling Person, on demand, such additional amounts as the Bank shall, from time to time, determine are sufficient to compensate and indemnify the Bank for such increased cost or reduced amount.

2.4 Interest and Fee Computation; Collection of Funds. Except as otherwise set forth herein, all interest and fees shall be calculated on the basis of a year consisting of 360 days and shall be paid for the actual number of days elapsed. Principal payments submitted in funds not immediately available shall continue to bear interest until collected. If any payment to be made by the Borrower hereunder or under any Note shall become due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in computing any interest in respect of such payment. Notwithstanding anything to the contrary contained herein, the final payment due under any of the Loans must be made by wire transfer or other immediately available funds. All payments made by the Borrower hereunder or under any of the Loan Documents shall be made without setoff, counterclaim, or other defense. To the extent permitted by applicable law, all payments hereunder or under any of the Loan Documents (including any payment of principal, interest, or fees) to, or for the benefit, of any Person shall be made by the Borrower free and clear of, and without deduction or withholding for, or account of, any taxes now or hereinafter imposed by any taxing authority.

2.5 Late Charge. If any payment of interest or principal due hereunder is not made within ten (10) days after such payment is due in accordance with the terms hereof, then, in addition to the payment of the amount so due, the Borrower shall pay to the Bank a "late charge" of five cents for each whole dollar so overdue to defray part of the cost of collection and handling such late payment. The Borrower agrees that the damages to be sustained by the Bank for the detriment caused by any late payment are extremely difficult and impractical to ascertain, and that the amount of five cents for each one dollar due is a reasonable estimate of such damages, does not constitute interest, and is not a penalty.

2.6 Taxes. All payments made by the Borrower under this Agreement shall be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any governmental authority.

2.7 All Loans to Constitute Single Obligation. The Loans shall constitute one general obligation of the Borrower, and shall be secured by Bank's priority security interest in and Lien upon all of the Collateral and by all other security interests, Liens, claims and encumbrances heretofore, now or at any time or times hereafter granted by the Borrower to Bank.

Section 3. CONDITIONS OF BORROWING.

Notwithstanding any other provision of this Agreement, the Bank shall not be required to disburse, make or continue all or any portion of the Loans, if any of the following conditions shall have occurred.

3.6 Closing Costs. Payment by Borrower to Bank of all costs associated underwriting and closing of the Loans, including, but not limited to, up-front fees, legal fees, recording fees, and collateral exam costs.

4.1 Revolving Note. The Revolving Loans and the Obligations shall be evidenced by the Revolving Note. At the time of the initial disbursement of a Revolving Loan and at each time any additional Revolving Loan shall be requested hereunder or a repayment made in whole or in part thereon, a notation thereof shall be made on the books and records of the Bank. All amounts recorded shall be, absent manifest error, conclusive and binding evidence of (i) the principal amount of the Revolving Loans advanced hereunder and the amount of all Obligations, (ii) any accrued and unpaid interest owing on the Revolving Loans, and (iii) all amounts repaid on the Revolving Loans or the Obligations. The failure to record any such amount or any error in recording such amounts shall not, however, limit or otherwise affect the obligations of the Borrower under the Revolving Note to repay the principal amount of the Revolving Loans, together with all interest accruing thereon.

4.2 Term Note. The Term Loan shall be evidenced by the Term Note. At the time of the disbursement of the Term Loan or a repayment made in whole or in part thereon, a notation thereof shall be made on the books and records of the Bank. All amounts recorded shall be, absent demonstrable error, conclusive and binding evidence of (i) the principal amount of the Term Loan advanced hereunder, (ii) any accrued and unpaid interest owing on the Term Loan and (iii) all amounts repaid on the Term Loan. The failure to record any such amount or any error in recording such amounts shall not, however, limit or otherwise affect the obligations of the Borrower under the Term Note to repay the principal amount of the Term Loan, together with all interest accruing thereon.

Section 5. MANNER OF BORROWING.

5.1 Borrowing Procedures. Each Loan shall be made available to the Borrower upon any written, verbal, electronic, telephonic or telecopy loan request which the Bank in good faith believes to emanate from a properly authorized representative of the Borrower, whether or not that is in fact the case. Each such request shall be effective upon receipt by the Bank, shall be irrevocable, and shall specify the date, amount and type of borrowing and the initial Interest Period therefor. A request for any advance under any Loan must be (i) received by the Bank no later than 11:00 a.m. Denver, Colorado time, three days before the day it is to be funded, and (ii) in an amount equal to One Hundred Thousand and 00/100 Dollars (\$100,000.00) or a higher integral multiple of One Hundred Thousand and 001/00 Dollars (\$100,000.00). All monies so disbursed shall be a part of the Obligations, payable by the Borrower on demand from the Bank.

Section 6. SECURITY FOR THE OBLIGATIONS.

6.1 Security for Obligations. As security for the payment and performance of the Obligations, the Borrower does hereby pledge, assign, transfer, deliver and grant to the Bank, for its own benefit and as agent for its Affiliates, a continuing and unconditional first priority security interest in and to any and all property of the Borrower, of any kind or description, tangible or intangible, wheresoever located and whether now existing or hereafter arising or acquired, including the following (all of which property, along with the products and proceeds therefrom, are individually and collectively referred to as the "Collateral"):

(a) all property of, or for the account of, the Borrower now or hereafter coming into the possession, control or custody of, or in transit to, the Bank or any agent or bailee for the Bank or any parent, Affiliate or Subsidiary of the Bank or any participant with the Bank in the Loans (whether for safekeeping, deposit, collection, custody, pledge, transmission or otherwise), including all earnings, dividends, interest, or other rights in connection therewith and the products and proceeds therefrom, including the proceeds of insurance thereon;

21

(i) All Accounts and all goods whose sale, lease or other disposition by the Borrower has given rise to Accounts and have been returned to, or repossessed or stopped in transit by, the Borrower, or rejected or refused by an account debtor;

(ii) All Inventory, including raw materials, work-in-process and finished goods;

(iii) All goods (other than Inventory), including embedded software, equipment, vehicles, furniture and Fixtures;

(iv) All software and computer programs;

(vii) All Proceeds (whether cash proceeds or noncash proceeds) of the foregoing property, including all insurance policies and proceeds of insurance payable by reason of loss or damage to the foregoing property, including unearned premiums, and of eminent domain or condemnation awards.

6.2 Transfer of Collateral. The Borrower shall not sell, assign (by operation of law or otherwise), license, lease or otherwise dispose of, or grant any option with respect to any of the Collateral, except that the Borrower may sell Inventory in the ordinary course of business.

6.3 Financing Statements. The Borrower shall, at the Bank's request, at any time and from time to time, execute and deliver to the Bank such financing statements, amendments and other documents and do such acts as the Bank deems necessary in order to establish and maintain valid, attached and perfected first priority security interests in the Collateral in favor of the Bank, free and clear of all Liens and claims and rights of third parties whatsoever, except Permitted Liens. The Borrower hereby irrevocably authorizes the Bank at any time, and from time to time, to file in any jurisdiction any initial financing statements and amendments thereto without the signature of the Borrower that (a) indicate the Collateral (i) is comprised of all assets of the Borrower or words of similar effect, regardless of whether any particular asset comprising a part of the Collateral falls within the scope of Article 9 of the Uniform Commercial Code of the jurisdiction wherein such financing statement or amendment is filed, or (ii) as being of an equal or lesser scope or within greater detail as the grant of the security interest set forth herein, and (b) contain any other information required by Section 5 of Article 9 of the Uniform Commercial Code of the jurisdiction wherein such financing statement or amendment is filed regarding the sufficiency or filing office acceptance of any financing statement or amendment, including (i) whether the Borrower is an organization, the type of organization and any Organizational Identification Number issued to the Borrower, and (ii) in the case of a financing statement filed as a fixture filing or indicating Collateral as as-extracted collateral or timber to be cut, a sufficient description of the real property to which the Collateral relates. The Borrower hereby agrees that a photocopy or other reproduction of this Agreement is sufficient for filing as a financing statement and the Borrower authorizes the Bank to file this Agreement as a financing statement in any jurisdiction. The Borrower agrees to furnish any such information to the Bank promptly upon request. The Borrower further ratifies and affirms its authorization for any financing statements and/or amendments thereto, executed and filed by the Bank in any jurisdiction prior to the date of this Agreement. In addition, the Borrower shall make appropriate entries on its books and records disclosing the Bank's security interests in the Collateral.

6.4 Preservation of the Collateral. The Bank may, but is not required, to take such actions from time to time as the Bank deems appropriate to maintain or protect the Collateral. The Bank shall have exercised reasonable care in the custody and preservation of the Collateral if the Bank takes such action; provided, however, the Bank's responsibility for the safekeeping of the Collateral shall (i) be deemed reasonable if such Collateral is accorded treatment substantially equal to that which the Bank accords its own property, and (ii) not extend to matters beyond the control of the Bank, including acts of God, war, insurrection, riot or governmental actions. In addition, any failure of the Bank to preserve or protect any rights with respect to the Collateral against prior or third parties, or to do any act with respect to preservation of the Collateral shall not be deemed a failure to exercise reasonable care in the custody or preservation of the Collateral. The Borrower shall have the sole responsibility for taking such action as may be necessary, from time to time, to preserve all rights of the Borrower and the Bank in the Collateral against prior or third parties. Without limiting the generality of the foregoing, where Collateral consists in whole or in part of securities, the Borrower represents to, and covenants with, the Bank that the Borrower has made arrangements for keeping informed of changes or potential changes affecting the securities (including rights to convert or subscribe, payment of dividends, reorganization or other exchanges, tender offers and voting rights), and the Borrower agrees that the Bank shall have no responsibility or liability for informing the Borrower of any such or other changes or potential changes or for taking any action or omitting to take any action with respect thereto.

6.5 Other Actions as to any and all Collateral. The Borrower further agrees to take any other action reasonably requested by the Bank to ensure the attachment, perfection and first priority of, and the ability of the Bank to enforce, the Bank's security interest in any and all of the Collateral, including (a) causing the Bank's name to be noted as secured party on any certificate of title for a titled good if such notation is a condition to attachment, perfection or priority of, or ability of the bank to enforce, the Bank's security interest in such Collateral, (b) complying with any provision of any statute, regulation or treaty of the United States as to any Collateral if compliance with such provision is a condition to attachment, perfection or priority of, or ability of the Bank to enforce, the Bank's security interest in such Collateral, (c) making reasonable efforts to obtain governmental and other third party consents and approvals, including any consent of any licensor, lessor or other Person obligated on Collateral, (d) making reasonable efforts to obtain waivers from mortgagees and landlords in form and substance satisfactory to the Bank, and (e) taking all actions required by the UCC in effect from time to time or by other law, as applicable in any relevant UCC jurisdiction, or by other law as applicable in any foreign jurisdiction. The Borrower further agrees to indemnify and hold the Bank harmless against claims of any Persons not a party to this Agreement concerning disputes arising over the Collateral.

6.6 Electronic Chattel Paper and Transferable Records. If the Borrower at any time holds or acquires an interest in any electronic chattel paper or any "transferable record", as that term is defined in Section 201 of the federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, the Borrower shall promptly notify the Bank thereof and, at the request of the Bank, shall take such action as the Bank may reasonably request to vest in the Bank control under Section 9-105 of the UCC of such electronic chattel paper or control under Section 201 of the federal Electronic Signatures in Global and National Commerce Act or, as the case may be, Section 16 of the Uniform Electronic Transactions Act, as so in effect in such jurisdiction, of such transferable record. The Bank agrees with the Borrower that the Bank will arrange, pursuant to procedures satisfactory to the Bank and so long as such procedures will not result in the Bank's loss of control, for the Borrower to make alterations to the electronic chattel paper or transferable record permitted under Section 9-105 of the UCC or, as the case may be, Section 201 of the federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act for a party in control to make without loss of control.

The Borrower is duly organized, existing and in good standing under the laws of the jurisdiction of its organization, with full and adequate power to carry on and conduct its business as presently conducted. The Borrower is duly licensed or qualified in all foreign jurisdictions wherein the nature of its activities require such qualification or licensing, except for such jurisdictions where the failure to so qualify would not have a Material Adverse Effect. The Borrower's Organizational Identification Number is as set forth on Exhibit B. The exact legal name of the Borrower is as set forth in the first paragraph of this Agreement or Exhibit A, and the Borrower currently does not conduct, nor has it during the last five (5) years conducted, business under any other name or trade name other than the use of the trade name Perfect Teeth in connection with its management of the Managed PCs.

The execution and delivery of this Agreement and the other Loan Documents will not, nor will the observance or performance of any of the matters and things herein or therein set forth, violate or contravene any provision of law or of the articles of incorporation or bylaws of the Borrower. All necessary and appropriate action has been taken on the part of the Borrower to authorize the execution and delivery of this Agreement and the Loan Documents.

7.3 Validity and Binding Nature. This Agreement and the other Loan Documents are the legal, valid and binding obligations of the Borrower, enforceable against the Borrower in accordance with their terms, subject to bankruptcy, insolvency and similar laws affecting the enforceability of creditors' rights generally and to general principles of equity.

7.4 Consent; Absence of Breach. The execution, delivery and performance of this Agreement, the other Loan Documents and any other documents or instruments to be executed and delivered by the Borrower in connection with the Loans, and the borrowings by the Borrower hereunder, do not and will not (a) require any consent, approval, authorization of, or filings with, notice to or other act by or in respect of, any governmental authority or any other Person (other than any consent or approval which has been obtained and is in full force and effect); (b) conflict with (i) any provision of law or any applicable regulation, order, writ, injunction or decree of any court or governmental authority, (ii) the articles of incorporation or bylaws of the Borrower, or (iii) any material agreement, indenture, instrument or other document, or any judgment, order or decree, which is binding upon the Borrower or any of its properties or assets; or (c) require, or result in, the creation or imposition of any Lien on any asset of Borrower, other than Liens in favor of the Bank created pursuant to this Agreement.

7.5 Ownership of Properties; Liens. The Borrower is the sole owner or has other rights in all of its properties and assets, real and personal, tangible and intangible, of any nature whatsoever (including patents, trademarks, trade names, service marks and copyrights), free and clear of all Liens, charges and claims (including infringement claims with respect to patents, trademarks, service marks, copyrights and the like), other than Permitted Liens.

7.6 Equity Ownership. All issued and outstanding Capital Securities of the Borrower are duly authorized and validly issued, fully paid, non-assessable, and free and clear of all Liens other than those in favor of the Bank, if any, and such securities were issued in compliance with all applicable state and federal laws concerning the issuance of securities. As of the date hereof, there are no preemptive or other outstanding rights, options, warrants, conversion rights or other similar agreements or understandings for the purchase or acquisition of any Capital Securities of the Borrower, except for outstanding options granted to employees and directors of the Borrower to acquire shares of the Borrower's common stock which, if exercised, would not result in any expenditure of cash by the Borrower.

7.7 Intellectual Property. The Borrower owns and possesses or has a license or other right to use all Intellectual Property, as are necessary for the conduct of the businesses of the Borrower, without any infringement upon rights of others which could reasonably be expected to have a Material Adverse Effect upon the Borrower, and no material claim has been asserted and is pending by any Person challenging or questioning the use of any Intellectual Property or the validity or effectiveness of any Intellectual Property nor does the Borrower know of any valid basis for any such claim.

7.8 Financial Statements. All financial statements submitted to the Bank have been prepared in accordance with sound accounting practices and GAAP on a basis, except as otherwise noted therein, consistent with the previous fiscal year and present fairly the financial condition of the Borrower and the results of the operations for the Borrower and the Managed PCs on a consolidated basis as of such date and for the periods indicated. Since the date of the most recent financial statement submitted by the Borrower to the Bank, there has been no change in the financial condition or in the assets or liabilities of the Borrower having a Material Adverse Effect on the Borrower.

7.9 Litigation and Contingent Liabilities. There is no litigation, arbitration proceeding, demand, charge, claim, petition or governmental investigation or proceeding pending, or threatened, against the Borrower, which, if adversely determined, which might reasonably be expected to have a Material Adverse Effect upon the Borrower, except as set forth in Schedule 7.9. Other than any liability incident to such litigation or proceedings, the Borrower has no material guarantee obligations, contingent liabilities, liabilities for taxes, or any long-term leases or unusual forward or long-term commitments, including any interest rate or foreign currency swap or exchange transaction or other obligation in respect of derivatives, that are not fully-reflected or fully reserved for in the most recent financial statements delivered pursuant to subsection 8.8(a) or fully reflected or fully reserved for in the most recent statements delivered pursuant to subsection 8.8(b) and not permitted by Section 9.1.

7.10 Event of Default. No Event of Default or Unmatured Event of Default exists or would result from the incurrence by the Borrower of any of the Obligations hereunder or under any of the other Loan Document, and the Borrower is not in default (without regard to grace or cure periods) under any other contract or agreement to which it is a party.

7.11 Adverse Circumstances. No condition, circumstance, event, agreement, document, instrument, restriction, litigation or proceeding (or threatened litigation or proceeding or basis therefor) exists which (a) would have a Material Adverse Effect upon the Borrower, or (b) would constitute an Event of Default or an Unmatured Event of Default.

7.12 Environmental Laws and Hazardous Substances. The Borrower has not generated, used, stored, treated, transported, manufactured, handled, produced or disposed of any Hazardous Substances, on or off any of the premises of the Borrower (whether or not owned by it) in any manner which at any time violates any Environmental Law or any license, permit, certificate, approval or similar authorization thereunder. The Borrower will comply in all material respects with all Environmental Laws and will obtain all licenses, permits certificates, approvals and similar authorizations thereunder. There has been no investigation, proceeding, complaint, order, directive, claim, citation or notice by any governmental authority or any other Person, nor is any pending or, to the best of the Borrower's knowledge, threatened, and the Borrower shall immediately notify the Bank upon becoming aware of any such investigation, proceeding, complaint, order, directive, claim, citation or notice, and shall take prompt and appropriate actions to respond thereto, with respect to any non-compliance with, or violation of, the requirements of any Environmental Law by the Borrower or the release, spill or discharge, threatened or actual, of any Hazardous Material or the generation, use, storage, treatment, transportation, manufacture, handling, production or disposal of any Hazardous Material or any other environmental, health or safety matter, which affects the Borrower or its business, operations or assets or any properties at which the Borrower has transported, stored or disposed of any Hazardous Substances. The Borrower has no material liability, contingent or otherwise, in connection with a release, spill or discharge, threatened or actual, of any Hazardous Substances or the generation, use, storage, treatment, transportation, manufacture, handling, production or disposal of any Hazardous Material. The Borrower further agrees to allow the Bank or its agent access to the properties of the Borrower to confirm compliance with all Environmental Laws, and the Borrower shall, following determination by the Bank that there is non-compliance, or any condition which requires any action by or on behalf of the Borrower in order to avoid any non-compliance, with any Environmental Law, at the Borrower's sole expense, cause an independent environmental engineer acceptable to the Bank to conduct such tests of the relevant site as are appropriate, and prepare and deliver a report setting forth the result of such tests, a proposed plan for remediation and an estimate of the costs thereof.

7.13 Solvency, etc. As of the date hereof, and immediately prior to and after giving effect to the issuance of each Loan hereunder and the use of the proceeds thereof, (a) the fair value of the Borrower's assets is greater than the amount of its liabilities (including disputed, contingent and unliquidated liabilities) as such value is established and liabilities evaluated as required under the Section 548 of the Bankruptcy Code, (b) the present fair saleable value of the Borrower's assets is not less than the amount that will be required to pay the probable liability on its debts as they become absolute and matured, (c) the Borrower is able to realize upon its assets and pay its debts and other liabilities (including disputed, contingent and unliquidated liabilities) as they mature in the normal course of business, (d) the Borrower does not intend to, and does not believe that it will, incur debts or

liabilities beyond its ability to pay as such debts and liabilities mature, and (e) the Borrower is not engaged in business or a transaction, and is not about to engage in business or a transaction, for which its property would constitute unreasonably small capital.

7.14 ERISA Obligations. All Employee Plans of the Borrower meet the minimum funding standards of Section 302 of ERISA and 412 of the Internal Revenue Code where applicable, and each such Employee Plan that is intended to be qualified within the meaning of Section 401 of the Internal Revenue Code of 1986 is qualified. No withdrawal liability has been incurred under any such Employee Plans and no "Reportable Event" or "Prohibited Transaction" (as such terms are defined in ERISA), has occurred with respect to any such Employee Plans, unless approved by the appropriate governmental agencies. The Borrower has promptly paid and discharged all obligations and liabilities arising under the Employee Retirement Income Security Act of 1974 ("ERISA") of a character which if unpaid or unperformed might result in the imposition of a Lien against any of its properties or assets.

7.15 Labor Relations. Except as could not reasonably be expected to have a Material Adverse Effect, (i) there are no strikes, lockouts or other labor disputes against the Borrower or threatened, (ii) hours worked by and payment made to employees of the Borrower have not been in violation of the Fair Labor Standards Act or any other applicable law, and (iii) no unfair labor practice complaint is pending against the Borrower or threatened before any governmental authority.

7.16 Security Interest. This Agreement and the Security Agreement each create a valid security interest in favor of the Bank in the Collateral and, when properly perfected by filing in the appropriate jurisdictions, or by possession or control of such Collateral by the Bank or delivery of such Collateral to the Bank, shall constitute a valid, perfected, first-priority security interest in such Collateral.

7.17 Lending Relationship. The relationship hereby created between the Borrower and the Bank is and has been conducted on an open and arm's length basis in which no fiduciary relationship exists, and the Borrower has not relied and is not relying on any such fiduciary relationship in executing this Agreement and in consummating the Loans. The Bank represents that it will receive any Note payable to its order as evidence of a bank loan.

7.18 Business Loan. The Loans, including interest rate, fees and charges as contemplated hereby, (i) are business loans, (ii) are an exempted transaction under the Truth In Lending Act, 12 U.S.C. 1601 et seq., as amended from time to time, and (iii) do not, and when disbursed shall not, violate the provisions of the Colorado usury laws, any consumer credit laws or the usury laws of any state which may have jurisdiction over this transaction, the Borrower or any property securing the Loans.

7.19 Taxes. The Borrower has timely filed all tax returns and reports required by law to have been filed by it and has paid all taxes, governmental charges and assessments due and payable with respect to such returns, except any such taxes or charges which are being diligently contested in good faith by appropriate proceedings and for which adequate reserves in accordance with GAAP shall have been set aside on its books, are insured against or bonded over to the satisfaction of the Bank and the contesting of such payment does not create a Lien on the Collateral which is not a Permitted Lien. There is no controversy or objection pending, or threatened in respect of any tax returns of the Borrower. The Borrower has made adequate reserves on its books and records in accordance with GAAP for all taxes that have accrued but which are not yet due and payable.

7.20 Compliance with Regulation U. No portion of the proceeds of the Loans shall be used by the Borrower, or any Affiliate of the Borrower, either directly or indirectly, for the purpose of purchasing or carrying any margin stock, within the meaning of Regulation U as adopted by the Board of Governors of the Federal Reserve System or any successor thereto.

7.21 Governmental Regulation. The Borrower is not, or after giving effect to any loan, will not be, subject to regulation under any federal or state statute or regulation limiting its ability to incur indebtedness for borrowed money.

7.22 Bank Accounts. Within ninety (90) days after the date of this Agreement, all operating bank accounts and other Deposit Accounts of the Borrower, with the exception of those listed on Schedule 7.22 attached hereto, shall be transferred to and located at the Bank.

7.23 Place of Business. The principal place of business and books and records of the Borrower is set forth in the preamble to this Agreement. Except for items of equipment or inventory that are located at premises occupied by Managed PCs, and except for deposit accounts and operating accounts, the location of all Collateral is at such principal place of business, and the Borrower shall promptly notify the Bank of any change in such location(s). The Borrower will not remove or permit the Collateral to be removed from such location(s) without the prior written consent of the Bank, except for inventory sold in the usual and ordinary course of the Borrower's business.

7.24 Complete Information. This Agreement and all financial statements, schedules, certificates, confirmations, agreements, contracts, and other materials and information heretofore or contemporaneously herewith furnished in writing by the Borrower to the Bank for purposes of, or in connection with, this Agreement and the transactions contemplated hereby is, and all written information hereafter furnished by or on behalf of the Borrower to the Bank pursuant hereto or in connection herewith will be, true and accurate in every material respect on the date as of which such information is dated or certified, and none of such information is or will be incomplete by omitting to state any material fact necessary to make such information not misleading in light of the circumstances under which made (it being recognized by the Bank that any projections and forecasts provided by the Borrower are based on good faith estimates and assumptions believed by the Borrower to be reasonable as of the date of the applicable projections or assumptions and that actual results during the period or periods covered by any such projections and forecasts may differ from projected or forecasted results).

Section 8. AFFIRMATIVE COVENANTS.

8.1 Compliance with Bank Regulatory Requirements; Increased Costs. If the Bank shall reasonably determine that any Regulatory Change, or compliance by the Bank or any Person controlling the Bank with any request or directive (whether or not having the force of law) of any governmental authority, central bank or comparable agency has or would have the effect of reducing the rate of return on the Bank's or such controlling Person's capital as a consequence of the Bank's obligations hereunder to a level below that which the Bank or such controlling Person could have achieved but for such Regulatory Change or compliance (taking into consideration the Bank's or such controlling Person's policies with respect to capital adequacy) by an amount deemed by the Bank or such controlling Person to be material or would otherwise reduce the amount of any sum received or receivable by the Bank under this Agreement or under any Note with respect thereto, then from time to time, upon demand by the Bank (which demand shall be accompanied by a statement setting forth the basis for such demand and a calculation of the amount thereof in reasonable detail), the Borrower shall pay directly to the Bank or such controlling Person such additional amount as will compensate the Bank for such increased cost or such reduction, so long as such amounts have accrued on or after the day which is one hundred eighty days (180) days prior to the date on which the Bank first made demand therefor.

8.2 Borrower Existence. The Borrower shall at all times (a) preserve and maintain its existence and good standing in the jurisdiction of its organization, (b) preserve and maintain its qualification to do business and good standing in each jurisdiction where the nature of its business makes such qualification necessary (other than such jurisdictions in which the failure to be qualified or in good standing could not reasonably be expected

to have a Material Adverse Effect), and (c) continue as a going concern in the business which the Borrower is presently conducting.

8.3 Compliance With Laws. The Borrower shall use the proceeds of the Loans to refinance existing indebtedness and other general corporate or business purposes not in contravention of any requirements of law and not in violation of this Agreement, and shall comply in all respects, including the conduct of its business and operations and the use of its properties and assets, with all applicable laws, rules, regulations, decrees, orders, judgments, licenses and permits, except where failure to comply could not reasonably be expected to have a Material Adverse Effect. In addition, and without limiting the foregoing sentence, the Borrower shall (a) ensure, and cause each Subsidiary to ensure, that no person who owns a controlling interest in or otherwise controls the Borrower or any Subsidiary is or shall be listed on the Specially Designated Nationals and Blocked Person List or other similar lists maintained by the Office of Foreign Assets Control ("OFAC"), the Department of the Treasury or included in any Executive Orders, (b) not use or permit the use of the proceeds of the Loans to violate any of the foreign asset control regulations of OFAC or any enabling statute or Executive Order relating thereto, and (c) comply, and cause each Subsidiary to comply, with all applicable Bank Secrecy Act ("BSA") laws and regulations, as amended.

8.4 Payment of Taxes and Liabilities. The Borrower shall pay and discharge, prior to delinquency and before penalties accrue thereon, all property and other taxes, and all governmental charges or levies against it or any of the Collateral, as well as claims of any kind which, if unpaid, could become a Lien on any of its property; provided that the foregoing shall not require the Borrower to pay any such tax or charge so long as it shall contest the validity thereof in good faith by appropriate proceedings and shall set aside on its books adequate reserves with respect thereto in accordance with GAAP and, in the case of a claim which could become a Lien on any of the Collateral, such contest proceedings stay the foreclosure of such Lien or the sale of any portion of the Collateral to satisfy such claim.

8.5 Maintain Property. The Borrower shall at all times maintain, preserve and keep its property and equipment, including any Collateral, in good repair, working order and condition, normal wear and tear excepted, and shall from time to time make all needful and proper repairs, renewals, replacements, and additions thereto so that at all times the efficiency thereof shall be fully preserved and maintained. The Borrower shall permit the Bank to examine and inspect such property and equipment, including any Collateral, at all reasonable times.

8.6 Maintain Insurance. The Borrower shall at all times maintain with insurance companies reasonably acceptable to the Bank, such insurance coverage as may be required by any law or governmental regulation or court decree or order applicable to it and such other insurance, to such extent and against such hazards and liabilities, including employers', public and professional liability risks, as is customarily maintained by companies similarly situated, and shall have insured amounts no less than, and deductibles no higher than, are reasonably acceptable to the Bank. The Borrower shall furnish to the Bank a certificate setting forth in reasonable detail the nature and extent of all insurance maintained by the Borrower, which shall be reasonably acceptable in all respects to the Bank. The Borrower shall cause each issuer of an insurance policy to provide the Bank with an endorsement (i) showing the Bank as lender's loss payee with respect to each policy; and (ii) providing that thirty (30) days' notice will be given to the Bank prior to any cancellation of, material reduction or change in coverage provided by or other material modification to such policy. The Borrower shall execute and deliver to the Bank a collateral assignment, in form and substance satisfactory to the Bank, of each business interruption insurance policy maintained by the Borrower.

In the event the Borrower either fails to provide the Bank with evidence of the insurance coverage required by this Section or at any time hereafter shall fail to obtain or maintain any of the policies of insurance required above, or to pay any premium in whole or in part relating thereto, then the Bank, without waiving or releasing any obligation or default by the Borrower hereunder, may at any time (but shall be under no obligation to so act), obtain and maintain such policies of insurance and pay such premiums and take any other action with

respect thereto, which the Bank reasonably deems advisable. This insurance coverage (a) may, but need not, protect the Borrower's interests in such property, including the Collateral, and (b) may not pay any claim made by, or against, the Borrower in connection with such property, including the Collateral. The Borrower may later cancel any such insurance purchased by the Bank, but only after providing the Bank with evidence that the Borrower has obtained the insurance coverage required by this Section. If the Bank purchases insurance for the Collateral, the Borrower will be responsible for the costs of that insurance, including interest and any other charges that may be imposed with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to the principal amount of the Loans owing hereunder. The costs of the insurance may be more than the cost of the insurance the Borrower may be able to obtain on its own.

8.7 ERISA Liabilities; Employee Plans. The Borrower shall (i) keep in full force and effect any and all Employee Plans which are presently in existence or may, from time to time, come into existence under ERISA, and not withdraw from any such Employee Plans, unless such withdrawal can be effected or such Employee Plans can be terminated without liability to the Borrower; (ii) make contributions to all of such Employee Plans in a timely manner and in a sufficient amount to comply with the standards of ERISA; including the minimum funding standards of ERISA; (iii) comply with all material requirements of ERISA which relate to such Employee Plans; (iv) notify the Bank immediately upon receipt by the Borrower of any notice concerning the imposition of any withdrawal liability or of the institution of any proceeding or other action which may result in the termination of any such Employee Plans or the appointment of a trustee to administer such Employee Plans; (v) promptly advise the Bank of the occurrence of any "Reportable Event" or "Prohibited Transaction" (as such terms are defined in ERISA), with respect to any such Employee Plans; and (vi) amend any Employee Plan that is intended to be qualified within the meaning of Section 401 of the Internal Revenue Code of 1986 to the extent necessary to keep the Employee Plan qualified, and to cause the Employee Plan to be administered and operated in a manner that does not cause the Employee Plan to lose its qualified status.

8.8 Financial Statements. The Borrower shall at all times maintain a standard and modern system of accounting, on the accrual basis of accounting and in all respects in accordance with GAAP, on a consolidated basis that includes each Managed PC, and shall furnish to the Bank or its authorized representatives such information regarding the business affairs, operations and financial condition of the Borrower, including:

(a) promptly when available, and in any event, within one hundred twenty (120) days after the close of each of its fiscal years, a copy of the annual audited financial statements of the Borrower, with an unqualified opinion from Hein & Associates LLP of Denver, Colorado, or another accounting firm reasonably acceptable to Bank, including consolidated balance sheet, statement of income and retained earnings, statement of cash flows for the fiscal year then ended and such other information (including nonfinancial information) as the Bank may request, in reasonable detail, prepared and certified as accurate by the Borrower's treasurer or chief financial officer;

(b) promptly when available, and in any event, within thirty (30) days following the end of each month, a copy of the unaudited consolidated statement of income of the Borrower for the month then ended and such other information (including nonfinancial information) as the Bank may request, in reasonable detail, prepared and certified as true and correct by the Borrower's treasurer or chief financial officer;

(c) promptly when available, and in any event, within forty-five (45) days after the close of each fiscal quarter, the quarterly compliance certificates in form and substance reasonably satisfactory to Bank; and

(d) promptly when available, and in any event, within sixty (60) days after the close of each of its fiscal years, the annual financial projections of the Borrower in form and substance reasonably satisfactory to Bank.

No change with respect to such accounting principles shall be made by the Borrower without giving prior notification to the Bank. The Borrower represents and warrants to the Bank that the financial statements delivered to the Bank at or prior to the execution and delivery of this Agreement and to be delivered at all times thereafter accurately reflect and will accurately reflect the financial condition of the Borrower. The Bank shall have the right at all times during business hours to inspect the books and records of the Borrower and make extracts therefrom.

8.9 Subsidiary Financial Statements.

(a) Any Subsidiary of Borrower, created, acquired or coming into existence after the date hereof, shall promptly upon request by Bank, but in any event within 30 days after such Subsidiary is created, acquired or otherwise comes into existence, execute and deliver to Bank an absolute and unconditional guaranty of the timely repayment of the Loans and the due and punctual performance of the of the Obligations of Borrower, which guaranty shall be reasonably satisfactory to Bank in both form and substance. Borrower will cause any such Subsidiary to deliver to Bank, simultaneously with its delivery of such a guaranty, written evidence satisfactory to the Bank and its counsel that such Subsidiary has taken all company action necessary to duly approve and authorize its execution, delivery and performance of such guaranty and any other documents which it is required to execute.

(b) Any such Subsidiary shall (i) represent and warrant to the Bank that any financial statements of such Subsidiary that may be delivered to the Bank will fairly and accurately reflect the financial condition of such Subsidiary, and (ii) agree that the Bank shall have the right at all times during business hours to inspect the books and records of such Subsidiary and make extracts therefrom, The Borrower agrees to advise the Bank immediately of any development, condition or event that may have a Material Adverse Effect on any such Subsidiary.

8.10 Supplemental Financial Statements. The Borrower shall immediately upon receipt thereof, provide to the Bank copies of interim and supplemental reports if any, submitted to the Borrower by independent accountants in connection with any interim audit or review of the books of the Borrower.

8.11 Covenant Compliance Certificate. The Borrower shall, within thirty (45) days following the end of each fiscal quarter, deliver to the Bank a duly completed compliance certificate (a "Compliance Certificate"), certified as true and correct by an appropriate officer of the Borrower, containing a computation of each of the financial covenants set forth in Section 10 and stating that the Borrower has not become aware of any Event of Default or Unmatured Event of Default that has occurred and is continuing or, if there is any such Event of Default or Unmatured Event of Default describing it and the steps, if any, being taken to cure it.

8.12 Field Audits. The Borrower shall permit the Bank to inspect the tangible assets and/or other business operations of the Borrower and each Subsidiary, to perform appraisals of the equipment of the Borrower and each Subsidiary, and to inspect, audit, check and make copies of, and extracts from, the books, records, computer data, computer programs, journals, orders, receipts, correspondence and other data relating to inventory, accounts and any other Collateral, the results of which must be satisfactory to the Bank in the Bank's sole and absolute discretion. All such inspections or audits by the Bank shall be at the Borrower's sole expense, provided, however, that so long as no Event of Default or Unmatured Event of Default exists, the Borrower shall not be required to reimburse the Bank for inspections or audits more frequently than once each fiscal year.

8.13 Other Reports. The Borrower shall, within such period of time as the Bank may specify, deliver to the Bank such other schedules and reports as the Bank may require.

8.14 Collateral Records. The Borrower shall keep full and accurate books and records relating to the Collateral and shall mark such books and records to indicate the Bank's Lien in the Collateral, including placing a legend, in form and content acceptable to the Bank, on (i) all chattel paper created by the Borrower indicating that the Bank has a Lien in such chattel paper, and (ii) all pieces of equipment with a value that is greater than Fifty Thousand and 00/100 Dollars (\$50,000.00).

8.17 Notice of Event of Default or Material Adverse Effect. The Borrower shall, immediately after the commencement thereof, give notice to the Bank in writing of the occurrence of any Event of Default or any Unmatured Event of Default, or the occurrence of any condition or event having a Material Adverse Effect.

8.18 Environmental Matters. If any release or threatened release or other disposal of Hazardous Substances shall occur or shall have occurred on any real property or any other assets of the Borrower, the Borrower shall cause the prompt containment and removal of such Hazardous Substances and the remediation of such real property or other assets as necessary to comply with all Environmental Laws and to preserve the value of such real property or other assets. Without limiting the generality of the foregoing, the Borrower shall comply with any Federal or state judicial or administrative order requiring the performance at any real property of the Borrower of activities in response to the release or threatened release of a Hazardous Substance.  - (c) Investments in Managed PCs, to the extent permitted by Section 9.6;
-
- (d) Investments in the Borrower's common Capital Securities, to the extent permitted by Section 9.6;
 - (e) Cash Equivalent Investments; and
 - (f) Investments in securities of account debtors received pursuant to any plan of reorganization or similar arrangement upon the bankruptcy or insolvency of such account debtors, provided, however, that (i) any Investment which when made complies with the requirements of the definition of the term

"Cash Equivalent Investment" may continue to be held notwithstanding that such Investment if made thereafter would not comply with such requirements; and (ii) no Investment otherwise permitted by subsections (b), (c) or (d) shall be permitted to be made if, immediately before or after giving effect thereto, any Event of Default or Unmatured Event of Default exists.

9.4 Transfer; Merger; Sales. Unless the Obligations are fully satisfied and paid in full in connection therewith, the Borrower shall not, whether in one transaction or a series of related transactions, (a) be a party to any merger or consolidation, or purchase or otherwise acquire all or substantially all of the assets or any Capital Securities of any class of, or any partnership or joint venture interest in, any other Person, except for (i) any such merger, consolidation, sale, transfer, conveyance, lease or assignment of or by any Wholly-Owned Subsidiary into the Borrower or into any other domestic Wholly-Owned Subsidiary; (ii) any such purchase or other acquisition by the Borrower or any domestic Wholly-Owned Subsidiary of the assets or equity interests of any Wholly-Owned Subsidiary, (b) sell, transfer, convey or lease all or any substantial part of its assets or Capital Securities (including the sale of Capital Securities of any Subsidiary), except for sales of inventory in the ordinary course of business, or (c) sell or assign, with or without recourse, any receivables.

9.5 Issuance of Capital Securities. The Borrower shall not issue any Capital Securities other than (a) any issuance of shares of the Borrower's common Capital Securities, or (b) any issuance of Capital Securities by a Subsidiary to the Borrower or another Subsidiary in accordance with Section 9.6. Notwithstanding the foregoing, Borrower shall not enter into any new debt obligations, convertible debt, mezzanine financing or other financing transactions which result in contractual or required payment obligations.

9.6 Distributions. During calendar year 2016, without the Bank's prior written consent, which may be withheld in the Bank's sole discretion, the Borrower shall not (a) make any distribution or dividend (other than stock dividends), whether in cash or otherwise, to any of its equity holders, (b) purchase or redeem any of its equity interests or any warrants, options or other rights in respect thereof, (c) pay any management fees or similar fees to any of its equity holders or any Affiliate thereof, (d) pay or prepay interest on, principal of, premium, if any, redemption, conversion, exchange, purchase, retirement, defeasance, or sinking fund, or (e) set aside funds for any of the foregoing; *provided, however*, Borrower shall be allowed to pay Taxes as and when Taxes are presently due and payable. Commencing in 2017, provided no Event of Default has occurred and is continuing, Borrower may pay dividends, repurchase its common stock, and invest in existing or new Managed PCs so long as Borrower's FCCR would remain greater than 1.20 to 1.00 after giving effect to such dividends, repurchases and investments.

9.7 Transactions with Affiliates. The Borrower shall not, directly or indirectly, enter into or permit to exist any transaction with any of its Affiliates or with any director, officer or employee of the Borrower other than transactions in the ordinary course of, and pursuant to the reasonable requirements of, the business of the Borrower and upon fair and reasonable terms which are fully disclosed to the Bank and are no less favorable to the Borrower than would be obtained in a comparable arm's length transaction with a Person that is not an Affiliate of the Borrower. Subject to Events of Default and the security interests granted, the Bank consents to the Borrower's continued performance of its obligations and exercise of its rights under Management Agreements consistent with the terms of such Management Agreements.

9.8 Unconditional Purchase Obligations. The Borrower shall not enter into or be a party to any contract for the purchase of materials, supplies or other property or services if such contract requires that payment be made by it regardless of whether delivery is ever made of such materials, supplies or other property or services.

9.9 Cancellation of Debt. The Borrower shall not cancel any claim or debt owing to it, except for reasonable consideration or in the ordinary course of business.

9.10 Inconsistent Agreements. The Borrower shall not enter into any agreement containing any provision which would (a) be violated or breached by any borrowing by the Borrower hereunder or by the performance by the Borrower or any Subsidiary of any of its Obligations hereunder or under any other Loan Document, (b) prohibit the Borrower or any Subsidiary from granting to the Bank a Lien on any of its assets or (c) create or permit to exist or become effective any encumbrance or restriction on the ability of any Subsidiary to (i) pay dividends or make other distributions to the Borrower or any other Subsidiary, or pay any Debt owed to the Borrower or any other Subsidiary, (ii) make loans or advances to the Borrower or any other Subsidiary, or (iii) transfer any of its assets or properties to the Borrower or any other Subsidiary, other than (A) customary restrictions and conditions contained in agreements relating to the sale of all or a substantial part of the assets of any Subsidiary pending such sale, provided that such restrictions and conditions apply only to the Subsidiary to be sold and such sale is permitted hereunder, (B) restrictions or conditions imposed by any agreement relating to purchase money Debt, Capital Leases and other secured Debt permitted by this Agreement if such restrictions or conditions apply only to the property or assets securing such Debt, and (C) customary provisions in leases and other contracts restricting the assignment thereof.

9.11 Use of Proceeds. Except as expressly permitted under this Agreement, neither the Borrower nor any of its Subsidiaries or Affiliates shall use any portion of the proceeds of the Loans, either directly or indirectly, for the purpose of purchasing any securities.

9.12 Bank Accounts. The Borrower shall not establish any new Deposit Accounts or other bank accounts, other than Deposit Accounts or other bank accounts established at or with the Bank without the prior written consent of the Bank.

9.13 Business Activities; Change of Legal Status and Organizational Documents. The Borrower shall not (a) engage in any line of business other than the businesses engaged in on the date hereof and businesses reasonably related thereto, (b) change its name, its Organizational Identification Number, if it has one, its type of organization, its jurisdiction of organization or other legal structure, or (b) permit its charter, bylaws or other organizational documents to be amended or modified in any way which could reasonably be expected to materially adversely affect the interests of the Bank.

Section 10. FINANCIAL COVENANTS.

10.1 Maximum Total Cash Flow Leverage Ratio. The Maximum Total Cash Flow Leverage Ratio ("CFL"), which shall be equal to the ratio of Funded Debt to annualized EBITDA, based on the prior six-month period for June 30, 2016 and the prior nine-month period for September 30, 2016, and thereafter for the prior twelve-month period as set forth below:

Quarter Ending	Required Funded Debt/EBITDA

10.2 Net Worth. At all times the Borrower shall maintain Net Worth in an amount not less than One Million and 00/100 Dollars (\$1,000,000.00), which Net Worth requirement shall increase, if at all, on December

31 of each calendar year, commencing on December 31, 2017, in an amount equal to 25% of Borrower's consolidated Net Income (AFTER TAXES) as set forth in Borrower's financial information for the first reporting period after the end of such calendar year, however, in no event shall such Net Worth requirement decrease from the Net Worth established and/or required for the prior calendar year.

10.3 Fixed Charge Coverage. As of the end of each of its fiscal quarters, the Borrower shall maintain a Fixed Charge Coverage Ratio of not less than 1.35 to 1.00.

Section 11. EVENTS OF DEFAULT.

The Borrower, without notice or demand of any kind, shall be in default under this Agreement upon the occurrence of any of the following events (each an "Event of Default").

11.1 Nonpayment of Obligations. Any amount due and owing on any Note or any of the Obligations, whether by its terms or as otherwise provided herein, is not paid when due or within ten (10) days thereafter.

37

11.2 Misrepresentation. Any warranty, representation, certificate or statement of any Obligor in this Agreement, the other Loan Documents or any other agreement with the Bank shall be false in any material respect when made or at any time thereafter, or if any financial data or any other information now or hereafter furnished to the Bank by or on behalf of any Obligor shall prove to be false, inaccurate or misleading in any material respect when made.

11.3 Nonperformance. Any failure to perform or default in the performance of any covenant, condition or agreement contained in this Agreement, or in the other Loan Documents or any other agreement with the Bank, if such failure or default continues for twenty (20) days after the earlier of (i) the date on which such failure first becomes actually known to an executive officer of Borrower, or (ii) the date written notice thereof is given to Borrower by the Bank; provided that if such default is of such a nature that it is not reasonably susceptible to cure within twenty (20) days, then within a reasonable time thereafter provided Borrower shall have begun to cure such default within the initial twenty (20) day period and continues to diligently prosecute the same to completion.

11.4 Default under Loan Documents. A default under any of the other Loan Documents, all of which covenants, conditions and agreements contained therein are hereby incorporated in this Agreement by express reference, that is not cured within any applicable grace period, shall be and constitute an Event of Default under this Agreement and any other of the Obligations.

11.5 Default under Other Debt. Any default by any Obligor in the payment of any Debt for any other obligation beyond any period of grace provided with respect thereto or in the performance of any other term, condition or covenant contained in any agreement (including any capital or operating lease or any agreement in connection with the deferred purchase price of property) under which any such obligation is created, the effect of which default is to cause or permit the holder of such obligation (or the other party to such other agreement) to cause such obligation to become due prior to its stated maturity or terminate such other agreement.

11.6 Other Material Obligations. Any default in the payment when due, or in the performance or observance of, any material obligation of, or condition agreed to by, any Obligor with respect to any material purchase or lease of goods or services where such default, singly or in the aggregate with all other such defaults, has a Material Adverse Effect on the Borrower.

11.7 Bankruptcy, Insolvency, etc. Any Obligor becomes insolvent or generally fails to pay, or admits in writing its inability or refusal to pay, debts as they become due; or any Obligor applies for, consents to, or acquiesces in the appointment of a trustee, receiver or other custodian for such Obligor or any property thereof, or makes a general assignment for the benefit of creditors; or, in the absence of such application, consent or acquiescence, a trustee, receiver or other custodian is appointed for any Obligor or for a substantial part of the property of any thereof; or any bankruptcy, reorganization, debt arrangement, or other case or proceeding under any bankruptcy or insolvency law, or any dissolution or liquidation proceeding, is commenced in respect of any Obligor and is not dismissed within sixty (60) days after the commencement thereof; or any Obligor takes any action to authorize, or in furtherance of, any of the foregoing.

11.8 Judgments. The entry of any final judgment, decree, levy, attachment, garnishment or other process, or the filing of any Lien against any Obligor, which is not fully covered by insurance, unless such final judgment, decree, levy, attachment, garnishment, process or Lien is (a) less than \$100,000.00, and (b) enforcement thereof is stayed by appeal or otherwise within fifteen (15) days after the entry or filing thereof, as the case may be.

11.9 Collateral Impairment. The entry of any judgment, decree, levy, attachment, garnishment or other process, or the filing of any Lien against, any of the Collateral or any collateral under a separate security agreement securing any of the Obligations, or the loss, theft, destruction, seizure or forfeiture, or the occurrence of any material deterioration or impairment of any of the Collateral or any of the collateral under any security agreement securing any of the Obligations, or any material decline or depreciation in the value or market price thereof (whether actual or reasonably anticipated), which causes the Collateral, in the sole opinion of the Bank acting in good faith, to become unsatisfactory as to value or character, or which causes the Bank to reasonably believe that it is insecure and that the likelihood for repayment of the Obligations is or will soon be impaired, time being of the essence. The cause of such deterioration, impairment, decline or depreciation shall include, but is not limited to, the failure by the Borrower to do any act deemed reasonably necessary by the Bank to preserve and maintain the value and collectability of the Collateral.

11.10 Change in Control. The occurrence of any Change in Control that is not approved in writing by the Bank.

11.11 Material Adverse Effect. The occurrence of any development, condition, event or material legislative change or regulatory update, which has a Material Adverse Effect on the Borrower or any guarantor.

11.12 Subordinated Debt. The subordination provisions of any material Subordinated Debt shall for any reason be revoked or invalid or otherwise cease to be in full force and effect.

11.13 Death of Individual. The death or legal declaration of incompetency of any Obligor who is a natural person, provided, however, the death of any guarantor shall not constitute an Event of Default hereunder if within sixty (60) days following such death or determination of legal incompetency, a substitute guarantor whose creditworthiness and business experience and skills are comparable to those of the original guarantor and who is otherwise reasonably acceptable to the Bank, executes a guaranty in favor of the Bank in form and substance substantially similar to the previous guarantor.

Section 12. REMEDIES.

Upon the occurrence of an Event of Default, the Bank shall have all rights, powers and remedies set forth in the Loan Documents, in any written agreement or instrument (other than this Agreement or the Loan Documents) relating to any of the Obligations or any security therefor, as a secured party under the UCC or as otherwise provided at law or in equity. Without limiting the generality of the foregoing, the Bank may, at its

option upon the occurrence of an Event of Default, (i) appoint, *ex parte*, a receiver for the Borrower and/or its Subsidiaries, (ii) declare its commitments to the Borrower to be terminated and all Obligations to be immediately due and payable, provided, however, that upon the occurrence of an Event of Default under Section 11.7, all commitments of the Bank to the Borrower shall immediately terminate and all Obligations shall be automatically due and payable, all without demand, notice or further action of any kind required on the part of the Bank, and (iii) pursue any other remedies available at law or in equity. Except as otherwise provided in the Loan Documents, the Borrower hereby waives any and all presentment, demand, notice of dishonor, protest, and all other notices and demands in connection with the enforcement of Bank's rights under the Loan Documents, and hereby consents to, and waives notice of release, with or without consideration, of the Borrower or any guarantor of any Collateral. In addition to the foregoing:

12.1 Possession and Assembly of Collateral. The Bank may, without notice, demand or legal process of any kind, take possession of any or all of the Collateral (in addition to Collateral of which the Bank already has possession), wherever it may be found, and for that purpose may pursue the same wherever it may be found, and may at any time enter into any of the Borrower's premises where any of the Collateral may be or is supposed to be, and search for, take possession of, remove, keep and store any of the Collateral until the same shall be sold or otherwise disposed of and the Bank shall have the right to store and conduct a sale of the same in any of the Borrower's premises without cost to the Bank. At the Bank's request, the Borrower will, at the Borrower's sole expense, assemble the Collateral and make it available to the Bank at a place or places to be designated by the Bank which is reasonably convenient to the Bank and the Borrower.

12.2 Sale of Collateral. The Bank may sell any or all of the Collateral at public or private sale, upon such terms and conditions as the Bank may deem proper, and the Bank may purchase any or all of the Collateral at any such sale. The Borrower acknowledges that the Bank may be unable to effect a public sale of all or any portion of the Collateral because of certain legal and/or practical restrictions and provisions which may be applicable to the Collateral and, therefore, may be compelled to resort to one or more private sales to a restricted group of offerees and purchasers. The Borrower consents to any such private sale so made even though at places and upon terms less favorable than if the Collateral were sold at public sale. The Bank shall have no obligation to clean-up or otherwise prepare the Collateral for sale. The Bank may apply the net proceeds, after deducting all costs, expenses, attorneys' and paralegals' fees incurred or paid at any time in the collection, protection and sale of the Collateral and the Obligations, to the payment of any Note and/or any of the other Obligations, returning the excess proceeds, if any, to the Borrower. The Borrower shall remain liable for any amount remaining unpaid after such application, with interest at the Default Rate. Any notification of intended disposition of the Collateral required by law shall be conclusively deemed reasonably and properly given if given by the Bank at least ten (10) calendar days before the date of such disposition. The Borrower hereby confirms, approves and ratifies all acts and deeds of the Bank relating to the foregoing, and each part thereof, and expressly waives any and all claims of any nature, kind or description which it has or may hereafter have against the Bank or its representatives, by reason of taking, selling or collecting any portion of the Collateral. The Borrower consents to releases of the Collateral at any time (including prior to default) and to sales of the Collateral in groups, parcels or portions, or as an entirety, as the Bank shall deem appropriate. The Borrower expressly absolves the Bank from any loss or decline in market value of any Collateral by reason of delay in the enforcement or assertion or non-enforcement of any rights or remedies under this Agreement.

12.3 Standards for Exercising Remedies. To the extent that applicable law imposes duties on the Bank to exercise remedies in a commercially reasonable manner, the Borrower acknowledges and agrees that it is not commercially unreasonable for the Bank (a) to fail to incur expenses reasonably deemed significant by the Bank to prepare Collateral for disposition or otherwise to complete raw material or work-in-process into finished goods or other finished products for disposition, (b) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of, (c) to fail to exercise collection remedies against account debtors or other Persons obligated on Collateral or to remove liens or encumbrances on or any adverse claims against Collateral, (d) to exercise collection remedies against account debtors and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (e) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the

Collateral is of a specialized nature, (f) to contact other Persons, whether or not in the same business as the Borrower, for expressions of interest in acquiring all or any portion of the Collateral, (g) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the collateral is of a specialized nature, (h) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets, (i) to dispose of assets in wholesale rather than retail markets, (j) to disclaim disposition warranties, including any warranties of title, (k) to purchase insurance or credit enhancements to insure the Bank against risks of loss, collection or disposition of Collateral or to provide to the Bank a guaranteed return from the collection or disposition of Collateral, or (l) to the extent deemed appropriate by the Bank, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Bank in the collection or disposition of any of the Collateral. The Borrower acknowledges that the purpose of this section is to provide non-exhaustive indications of what actions or omissions by the Bank would not be commercially unreasonable in the Bank's exercise of remedies against the Collateral and that other actions or omissions by the Bank shall not be deemed commercially unreasonable solely on account of not being indicated in this section. Without limitation upon the foregoing, nothing contained in this section shall be construed to grant any rights to the Borrower or to impose any duties on the Bank that would not have been granted or imposed by this Agreement or by applicable law in the absence of this section.

12.4 UCC and Offset Rights. The Bank may exercise, from time to time, any and all rights and remedies available to it under the UCC or under any other applicable law in addition to, and not in lieu of, any rights and remedies expressly granted in this Agreement or in any other agreements between any Obligor and the Bank, and may, without demand or notice of any kind, appropriate and apply toward the payment of such of the Obligations, whether matured or unmatured, including costs of collection and attorneys' and paralegals' fees, and in such order of application as the Bank may, from time to time, elect, any indebtedness of the Bank to any Obligor, however created or arising, including balances, credits, deposits, accounts or moneys of such Obligor in the possession, control or custody of, or in transit to the Bank. The Borrower, on behalf of itself and each Obligor, hereby waives the benefit of any law that would otherwise restrict or limit the Bank in the exercise of its right, which is hereby acknowledged, to appropriate at any time hereafter any such indebtedness owing from the Bank to any Obligor.

12.5 Additional Remedies. The Bank shall have the right and power to:

(a) instruct the Borrower, at its own expense, to notify any parties obligated on any of the Collateral, including any account debtors, to make payment directly to the Bank of any amounts due or to become due thereunder, or the Bank may directly notify such obligors of the security interest of the Bank, and/or of the assignment to the Bank of the Collateral and direct such obligors to make payment to the Bank of any amounts due or to become due with respect thereto, and thereafter, collect any such amounts due on the Collateral directly from such Persons obligated thereon;

(b) enforce collection of any of the Collateral, including any Accounts, by suit or otherwise, or make any compromise or settlement with respect to any of the Collateral, or surrender, release or exchange all or any part thereof, or compromise, extend or renew for any period (whether or not longer than the original period) any indebtedness thereunder;

(c) take possession or control of any proceeds and products of any of the Collateral, including the proceeds of insurance thereon;

(d) extend, renew or modify for one or more periods (whether or not longer than the original period) any Note, any other of the Obligations, any obligation of any nature of any other obligor with respect to any Note or any of the Obligations;

(e) grant releases, compromises or indulgences with respect to any Note, any of the Obligations, any extension or renewal of any of the Obligations, any security therefor, or to any other obligor with respect to any Note or any of the Obligations;

(f) transfer the whole or any part of securities which may constitute Collateral into the name of the Bank or the Bank's nominee without disclosing, if the Bank so desires, that such securities so transferred are subject to the security interest of the Bank, and any corporation, association, or any of the managers or trustees of any trust issuing any of such securities, or any transfer agent, shall not be bound to inquire, in the event that the Bank or such nominee makes any further transfer of such securities, or any portion thereof, as to whether the Bank or such nominee has the right to make such further transfer, and shall not be liable for transferring the same;

(g) vote the Collateral;

(h) make an election with respect to the Collateral under Section 1111 of the Bankruptcy Code or take action under Section 364 or any other section of the Bankruptcy Code; provided, however, that any such action of the Bank as set forth herein shall not, in any manner whatsoever, impair or affect the liability of the Borrower hereunder, nor prejudice, waive, nor be construed to impair, affect, prejudice or waive the Bank's rights and remedies at law, in equity or by statute, nor release, discharge, nor be construed to release or discharge, the Borrower, any guarantor or other Person liable to the Bank for the Obligations; and

(i) at any time, and from time to time, accept additions to, releases, reductions, exchanges or substitution of the Collateral, without in any way altering, impairing, diminishing or affecting the provisions of this Agreement, the Loan Documents, or any of the other Obligations, or the Bank's rights hereunder, under any Note or under any of the other Obligations.

The Borrower hereby ratifies and confirms whatever the Bank may do with respect to the Collateral and agrees that the Bank shall not be liable for any error of judgment or mistakes of fact or law with respect to actions taken in connection with the Collateral.

12.6 Attorney-in-Fact. Upon an Event of Default, after expiration of all applicable cure periods, the Borrower hereby irrevocably makes, constitutes and appoints the Bank (and any officer of the Bank or any Person designated by the Bank for that purpose) as the Borrower's true and lawful proxy and attorney-in-fact (and agent-in-fact) in the Borrower's name, place and stead, with full power of substitution, to (i) take such actions as are permitted in this Agreement, (ii) execute such financing statements and other documents and to do such other acts as the Bank may require to perfect and preserve the Bank's security interest in, and to enforce such interests in the endorsing the Borrower's name to checks, drafts, instruments and other items of payment, and proceeds of the Collateral, executing change of address forms with the postmaster of the United States Post Office serving the address of the Borrower, changing the address of the Borrower to that of the Bank, opening all envelopes addressed to the Borrower and applying any payments contained therein to the Obligations. The Borrower hereby acknowledges that the constitution and appointment of such proxy and attorney-in-fact are coupled with an interest and are irrevocable. The Borrower hereby ratifies and confirms all that such attorney-in-fact may do or cause to be done by virtue of any provision of this Agreement.

12.7 No Marshaling. The Bank shall not be required to marshal any present or future collateral security (including this Agreement and the Collateral) for, or other assurances of payment of, the Obligations or

any of them or to resort to such collateral security or other assurances of payment in any particular order. To the extent that it lawfully may, the Borrower hereby agrees that it will not invoke any law relating to the marshaling of collateral which might cause delay in or impede the enforcement of the Bank's rights under this Agreement or under any other instrument creating or evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, the Borrower hereby irrevocably waives the benefits of all such laws.

12.8 Application of Proceeds. The Bank will within three (3) Business Days after receipt of cash or solvent credits from collection of items of payment, proceeds of Collateral or any other source, apply the whole or any part thereof against the Obligations secured hereby. The Bank shall further have the exclusive right to determine how, when and what application of such payments and such credits shall be made on the Obligations, and such determination shall be conclusive upon the Borrower. Any proceeds of any disposition by the Bank of all or any part of the Collateral may be first applied by the Bank to the payment of expenses incurred by the Bank in connection with the Collateral, including attorneys' fees and legal expenses as provided for in Section 13 hereof.

12.9 No Waiver. No Event of Default shall be waived by the Bank except in writing. No failure or delay on the part of the Bank in exercising any right, power or remedy hereunder shall operate as a waiver of the exercise of the same or any other right at any other time; nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. There shall be no obligation on the part of the Bank to exercise any remedy available to the Bank in any order. The remedies provided for herein are cumulative and not exclusive of any remedies provided at law or in equity. The Borrower agrees that in the event that the Borrower fails to perform, observe or discharge any of its Obligations or liabilities under this Agreement or any other agreements with the Bank, no remedy of law will provide adequate relief to the Bank, and further agrees that the Bank shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving actual damages.

Section 13. MISCELLANEOUS.

13.1 Obligations Absolute. None of the following shall affect the Obligations of the Borrower to the Bank under this Agreement or the Bank's rights with respect to the Collateral:

(a) acceptance or retention by the Bank of other property or any interest in property as security for the Obligations;

(b) release by the Bank of the Borrower or any guarantor or all or any part of the Collateral or any party liable with respect to the Obligations;

(c) release, extension, renewal, modification or substitution by the Bank of any Note, or any note evidencing any of the Obligations, or the compromise of the liability of any guarantor of the Obligations; or

(d) failure of the Bank to resort to any other security or to pursue the Borrower or any other obligor liable for any of the Obligations before resorting to remedies against the Collateral.

13.2 Entire Agreement. This Agreement and the other Loan Documents (i) are valid, binding and enforceable against the Borrower and the Bank in accordance with their respective provisions and no conditions exist as to their legal effectiveness; (ii) constitute the entire agreement between the parties with respect to the subject matter hereof and thereof; and (iii) are the final expression of the intentions of the Borrower and the Bank. No promises, either expressed or implied, exist between the Borrower and the Bank, unless contained herein or

therein. This Agreement, together with the other Loan Documents, supersedes all negotiations, representations, warranties, commitments, term sheets, discussions, negotiations, offers or contracts (of any kind or nature, whether oral or written) prior to or contemporaneous with the execution hereof with respect to any matter, directly or indirectly related to the terms of this Agreement and the other Loan Documents. This Agreement and the other Loan Documents are the result of negotiations among the Bank, the Borrower and the other parties thereto, and have been reviewed (or have had the opportunity to be reviewed) by counsel to all such parties, and are the products of all parties. Accordingly, this Agreement and the other Loan Documents shall not be construed more strictly against the Bank merely because of the Bank's involvement in their preparation.

13.3 Amendments; Waivers. No delay on the part of the Bank in the exercise of any right, power or remedy shall operate as a waiver thereof, nor shall any single or partial exercise by the Bank of any right, power or remedy preclude other or further exercise thereof, or the exercise of any other right, power or remedy. No amendment, modification or waiver of, or consent with respect to, any provision of this Agreement or the other Loan Documents shall in any event be effective unless the same shall be in writing and acknowledged by the Bank, and then any such amendment, modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

13.4 WAIVER OF DEFENSES. THE BORROWER, ON BEHALF OF ITSELF AND ANY GUARANTOR OF ANY OF THE OBLIGATIONS, WAIVES TO THE EXTENT PERMITTED BY LAW EVERY PRESENT AND FUTURE DEFENSE, CAUSE OF ACTION, COUNTERCLAIM OR SETOFF WHICH THE BORROWER MAY NOW HAVE OR HEREAFTER MAY HAVE TO ANY ACTION BY THE BANK IN ENFORCING THIS AGREEMENT. PROVIDED THE BANK ACTS IN GOOD FAITH, THE BORROWER RATIFIES AND CONFIRMS WHATEVER THE BANK MAY DO PURSUANT TO THE TERMS OF THIS AGREEMENT. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE BANK GRANTING ANY FINANCIAL ACCOMMODATION TO THE BORROWER.

13.5 FORUM SELECTION AND CONSENT TO JURISDICTION. ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, SHALL BE BROUGHT AND MAINTAINED EXCLUSIVELY IN THE COURTS OF THE STATE OF COLORADO OR IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF COLORADO; PROVIDED THAT NOTHING IN THIS AGREEMENT SHALL BE DEEMED OR OPERATE TO PRECLUDE THE BANK FROM BRINGING SUIT OR TAKING OTHER LEGAL ACTION IN ANY OTHER JURISDICTION. THE BORROWER HEREBY EXPRESSLY AND IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE COURTS OF THE STATE OF COLORADO AND OF THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF COLORADO FOR THE PURPOSE OF ANY SUCH LITIGATION AS SET FORTH ABOVE. THE BORROWER FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS BY REGISTERED MAIL, POSTAGE PREPAID, OR BY PERSONAL SERVICE WITHIN OR WITHOUT THE STATE OF COLORADO. THE BORROWER HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

13.6 WAIVER OF JURY TRIAL. THE BANK AND THE BORROWER, AFTER CONSULTING OR HAVING HAD THE OPPORTUNITY TO CONSULT WITH COUNSEL, EACH KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE IRREVOCABLY, ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS AGREEMENT, ANY NOTE, ANY OTHER LOAN DOCUMENT, ANY OF THE OTHER OBLIGATIONS, THE COLLATERAL, OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HERewith OR THEREWITH OR ARISING FROM ANY LENDING RELATIONSHIP EXISTING IN CONNECTION WITH ANY OF THE FOREGOING, OR ANY COURSE OF CONDUCT OR COURSE OF DEALING IN WHICH

THE BANK AND THE BORROWER ARE ADVERSE PARTIES, AND EACH AGREES THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE BANK GRANTING ANY FINANCIAL ACCOMMODATION TO THE BORROWER.

13.7 Assignability. The Bank may at any time assign the Bank's rights in this Agreement, the other Loan Documents, the Obligations, or any part thereof and transfer the Bank's rights in any or all of the Collateral, and the Bank thereafter shall be relieved from all liability with respect to such Collateral. In addition, the Bank may at any time sell one or more participations in the Loans. The Borrower may not sell or assign this Agreement, or any other agreement with the Bank or any portion thereof, either voluntarily or by operation of law, without the prior written consent of the Bank. This Agreement shall be binding upon the Bank and the Borrower and their respective legal representatives and successors. All references herein to the Borrower shall be deemed to include any successors, whether immediate or remote. In the case of a joint venture or partnership, the term "Borrower" shall be deemed to include all joint venturers or partners thereof, who shall be jointly and severally liable hereunder.

13.8 Confirmations. The Borrower and the Bank agree from time to time, upon written request received by it from the other, to confirm to the other in writing the aggregate unpaid principal amount of the Loans then outstanding under such Note.

13.9 Confidentiality. The Bank agrees to use commercially reasonable efforts (equivalent to the efforts the Bank applies to maintain the confidentiality of its own confidential information) to maintain as confidential all information provided to it by the Borrower, including all information designated as confidential, except that the Bank may disclose such information (a) to Persons employed or engaged by the Bank in evaluating, approving, structuring or administering the Loans; (b) to any assignee or participant or potential assignee or participant that has agreed to comply with the covenant contained in this Section 13.9 (and any such assignee or participant or potential assignee or participant may disclose such information to Persons employed or engaged by them as described in clause (a) above); (c) as required or requested by any federal or state regulatory authority or examiner, or any insurance industry association, or as reasonably believed by the Bank to be compelled by any court decree, subpoena or legal or administrative order or process; (d) as, on the advice of the Bank's counsel, is required by law; (e) in connection with the exercise of any right or remedy under the Loan Documents or in connection with any litigation to which the Bank is a party; (f) to any nationally recognized rating agency that requires access to information about the Bank's investment portfolio in connection with ratings issued with respect to the Bank; (g) to any Affiliate of the Bank who may provide Bank Products to the Borrower or any Subsidiary, or (h) that has ceased to be confidential through no fault of the Bank.

13.10 Binding Effect. This Agreement shall become effective upon execution by the Borrower and the Bank. If this Agreement is not dated or contains any blanks when executed by the Borrower, the Bank is hereby authorized, without notice to the Borrower, to date this Agreement as of the date when it was executed by the Borrower, and to complete any such blanks according to the terms upon which this Agreement is executed.

13.11 Governing Law. This Agreement, the Loan Documents and any Note shall be delivered and accepted in and shall be deemed to be contracts made under and governed by the internal laws of the State of Colorado (but giving effect to federal laws applicable to national banks) applicable to contracts made and to be performed entirely within such state, without regard to conflict of laws principles.

13.12 Enforceability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by, unenforceable or invalid under any jurisdiction, such provision shall as to such jurisdiction, be severable and be ineffective to the extent of such prohibition or invalidity, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

13.13 Survival of Borrower Representations. All covenants, agreements, representations and warranties made by the Borrower herein shall, notwithstanding any investigation by the Bank, be deemed material and relied upon by the Bank and shall survive the making and execution of this Agreement and the Loan Documents and the issuance of any Note, and shall be deemed to be continuing representations and warranties until such time as the Borrower has fulfilled all of its Obligations to the Bank, and the Bank has been indefeasibly paid in full in cash. The Bank, in extending financial accommodations to the Borrower, is expressly acting and relying on the aforesaid representations and warranties.

13.14 Extensions of Bank's Commitment. This Agreement shall secure and govern the terms of (i) any extensions or renewals of the Bank's commitment hereunder, and (ii) any replacement note executed by the Borrower and accepted by the Bank in its sole and absolute discretion in substitution for any Note.

13.15 Time of Essence. Time is of the essence in making payments of all amounts due the Bank under this Agreement and in the performance and observance by the Borrower of each covenant, agreement, provision and term of this Agreement.

13.16 Counterparts; Facsimile Signatures. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Agreement. Receipt of an executed signature page to this Agreement by facsimile or other electronic transmission shall constitute effective delivery thereof. Electronic records of executed Loan Documents maintained by the Bank shall be deemed to be originals thereof.

No notice to or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

13.18 Release of Claims Against Bank. In consideration of the Bank making the Loans, the Borrower and all other Obligors do each hereby release and discharge the Bank of and from any and all claims, harm, injury, and damage of any and every kind, known or unknown, legal or equitable, which any Obligor may have against the Bank from the date of their respective first contact with the Bank until the date of this Loan Agreement, including any claim arising from any reports (environmental reports, surveys, appraisals, etc.) prepared by any parties hired or recommended by the Bank. The Borrower and all other Obligors confirm to Bank that they have reviewed the effect of this release with competent legal counsel of their choice, or have been afforded the opportunity to do so, prior to execution of this Agreement and the Loan Documents and do each acknowledge and agree that the Bank is relying upon this release in extending the Loans to the Borrower.

13.19 Costs, Fees and Expenses. The Borrower shall pay or reimburse the Bank for all reasonable costs, fees and expenses incurred by the Bank or for which the Bank becomes obligated in connection with the negotiation, preparation, consummation, collection of the Obligations or enforcement of this Agreement, the other Loan Documents and all other documents provided for herein or delivered or to be delivered hereunder or in connection herewith (including any amendment, supplement or waiver to any Loan Document), or during any workout, restructuring or negotiations in respect thereof, including reasonable consultants' fees and attorneys' fees and time charges of counsel to the Bank, which shall also include attorneys' fees and time charges of attorneys who may be employees of the Bank or any Affiliate of the Bank, plus costs and expenses of such attorneys or of the Bank; search fees, costs and expenses; and all taxes payable in connection with this Agreement or the other Loan Documents, whether or not the transaction contemplated hereby shall be consummated. In furtherance of the foregoing, the Borrower shall pay any and all stamp and other taxes, UCC search fees, filing fees and other costs and expenses in connection with the execution and delivery of this Agreement, any Note and the other Loan Documents to be delivered hereunder, and agrees to save and hold the Bank harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such costs and expenses. That portion of the Obligations consisting of costs, expenses or advances to be reimbursed by the Borrower to the Bank pursuant to this Agreement or the other Loan Documents which are not paid on or prior to the date hereof shall be payable by the Borrower to the Bank on demand. If at any time or times hereafter the Bank: (a) employs counsel for advice or other representation (i) with respect to this Agreement or the other Loan Documents, (ii) to represent the Bank in any litigation, contest, dispute, suit or proceeding or to commence, defend, or intervene or to take any other action in or with respect to any litigation, contest, dispute, suit, or proceeding (whether instituted by the Bank, the Borrower, or any other Person) in any way or respect relating to this Agreement, the other Loan Documents or the Borrower's business or affairs, or (iii) to enforce any rights of the Bank against the Borrower or any other Person that may be obligated to the Bank by virtue of this Agreement or the other Loan Documents; (b) takes any action to protect, collect, sell, liquidate, or otherwise dispose of any of the Collateral; and/or (c) attempts to or enforces any of the Bank's rights or remedies under the Agreement or the other Loan Documents, the costs and expenses incurred by the Bank in any manner or way with respect to the foregoing, shall be part of the Obligations, payable by the Borrower to the Bank on demand.

13.20 Indemnification. The Borrower agrees to defend (with counsel satisfactory to the Bank), protect, indemnify, exonerate and hold harmless each Indemnified Party from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and distributions of any kind or nature (including the disbursements and the reasonable fees of counsel for each Indemnified Party thereto, which shall also include, without limitation, reasonable attorneys' fees and time charges of attorneys who may be employees of any Indemnified Party), which may be imposed on, incurred by, or asserted against, any Indemnified Party (whether direct, indirect or consequential and whether based on any federal, state or local laws or regulations, including securities laws, Environmental Laws, commercial laws and regulations, under common law or in equity, or based on contract or otherwise) in any manner relating to or arising out of this Agreement or any of the Loan Documents, or any act, event or transaction related or attendant thereto, the preparation, execution and delivery of this Agreement and the Loan Documents, including the making or issuance and management of the Loans, the use or intended use of the proceeds of the Loans, the enforcement of the Bank's rights and remedies under this Agreement, the Loan Documents, any Note, any other instruments and documents delivered hereunder, or under any other agreement between the Borrower and the Bank; provided, however, that the Borrower shall not have any obligations hereunder to any Indemnified Party with respect to matters determined by a court of competent jurisdiction by final and nonappealable judgment to have been caused by or resulting from the willful misconduct or gross negligence of such Indemnified Party. To the extent that the undertaking to indemnify set forth in the preceding sentence may be unenforceable because it violates any law or public policy, the Borrower shall satisfy such undertaking to the maximum extent permitted by applicable law. Any liability, obligation, loss, damage, penalty, cost or expense covered by this indemnity shall be paid to each Indemnified Party on demand, and failing prompt payment, together with interest thereon at the Default Rate from the date incurred by each Indemnified Party until paid by the Borrower, shall be added to the Obligations of the Borrower and be secured by the Collateral. The provisions of this Section shall survive the satisfaction and payment of the other Obligations and the termination of this Agreement.

13.21 Revival and Reinstatement of Obligations. If the incurrence or payment of the Obligations by any Obligor or the transfer to the Bank of any property should for any reason subsequently be declared to be void or voidable under any state or federal law relating to creditors' rights, including provisions of the Bankruptcy Code relating to fraudulent conveyances, preferences, or other voidable or recoverable payments of money or transfers of property (collectively, a "Voidable Transfer"), and if the Bank is required to repay or restore, in whole or in part, any such Voidable Transfer, or elects to do so upon the reasonable advice of its counsel, then, as to any such Voidable Transfer, or the amount thereof that the Bank is required or elects to repay or restore, and as to all reasonable costs, expenses, and attorneys' fees of the Bank, the Obligations shall automatically shall be revived, reinstated, and restored and shall exist as though such Voidable Transfer had never been made.
